- DAC Report
  - On Jan. 11, DAC Exec presented the DAC Budget Recommendations memo (attached) and report to the Board of Education during their regular meeting. The report was received positively, if briefly (it was a long meeting, and we were deep in the agenda).
  - On Feb 1, the Policy Subcommittee met with district counsel and Title IX coordinator. Advanced our working draft of Parent and Family Engagement Policy (KB) to counsel and district stakeholder review.
  - On Feb 15, DAC Exec will meet with Board in special session to check in on spring priorities
  - Next DAC “All Hands” scheduled 3/1, will distribute a formal report after that meeting.
- FRS Report
  - Lifelong Learning: program is running; we are working through minor hiccups but otherwise it’s going well. Registration for spring classes is already open and available at [lll.bvsd.org](http://lll.bvsd.org).
