Woodmoor Elementary School staff are a proud community of over 120 members working collaboratively to serve over 600 students through programs including Developmental 3's, Phonology, Early Childhood Education and Assistance Program (ECEAP), K-5 general education, special education, functional skills and academics (FSA), and a parent co-op program (PACE). These diverse groups blend into a rich learning community.

Woodmoor teachers are known for being learners, constantly working to improve instruction. Leadership is provided through our Shared Decision-Making Leadership Team, professional development on early-release Wednesdays, and through voluntary instructional team meetings to build knowledge of content and teaching practices.

In addition, we understand that attention to the whole child helps build a high-performing school. Staff support positive attitudes and interactions by using common language – SWIM (Show respect, Work hard, Include everyone, Make safe choices). This common language fosters a consistent message about our school-wide expectations and allows us to support students' social and emotional growth.

Ebony Harvey, Principal
