THE POLICY

The Salt Lake City School District Board of Education complies with all state and federal laws regarding law enforcement access to student records and to students while they are at school. In complying with these laws, the board is committed to protecting students' privacy and constitutional rights with respect to their education records and their person.

The purpose of this policy is to ensure that students' rights are protected and that the district complies with all state and federal laws when providing law enforcement personnel with access to students and their information.

The district has set forth its specific processes for implementing this board policy through the accompanying [administrative procedures](#).

No district employee or student shall be subjected to discrimination in employment or any district program or activity on the basis of age, color, disability, gender, gender identity, genetic information, national origin, pregnancy, race, religion, sex, sexual orientation, or veteran status. The district is committed to providing equal access and equal opportunity in its programs, services and employment including its policies, complaint processes, program accessibility, district facility use, accommodations and other Equal Employment Opportunity matters. The district also provides equal access to district facilities for all youth groups listed in Title 36 of the United State Codes, including scouting groups. The following person has been designated to handle inquiries and complaints regarding unlawful discrimination, harassment, and retaliation: Tina Hatch, Compliance and Investigations/Title IX Coordinator, 440 East 100 South, Salt Lake City, Utah 84111, (801) 578-8388. You may also contact the Office for Civil Rights, Denver, CO, (303) 844-5695.
