At Shelton View Elementary, we are a caring, diverse community of students, families, and staff dedicated to creating a collaborative learning culture, the goal being that all will feel safe and valued while ensuring academic and social success for all.

We seek to be a school community that strives to embody the framework of MTSS, which represents a Multi-Tiered System of Support. In essence, we strive to support the whole child: Their academic, behavioral, and social growth and maturity. Under the MTSS umbrella, we strive to meet the needs of students through standards-based academic rigor and expectations, a focus on PBIS (Positive Behavior and Interventions Support), and on REJ (Racial and Educational Justice).
