2020-21 School Performance Report

3330 Monte Villa Parkway • Bothell, WA 98021 • 425.408.4175 • www.nsd.org/networks

Principal: Donna Tyo

Northshore Networks offers an academic program designed to meet the needs of students in a customized, personalized and independent study setting. Our program serves students in grades 1-12.

Students and parents meet weekly for one hour with a highly qualified teacher. Students in grades 7-12 are also required to attend an additional 2-4 hours of classroom instruction in core subject areas, and we provide a Study Lab M-F where students can receive additional academic assistance.

Northshore Networks functions for optimal student benefit, when there is high parent involvement in their student's education. It is vital that home support, structure and organization are top priorities. When parents are involved in their student's education it sends a clear message that education is valued and is a priority.

Our experienced and highly qualified staff is committed to meeting the needs of students for whom the traditional learning environment is not a match. We are proud of the success rate of our students who meet all state and district graduation requirements and earn their high school diploma.

Donna Tyo, Principal of Alternative Programs

Mission Statement: *To collaborate with parents and students to design and implement a customized and relevant education that ensures our students meet state, district and personal goals.*
