

Town of Scarborough, Maine

US ROUTE ONE, PO BOX 360
SCARBOROUGH, MAINE • 04070-0360

Kayak Storage

The Town of Scarborough has two eight-space storage racks for kayaks at the boat launch area of Pine Point (next to the Pine Point Co-Op) and now an eight-space storage rack at Ferry Beach. In order to reserve a space this form must be completed.

Please Note: Limited spaces are available. Applications are accepted annually beginning in March 1, with past renters getting first rights of refusal in February. We have an ongoing waitlist that you may be added to by calling 207-730-4150.

1) Small Vessel Storage

- a. All kayaks must be approved and permitted by Community Services, may be stored for a fee, and the spots will be assigned fairly by Community Services based upon their limited number and availability. Permits will be issued on a first-come, first-served basis.
- b. The owners of the permitted vessels are responsible for securing and locking their vessel. The Town of Scarborough assumes no responsibility for these vessels which includes the use of such vessel or any loss or damage to it. Any arrangement between owners to let others use their permitted vessels is entirely up to them and the town will not be involved in any way.
- c. There is no storage available onsite for life jackets, paddles, helmets, etc. The storage is for the vessels only.
- d. All permitted vessels shall have identification, including owner name and contact number, placed in a visible manner on the vessel.
- e. Vessel storage will be permitted from April 1 to December 1.
- f. Any unpermitted vessels will be removed at a cost to the owner of \$100.

2) Small Vessel Fees

All permitted vessel owners will pay a fee and be issued a sticker to be placed in a visible manner on the vessel. Scarborough residents will pay \$100 per season and non-residents will pay \$150 per season.

3) Small Vessel Removal

All permitted vessels must be removed by December 1 each year. Any vessel left on Town of Scarborough property without permission of Community Services will be removed by the Town at a cost of \$100 to the owner.

I have read, understand, and will comply with the above regulations regarding small vessel storage on Town of Scarborough property.
