Message from the school:

Cologne Academy (CA) is a public charter school that features the Core Knowledge Sequence curriculum and character development. The school focuses on individual student achievement and recognizes that each scholar has their own learning trajectory; the school aims to foster individual growth in all domains for all students. We identify literacy as the foundational block of learning and staff heavily in this effort to ensure all students are literate by 3rd grade. CA consistently ranks as a top elementary school (K-5th grade) and middle school (6th-8th grade) in Minnesota and in Carver County. CA is a PBIS (Positive Behavior Interventions and Support) school that helps to promote a vibrant, positive, growth-mindset orientated learning environment. The school offers robust extracurricular offerings (sports, theatre, clubs, NJHS, student council, etc.) for student engagement and community building. PAVE (People Are Vital Energy) is this school's active parent group that is focused on fundraising, community building, and serving the needs of the student via additional supports.
