

What is Class Charts for parents?

Depending on how your school has set up our system, you will be able to use Class Charts to keep track of your child's [behaviour](#), view [attendance](#) records, access their weekly [timetable](#), view assigned [homework](#) tasks, track scheduled [detentions](#), create [wellbeing](#) submissions and view announcements from their school.

If you have more than one child, you can access Class Charts information about your children from a single, centralised parent account.

Class Charts for parents can be accessed via our [website](#), or through our [iOS](#) and [Android](#) apps.

You should have received a [Parent code](#) from your school, which will look similar to the example code shown on the right.

This code is used to set up your [Class Charts parent account](#), which is covered on the next page.
