Welcome to Kenmore! This is my seventh year as the principal in a dynamic community that is so committed to serving amazing kids! We embrace the whole child—who they are, what they have to offer and what they need academically, behaviorally, culturally, emotionally and socially so that they shine! Our students have incredible teachers, a loving staff and devoted families who care deeply and work in partnership to educate them.

Teamwork is an essential component of our work. Teachers and paraeducators meet in collaborative teams to plan and discuss student progress and take part in professional learning opportunities. With our Strategic Action Plan guiding us, we focus on learning and implementing instructional practices that are culturally responsive, inclusive and high leverage. We know our diverse student population must have greater access to opportunities and experiences that are meaningful and relevant to each student’s needs and interests in order to have a lasting impact.

Melissa Riley, Principal
