## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

Our Mission: Fairmeadow School will develop and support an educational environment that respects diversity and creativity, while also challenging all students to achieve their full potential.

Fairmeadow School, one of twelve elementary schools in the Palo Alto Unified School District, educates a diverse group of amazing students in grades kindergarten through fifth. A good portion of our students receive English language development instruction and supports throughout all grade levels. Collectively, our students come from families representing different languages across our world. This rich diversity is embraced by our school community as one of our greatest resources.

The school motto, "Learning is a Team Sport," exemplifies the educational philosophy that directs Fairmeadow's child-centered environment. Our school features a team approach to learning. Fairmeadow staff members implement a balanced educational program that encourages children to grow as individuals but enables them to assume responsibility for their role within a group. The children, the teachers, support staff, parents, and the community all contribute to the team effort of supporting learning. We also have an awesome mascot, named Mascot Firebird, who shows up at special school and PTA events throughout the school year!

## About this School

### 2020-21 Student Enrollment by Grade Level

Grade Level	Number of Students
Kindergarten	44
Grade 1	61
Grade 2	71
Grade 3	55
Grade 4	62
Grade 5	67
Total Enrollment	360

### 2020-21 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	48.3
Male	51.7
Asian	40.8
Black or African American	0.8
Filipino	0.3

Students with Disabilities	10.3

#### A. Conditions of Learning

#### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

## 2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	
<b>Intern Credential Holders Properly Assigned</b>	
<b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>	
<b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>	
<b>Unknown</b>	
<b>Total Teaching Positions</b>	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2019-20 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2019-20
<b>Permits and Waivers</b>	
<b>Misassignments</b>	
<b>Vacant Positions</b>

Indicator	2019-20
<b>Credentialed Teachers Authorized on a Permit or Waiver</b>	
<b>Local Assignment Options</b>	
<b>Total Out-of-Field Teachers</b>	

## 2019-20 Class Assignments

Indicator	2019-20
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Description of school's program towards meeting William's Settlement Requirements: The PAUSD Board of Education has made a determination that each pupil in each school in the District has, or will have prior to the end of the fiscal year, sufficient textbooks or instructional materials, or both, in each subject, and these materials, in each subject, are consistent with the content and cycles of the curriculum framework adopted by the State Board. PASSED AND ADOPTED by the Board of Education of Palo Alto Unified School District this 14th day of September, 2021.

With AB1246, teachers provided insights into curricular materials that were aligned to CCSS. The District followed the legislative opening to transition to instructional materials from Columbia University Teacher's College Reading and Writing Project (TCRWP), Lucy Calkin's Reading and Writing Units of Study. The TCRWP developed units of study in response to CCSS, and piloted them for 18 months to ensure alignment. Curricular materials including lessons, rubrics, and student checklists are aligned to CCSS. ## School Facility Conditions and Planned Improvements

School Facility Conditions and Planned Improvements Safety, cleanliness, and adequacy of school facilities. EC Sec. 33126 (b)(9) Safe, orderly schools are the highest priority of the Palo Alto Unified School District. Schools maintain and enforce a policy of required registration and identification at the main office. All visitors must register and receive approval before visiting any classroom or activity during the school day. District personnel, contractors and maintenance crews are required to wear identification badges while working on any campus throughout the district. The District has established a Preventive Maintenance Team that visits each campus on an assigned schedule repairing and maintaining facilities in readiness conducive to teaching and learning. In addition, the District provides a work order system for ongoing maintenance that tracks requests, supplies and assigned time spent on any routine repair. The MOT Director or Custodial Supervisor monitors the cleaning of all sites visits both during the day as well as the evening, providing custodians with support and emphasizing the importance of providing and maintaining a clean facility for learning. Each school has a Safety Plan and clearly stated expectations for student behavior. Safety Plans are updated and reviewed annually. The District has a strictly enforced anti-discrimination policy that prohibits harassment of students or staff based upon race, gender, disability, religion or sexual orientation. The School Board maintains a zero tolerance policy for violent or threatening behaviors, and is committed to prevention of harmful behaviors. Students are provided with opportunities to build positive relationships to help create a more supportive school community.

The Fairmeadow Elementary School main campus was originally constructed in 1950. The buildings on campus have been renovated and added to over the years with a multipurpose room added in 1956 and the Jackson Hearing Center added in 1972. A modernization project was completed in 2002 as part of the Building for Excellence Program. This modernization project included seismic and ADA accessibility improvements, as well as updating the classroom environment. New technology upgrades increased data and electrical capacity within the classrooms. Energy upgrades included new heating systems and lighting in the classrooms. The modernization also included building a new library and expanding two classrooms in the upper wing. Modular classrooms were added to accommodate growth in the summers of 2007 and 2008. The library facility has reading and resource areas for students, as well as new computer workstations. The library has a credentialed librarian assigned, with equipment, which provides for on line services, Internet and Intranet connections and a multimedia presentation station. Modernization on campus in 2002 included a new playground equipment structure and the resurfacing of hard court and play surfaces. The buildings were also re-roofed and painted in 2002 as part of the renovation. The Multipurpose room is fifty-six years old, and is slated for reconstruction in the future. The District staff has worked with site personnel to identify additional needs at all of the campuses as input to the District's Facilities Master Plan. This plan details proposed repair/replace projects over the next twenty years with a priority for health and safety issues and begin to identify funding sources.

As of October, 2021, none of the emergency facility needs specified in Education Code Section 17592.72 (1. Gas leaks; 2. Non-functioning heating, ventilation, fire sprinklers, or air-conditioning systems; 3. Electrical power failure; 4. Major sewer stoppage; 5. Major pest or vermin infestation; 6. Broken windows or exterior doors or gates that will not lock and pose a security risk; 7. Abatement of hazardous materials previously undiscovered that poses an immediate threat to pupil or staff; and 8. Structural damage creating a hazardous or uninhabitable condition) are required at this school site. A copy of the Interim Evaluation Instrument used to verify Education Code Section 17592.72 deficiencies is on file in the Maintenance Office for review. The Fairmeadow Elementary School campus is safe, well maintained and clean, with multiple custodial staff assigned for 19 hours daily.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

## 2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

An active Parent Teacher Association (PTA) supports Fairmeadow and fosters parental involvement in a wide range of classroom and school-wide activities. The PTA's annual sponsorship of activities and programs includes: book fairs, virtual/digital fall fundraisers, Project Cornerstone, staff appreciation events, and assemblies. Parents are encouraged to regularly participate virtually in these activities, and we welcome parent volunteers on campus as long as they meet the Parent Volunteer guidelines and procedures which were communicated to Fairmeadow families and staff. Here is the Fairmeadow PTA website: <https://www.fairmeadow.paloaltopta.org/>

Parent and community volunteers join the Fairmeadow teaching team to assure all children receive support for learning. All of our classrooms have a Room Parent Volunteer and Project Cornerstone Reader, who supports the classroom in a variety of ways. The many hours of parent volunteer and PTA support help to create the positive and welcoming school atmosphere we enjoy so much here at Fairmeadow.

Parents and Fairmeadow staff members work together on the School Site Council and take an active role in school planning, goal setting, budget development, and assessment of our programs.

For information on opportunities for parent involvement at Fairmeadow please contact the office staff, Alicia Gonzales or Patty Sakuma, at 650-856-0845. Information is also available on the Fairmeadow Elementary School website at <https://fairmeadow.pausd.org/>.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

Fairmeadow School rules are based on respect for ourselves and others, personal safety, and responsible behavior. Guidelines are provided to students and parents at the virtual Back-to-School Night teacher presentations and in our school handbook that is posted on our website. Teachers also review rules the first week of school and throughout the year. At the first assembly of the school year the Principal reviews behavior and safety standards. Behavior and safety standards are also reiterated to the students throughout the school year and Behavior and Technology Guidelines and Expectations are sent home for review with parents. We also follow and support the PAUSD Bullying Prevention Resources, located at this website: <https://www.pausd.org/school-life/health-wellness/bullying-prevention>

At Fairmeadow, we are fortunate to have a full-time school psychologist who supports all students, including, but not limited to, our students with special education services. In partnership with CASSY (Counseling and Support Services for Youth), our school psychologist and the CASSY counselor meet on a weekly basis to ensure the mental health and well-being of our students and staff are constantly monitored and supported. For more information about CASSY, visit this website: <https://cassybayarea.website/>

Several activities contribute to school and playground safety. During recess and lunch playtimes, students play and eat in their designated areas. We also have adult yard supervisors who help monitor and remind students of playing safely. In addition, our playground structures and various multi-aged activities/games provide students with a variety of choices during recess and lunch break. We also have a buddy bench in our main yard which promotes friendship building and joining in with others.

Earthquake emergency preparedness is a priority. We have a well-thought-out disaster plan and store of emergency equipment and supplies, hold regular earthquake, lockdown and fire drills, and discuss with students what they should do in the event of an emergency. Staff members also have the opportunity to receive annual training in First Aid and CPR.

The Fairmeadow School Safety Plan was last updated on April 20, 2021 and will be reviewed, discussed, and updated during School Site Council Meetings in the 2021-22 school year. The revised Safety Plan will be completed by March 2022. Until that time, we will follow the safety plan that is currently in place and approved.

## 2020-21 Types of Services Funded

The District relies on federal categorical funding under Title I, Title II, and Title III of the Every Student Succeeds Act (ESSA). The use of categorical funds is to assist districts in closing the educational gap of special populations and providing resources, professional development, and materials to improve instruction. One way these funds are used is to employ reading specialists, instructional aides, primary language tutors, and English learner (EL) specialists. Funds are also used to support district wide professional learning in curriculum and EL support. Supplementary services, such as after-school tutoring for students, a summer bridge course for rising ninth-graders, and engagement opportunities for parents, also draw from these funds. For a more detailed analysis of services funded, refer to the Local Control and Accountability Plan (LCAP) Addendum for 2018-19 located on PAUSD's LCAP webpage, <https://www.pausd.org/about-us/lcap>. In addition, each School Site Council (SSC) annually reviews and updates their site's School Plan for Student Achievement (SPSA). The California Department of Education describes the SPSA as the "plan of action to improve student academic performance by coordinating all educational services and resources." With input from the staff and community, the SSC is the decision-making body responsible for establishing SPSA goals through the review of site-specific student achievement and other data. For school sites with 21 or more English learners, a site level English Language Advisory Committee (ELAC) will advise the principal and staff in the development of a site plan for English learners and submitting the plan to the SSC for consideration of inclusion in the SPSA. The SPSA includes a budget for proposed expenditures to support the SPSA goals. Proposed 2020-21 SPSAs were presented to the PAUSD Board on June 23, 2020 and are available through the following link: <http://go.boarddocs.com/ca/pausd/Board.nsf/goto?open&id=BQ2S3Y6FB3CB>

## 2020-21 Local Accountability Report Card (LARC) Addendum

### Local Accountability Report Card (LARC) Addendum

#### 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
