MODEL UNITED NATIONS

# What is Model United Nations?

Model United Nations (MUN) is an extracurricular activity in which students typically roleplay delegates to the United Nations and simulate UN Committees. Students have the opportunity to participate in various MUN conferences organized around the world including the MUN Conference in Rome and the RSHM Global Network of Schools MUN Conference with students from sister Marymount schools located in Europe, England, the U.S.A., Central and South America.

Model United Nations is a way to become a more aware global citizen, which has become more important than ever for our present and future. Furthermore MUN builds confidence, leadership and diplomatic skills and provides students with an in-depth experience of the research, public speaking, and teamwork skills needed in the diplomatic world and beyond.

# Objective of MS Model United Nations

The objective of the Model United Nations is to seek, through discussion, negotiation and debate, solutions to the various problems of the world. In the process, the participating students learn to adopt views and attitudes other than their own and break away from narrow national interests and develop international cooperation and intercultural understanding.

The Model United Nations contributes in fulfilling the aims and goals set by the founders of the United Nations' Charter namely to practice tolerance and live together in peace with one another as good neighbours. Model United Nations also offers students an excellent opportunity to expand, develop and put into practice their language skills.

# Benefits of joining Marymount's MS MUN

1. Meet new people both within the Marymount and the international community.
2. Improve public speaking skills.
3. Develop a deep understanding of Global Issues.
4. Build diplomacy and negotiation skills.
5. Enhance leadership skills.
