Welcome to Lockwood Elementary School, a committed learning community dedicated to each and every student's success. Educating the whole child is a top priority here at Lockwood. Our staff and community work in partnership to enrich the learning opportunities and classroom experiences both academically and socially for all students.

The Lockwood teachers strive to give each student what they need when they need it. We are one of the few schools in the district that serve four programs: general education, sensory, EAP (Elementary Advanced Placement), and PACE (Parents Active in Cooperative Education). It is due to teachers within these programs working together that allows for unique learning opportunities for all students.

Students at Lockwood exhibit our school pillars in all situations. These pillars are Persevere, Act Responsibly, Work Together, and Stay Safe. Through these pillars, students show kindness, empathy, compassion, and a willingness to work hard daily. We see these actions not only at school, but out in the community as well.

The Lockwood parents play a very active role in the success of Lockwood staff and students. It is through this partnership that staff feel supported, and students share their successes. We embrace and are forever grateful for this partnership. We welcome all to join us in celebrating another successful school year.

Tamorah Redshaw, Principal
