STEAM (Science, Technology, Engineering, Art, and Mathematics)					
Tinkercad, Scratch, and Paper Creations 	<p>New class this Spring from TinkerTech. Discover CAD (computer-aided design) using Tinkercad software from Autodesk, level up your coding skills with Scratch, and work as a team to build creative paper designs using origami as inspiration. Taught by TinkerTech Instructor Ellie Buehler.</p> <p>Ellie is an experienced teacher who is passionate about engaging the next generation of engineers to discover STEM (Science, Technology, Engineering and Math) through hands-on projects. A graduate in electrical engineering from MIT, she was a Xbox Design Engineer at Microsoft before she decided to specialize in teaching. Ellie has run an engineering class for girls, taught a robotics program in Berkeley High School, and ran a Fab Lab for K-12 students in New Orleans before moving to Marin County with her family. Her favorite project to date was building a five foot tall model of the Eiffel Tower with her students for the New Orleans French Quarter Festival.</p>	3-5	3:10- 4:10	Thursdays, 3/3 - 5/19 (no class 3/24)	\$375
Chess Wizards	<p>Join us for tons of challenging chess lessons, exciting games, and cool prizes. You'll improve your chess skills, meet new friends, and work out your most powerful muscle - your brain! Our classes are geared toward all skill levels—from chessling to checkmate artist! Students will build upon their knowledge through lessons, tournaments, variation games and more! More than just a game of winning and losing, we make learning chess fun!</p>	K-5	3:10-4:10	Tuesdays 3/1 - 5/10	\$300

PLEASE NOTE: Spots are not held until payment has been made in full. Payment is due by first class meeting. Refunds will be honored up to one week after the activity start date. Contact PASE@SanDomenico.org for more information.

ATHLETICS					
Track and Field with Coach Churchill	Athletes will develop skills and have the chance to learn all events, distance, sprints, relays, and jumping, in track and field. We will compete in the CYO Marin Track meets.	3-5	3:10-4:30	Mondays/ Wednesdays 2/28-5/22	\$300
<u>Spring Soccer with O'Sullivan Academy: K/1</u>	Come join the fun of spring soccer! We teach kids how to win and lose with respect for yourself and the opposition. Most importantly, we stress that having fun doesn't hinge on winning and losing or being the best player but rather being the best version of yourself!!! Kids will learn to have fun by respecting the game, respecting yourself, and respecting the people around you while learning soccer skills. <u>Click Here to Register!</u>	K-1	3:10-4:30	Tuesday and Thursday 4/26-6/2	\$325
<u>Spring Soccer with O'Sullivan Academy: 2/3</u>	Come join the fun of spring soccer! We teach kids how to win and lose with respect for yourself and the opposition. Most importantly, we stress that having fun doesn't hinge on winning and losing or being the best player but rather being the best version of yourself!!! Kids will learn to have fun by respecting the game, respecting yourself, and respecting the people around you while learning soccer skills. <u>Click Here to Register!</u>	2-3	3:10-4:30	Tuesday and Thursday 4/26-6/2	\$325
Mountain Biking w/ Coach Sean Perry	The team will meet on Mondays and be split into groups based on their ability. They will ride trails around campus and learn skills to use on the trails. All participants need bikes with wide knobby tires, two well tuned brakes and we highly recommend multiple gears. On their bodies, properly fitted helmets and bike gloves are necessary. Also, light weight knee and elbow pads, protective eye wear and hydration packs can be very helpful.	3-5	3:20-4:45	Mondays	\$275
