About Me

Hello COLTS! This is my 4th year at Kohl and my 12th year as a school counselor. I love being a school counselor because I get work with students, families and teachers. I have lived all over the country - Maryland, Ohio, Missouri, Arizona, North Carolina and Colorado! When I am not at school, I love being outside! I spend as much time in the summer at the pool and the beach as I can. During the winter, I like to be in the mountains skiing and enjoying the snow! If I can't be outside, you can find me cuddling with my dogs Seamus and Mango.

Education

- National Certified Counselor
- Master of Education from Loyola University Maryland
- Bachelor of Arts from Arizona State University
