Here are the 2 things you need to know about Columbia Elementary this week
(2/18/22)

1. Monday, February 21, is Presidents Day. School will not be in session on Monday.
2. Bicycles, Scooters, and Skateboards: With the weather warming up, many students will soon want to ride their bicycles, scooters, or skateboards to school. In considering our first school rule, Be Safe, we ask students to walk their bicycles, scooters, and skateboards at school. We have bicycle racks for parking and locking bicycles. We don't allow scooters and skateboards to be stored inside the school because of safety and space issues. You may be happy to know that just this week we installed scooter and skateboard security racks near our bicycle racks. Students will need to bring their own padlock. Have an awesome weekend!
