DISTRICT-WIDE COMMITMENT TO

PCSD 25 provides the highest quality educational services in a safe, supportive and caring learning environment. Our district-wide commitment to Visible Learning is central to our mission and vision. In order to see Visible Learning in action, parents can turn the question, "What did you DO today?" into "What did you LEARN today?" It's not just what students are learning, it's also about how they are learning. Visible Learning research shows that the greatest impact on student learning is collective efficacy. Simply stated, our impact is much greater when we do **MORE TOGETHER.**
