

TESTING STAFF CELL PHONE OATH

DATE: _____

I am aware of the Brownsville ISD's Cell Phone and Electronic Device Policy during testing. If it is discovered that I kept my cell phone or electronic device during testing:

1. My cell phone or other electronic device(s) can be confiscated on the spot and given to the principal. An investigation will then be conducted to determine cell phone or electronic usage during testing.
2. Disciplinary actions will be decided at the campus level and if needed at the district level.
