Welcome to Hollywood Hill Elementary School where our classrooms are filled with the sounds of teaching and learning. I am consistently awed by the work of staff and students in our school to ensure a positive impact on each student, every day.

Our dedicated teaching professionals care about the academic and social-emotional growth of each student. The heart of our school strategic action plan is growth in both the ways that students feel about school and their performance at school. We are constantly questioning our own understandings of equity, trauma, social-emotional skills and academic standards to bring the best to our students. Our system depends on collaboration between grade level colleagues and cross grade level colleagues to study our teaching in service of student learning. Teams meet to plan instruction, share resources and build common expectations of student performance. Our continued goal is to refine our teaching to meet the individual and collective needs of all students.

Denise Waters, Principal
