THE POLICY

The Salt Lake City School District Board of Education maintains tobacco- and drug-free working and learning environments. It is a violation of this policy for any individual to possess, use, distribute, consume, dispense, or manufacture alcohol, controlled substances, or drug paraphernalia while on district property, in district vehicles, or at any district-sponsored activity. This prohibition includes the use of alcohol or illegal drugs before coming to work such that the substance would be detected through a drug/alcohol test during work hours. Employees may be tested for controlled substances and/or alcohol as detailed in the accompanying administrative procedures, and all testing will comply with federal and state law.

As part of the board's commitment to creating healthy environments for all members of our district community, the board prohibits tobacco use in all district facilities and vehicles, and on all school campuses. Tobacco use by students is strictly prohibited at any school-sponsored event or activity on or off school grounds; this includes the use and/or possession of e-cigarettes, vaporizers, and/or other products that may contain nicotine. The tobacco-free policy is designed to be positive and supportive of overall health and well-being. Individuals noticing violations of this policy by adults should be respectful in communicating the district's tobacco-free status. An administrator in charge of a district facility, that is not a school or other building in which students are often present, may designate outdoor smoking areas for employees in compliance with the Utah Indoor Clean Air Act.

As a condition of employment, the board requires employees to report their arrest or citation for any alcohol- or drug-related offense to their immediate supervisor or the executive director of human resource services within 48 hours.

Employees who are found to have violated this policy may be subjected to disciplinary action, up to and including termination. Paraphernalia such as e-cigarettes, vaporizers, and/or other products that may contain nicotine, or alcohol or illegal drugs, that are in a student's possession shall be seized by the district. The district reserves the right to give such paraphernalia to law enforcement as required by state law or if it deems such action necessary and appropriate. Students who use and/or possess alcohol, illegal drugs, e-cigarettes, vaporizers, and/or any other products that may contain nicotine on district property or at district-sponsored events shall be subject to disciplinary action in accordance with the board's student conduct and discipline policy.

The purpose of this policy is to provide our students and employees a safe, healthy, and productive educational and work environment, as well as to avoid a variety of problems created by the misuse of alcohol and/or controlled substances.

The district has set forth its specific processes for implementing this board policy through the accompanying [administrative procedures](#).

No district employee or student shall be subjected to discrimination in employment or any district program or activity on the basis of age, color, disability, gender, gender identity, genetic information, national origin, pregnancy, race, religion, sex, sexual orientation, or veteran status. The district is committed to providing equal access and equal opportunity in its programs, services and employment including its policies, complaint processes, program accessibility, district facility use, accommodations and other Equal Employment Opportunity matters. The district also provides equal access to district facilities for all youth groups listed in Title 36 of the United State Codes, including scouting groups. The following person has been designated to handle inquiries and complaints regarding unlawful discrimination, harassment, and retaliation: Tina Hatch, Compliance and Investigations/Title IX Coordinator, 406 East 100 South, Salt Lake City, Utah 84111, (801) 578-8388. You may also contact the Office for Civil Rights, Denver, CO, (303) 844-5695.
