At Bothell High School, we aspire students to Build their futures; Belong to our community and Become their true selves.

Each year, we identify goals that guide the work we do to ensure each of our students learn at high levels and graduate prepared for future success in career, college, and life. Supporting student performance not only requires a safe, caring, and mutually respectful environment, but also a careful consideration of the Northshore School District Strategic Plan goals that align with our students' needs. Identifying strategic plan goals and actions to meet the chosen goals requires that we engage in a cycle of continuous improvement. The inquiry process that drives our cycle of continuous improvement is outlined below.
