**New Student Requirements
From Health Services**

Dear Parent/Guardian:

Welcome to Lampeter-Strasburg School District!

When registering your child as a new student, the following information must be provided:

- **Immunization Record**
- **Health History Form:** Includes allergies, illnesses and/or chronic medical conditions, and current medications.
- **Physical Examination:** Required for all students in kindergarten and grades 6 and 11, or entrance into school at any grade if there is not a grade-appropriate physical examination on record.
- **Dental Examination:** Required for all students in kindergarten and grades 3 and 7, or entrance into school at any grade if there is not a grade-appropriate dental examination on record.

Medical policies and all necessary forms are available on the School district Web site under Department/Services - Health: www.L-Spioneers.org.

You can access your child's state-mandated screening results on PowerSchool as soon as the data is entered.

If you have any questions or if you would like to discuss any health issues concerning your child, please contact the school nurse at your child's school:
