Woodinville High School has developed a reputation as a premiere high school in Washington state through the tireless work of its students, administrators, teachers, support staff, coaches and parents. I am honored to serve as principal at a school that ranks as one of the best public high schools in the nation, where academic and extra-curricular excellence is at the forefront of all we do.

Woodinville’s mission and motto – “Care, Respect, Leadership” – recognize our shared vision and intention to develop the mind, body and spirit of the young people educated at WHS into caring, respectful leaders and productive, life-long learners. This is accomplished by meeting the academic, physical, social and emotional needs of our students within a safe learning environment and positive school climate that honors the diversity of all students.

WHS maintains open communication, a focus on instructional standards and coordinates the curriculum with our two junior high feeder schools, Leota and Timbercrest, providing our incoming sophomores with every opportunity for the best possible transition.
