Our top priority is ensuring that each and every student at NJH reaches their full potential and thrives so that they are prepared for success in high school and beyond. We look forward to partnering with you on this journey.

Our staff is dedicated to making sure that NJH continues to flourish by maintaining our standard of excellence for all students that our community is accustomed to. We are committed to ensuring a safe and supportive learning environment that meets the unique needs of all students, challenges them to grow, and helps them achieve their best.

Junior high is a vital time of transition and change. It is the perfect time to set the stage for success in high school and beyond. At this age, students are searching for who they are and who they want to become. They are developing habits and skills that will set them on the right path to their future. Students need rigorous, active learning, a safe place to explore options and challenge themselves, and a supportive environment where they feel a sense of belonging, connection and empowerment. At NJH, we work tirelessly to provide this to all of our students.
