Woodin is an energetic, learning community that prides itself on meeting the needs of the children we serve. We are committed to partnering with families to provide the best educational experience. The richness and diversity of our surrounding community is reflected in the faces of the students who fill our classrooms. This diversity of incomes, languages and cultures is the strength of the Woodin family. We have created a responsive learning community that recognizes and nurtures the academic potential of every child.

Woodin offers a K-5 English instructional program and a K-5 Spanish/English dual language program. Our teachers have high expectations and work diligently to ensure every student achieves at high levels. We care deeply about our students and provide differentiated learning opportunities. As principal, my favorite place to be is in the classroom connecting with students and observing teachers as they create purposeful learning communities.
