

「School Guideline v.6」 Major Revisions

Table of Contents	Pg#	Main Topics	Revised (Newly adopted - enhanced)																																	
I. Basic Principle	1	Omicron facts	Provide customized information on the Omicron variant *RAT: Rapid Antigen Test																																	
II. Basic Direction of COVID19 Response	7	Change in Attendance Standard	Adjust attendance policy based on KCDA standards on quarantine measures																																	
			<table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th>Type</th> <th>Report to KCDA</th> <th>My vaccine status</th> <th>Quarantine Period</th> <th>Testing</th> <th>Attendance</th> </tr> </thead> <tbody> <tr> <td rowspan="2">If "I" am :</td> <td>Confirmed</td> <td>Up to date, Not up to date</td> <td>7 days</td> <td>-</td> <td>No</td> </tr> <tr> <td>Is a close contact</td> <td>Up to date</td> <td>(7 days) Passive monitoring</td> <td>PCR test before release from quarantine/monitoring</td> <td>Yes</td> </tr> <tr> <td rowspan="2">If my "family living with me" is :</td> <td>Confirmed</td> <td>Up to date</td> <td>(7 days) Passive monitoring</td> <td rowspan="2">RAT on the 6th or 7th day</td> <td>Yes</td> </tr> <tr> <td>Is a close contact</td> <td>Not up to date</td> <td>7 days</td> <td>No</td> </tr> <tr> <td></td> <td></td> <td>Up to date, Not up to date</td> <td>None</td> <td></td> <td>Yes</td> </tr> </tbody> </table>	Type	Report to KCDA	My vaccine status	Quarantine Period	Testing	Attendance	If "I" am :	Confirmed	Up to date, Not up to date	7 days	-	No	Is a close contact	Up to date	(7 days) Passive monitoring	PCR test before release from quarantine/monitoring	Yes	If my "family living with me" is :	Confirmed	Up to date	(7 days) Passive monitoring	RAT on the 6th or 7th day	Yes	Is a close contact	Not up to date	7 days	No			Up to date, Not up to date	None		Yes
			Type	Report to KCDA	My vaccine status	Quarantine Period	Testing	Attendance																												
If "I" am :	Confirmed	Up to date, Not up to date	7 days	-	No																															
	Is a close contact	Up to date	(7 days) Passive monitoring	PCR test before release from quarantine/monitoring	Yes																															
If my "family living with me" is :	Confirmed	Up to date	(7 days) Passive monitoring	RAT on the 6th or 7th day	Yes																															
	Is a close contact	Not up to date	7 days		No																															
		Up to date, Not up to date	None		Yes																															
Must open windows at ALL times (with the consideration of the weather)																																				
III. School Response Guide	8	Ventilation	Check for COVID-19 protective masks (KF80 or above) on all incomers																																	
	10	Enforce Masks	Additional management guideline for vulnerable facilities (gyms, restrooms)																																	
	12	Set guideline for vulnerable facilities	<table border="1" style="width: 100%; border-collapse: collapse;"> <tbody> <tr> <td style="width: 20%;">Gyms</td> <td>Limit classes to 2 or less, wear masks at all times</td> </tr> <tr> <td>Restrooms</td> <td>Limit simultaneous use of bathroom sinks</td> </tr> </tbody> </table>	Gyms	Limit classes to 2 or less, wear masks at all times	Restrooms	Limit simultaneous use of bathroom sinks																													
Gyms	Limit classes to 2 or less, wear masks at all times																																			
Restrooms	Limit simultaneous use of bathroom sinks																																			
13	Enhance school lunch mgnt	Install partition in lunch areas, designate seats*, enforce guidance * Should be managed by person, but given the school characteristics, it may also be managed by groups																																		
IV. Response on Positive Cases	14	Change of KCDA system	⇒ For positive cases, the KCDA may add on to the response directions (Management of close contacts focusing on high-risk people, etc)																																	
	14	Set school autonomous quarantine system	KCDA will provide guidance such as "school autonomous investigation" and "testing" for in-school contact cases based on the testing system change <HOS directed contact investigation results / follow-up measures> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th></th> <th>Testing Method</th> <th>Testing Area</th> <th>Attendance</th> </tr> </thead> <tbody> <tr> <td>High-risk group / symptomatic</td> <td>1 PCR test</td> <td>Screening Center</td> <td rowspan="2">Only allowed IF the test results are Negative</td> </tr> <tr> <td>Asymptomatic</td> <td>At least 3 RAT within 7 days</td> <td>Screening Center, Medical Facilities, Home, etc.</td> </tr> </tbody> </table>		Testing Method	Testing Area	Attendance	High-risk group / symptomatic	1 PCR test	Screening Center	Only allowed IF the test results are Negative	Asymptomatic	At least 3 RAT within 7 days	Screening Center, Medical Facilities, Home, etc.																						
	Testing Method	Testing Area	Attendance																																	
High-risk group / symptomatic	1 PCR test	Screening Center	Only allowed IF the test results are Negative																																	
Asymptomatic	At least 3 RAT within 7 days	Screening Center, Medical Facilities, Home, etc.																																		
V. Dormitory Management	18	Dormitory Management	Additional guidance to students in dormitories to take regular RAT																																	
Reference	27	(Ref 6) Emergency Response System	Refer to work continuity plan for nurse or catering staff quarantine																																	
	33	(Ref 9) Underlying Conditions Range	Refer to documents on high-risk children and adolescents																																	
	34	(Ref 10) Check Related evidence	Guidance on attaining verification of vaccination and negative results																																	
	35	(Ref 11) Omicron Guide	Additional document on national code of conduct for Omicron responses																																	
	36	(Form 1) HOS confirmation	Contact management and HOS confirmation form																																	
Forms	37	(Form 2) RAT (Rapid Antigen Test)	Example of school letter on RAT guidance (parent agreement included)																																	

Offices for contact:	1. General info, catering: Student Health Office	2. Dormitory management: School Policy Office
	3. Kindergarten: Pre-school Education Office	4. Special schools: Special School Policy Office
