HIGH SCHOOL PLANNING GUIDE
2022-2023
Plan your future. Optimize the outcome.
CFBISD – High Expectations for All
Use this guide to develop your four-year graduation plan.
Gain the experience you need to be the most successful you possible.
DISCRIMINATION DISCLAIMER

Carrollton-Farmers Branch Independent School District does not discriminate on the basis of race, religion, color, national origin, sex or disability in providing education or providing access to benefits of education services, activities, and programs, including career and technology programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; Section 504 of the Rehabilitation Act of 1973, as amended; and Title II of the Americans with Disabilities Act.
Be aware that, because this material is published early in the preceding school year, some changes in procedures, policy, or course offerings may be required.

About CFBISD

VALUE STATEMENTS

CFBISD BELIEVES IN....
- Excellence in ALL learning opportunities
- Respecting differences by embracing diversity
- A growth mindset for students, faculty, and staff
- Ongoing partnerships with the community
- Support & love of the whole student

THE MISSION

The Mission of CFBISD, a diverse community of global learners, is to empower scholars to acquire life-long knowledge, skills, and values that prepares them to compete in the world marketplace while contributing to their community.

THE VISION

CFBISD will be an exceptional learning community where all graduates impact and excel in a complex, interconnected, and ever-changing world.

THE MOTTO

High Expectations for ALL

GUIDING OBJECTIVES

1. Optimize engaging & diverse learning
2. Optimize facility, safety, and security & infrastructure to be adaptable to student needs
3. Optimize community engagement
4. Optimize social emotional health of all students
5. Optimize all available resources
## District Leadership

### BOARD OF TRUSTEES

- **Les Black, Ph.D.**
  President
- **Sally Derrick**
  Vice President
- **Tara Hrbacek**
  Secretary
- **Cassandra Hatfield**
  Member
- **Carolyn Benavides**
  Member

## Graduate Profile

**A CFBISD GRADUATE IS**

- Ethical, Socially and Emotionally Competent
- a Critical Thinker, Adaptable
- an Effective Communicator
- Committed to their Diverse Community
- and a Global Leader in the Making

## Graduation Requirements

### CREDIT REQUIREMENTS

All students must meet state and local requirements for graduation. CFB encourages all students to graduate on a Plan that requires 26 credits. Some students may qualify to graduate with only 22 credits.

<table>
<thead>
<tr>
<th>Foundation PLUS Endorsement(s)</th>
<th>Distinguished Level of Achievement</th>
<th>Performance Acknowledgements Any of the 5 Options Below</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>26 credits</strong></td>
<td><strong>26 credits</strong></td>
<td>AP/IB</td>
</tr>
<tr>
<td>4 credits English, must include Eng I, Eng II, Eng III, and an Advanced ELA class</td>
<td>4 credits English, must include Eng IV, Alg II, and an Advanced ELA class</td>
<td>Score 3 or above on an AP Exam, Score 4 or above on an IB Exam (HL)</td>
</tr>
<tr>
<td>4 credits Mathematics</td>
<td>4 credits Mathematics, must include Alg II, Alg III, and an Advanced ELA class</td>

</tr>
</tbody>
</table>

- 2 credits World Language, same language
- 1 credit Physical Education
- 1 credit Fine Arts
- ½ credit Health

- 5 ½ credits in Electives may include CTE or certification courses to satisfy endorsement requirements

*Foundation Plan WITHOUT endorsement allows for:*

- 4 credits English
- 3 credits Mathematics
- 3 credits Science
- 4 credits Social Studies
- 2 credits World Languages
- 1 credit Physical Education
- 1 credit Fine Arts
- ½ credit Health
- 3½ credits in Electives

CFBISD utilizes this plan on a limited basis as necessary given specific circumstances. Speak with your counselor if you believe this applies to you.

**ELL Students Only - must ALSO**

- Participate and meet exit criteria for a bilingual or ESL program AND
- Score Advanced High Level on TELPAS

**AP/IB**

- Score 3 or above on an AP Exam
- Score 4 or above on an IB Exam (HL)

**College Entrance Exam**

- PSAT score of commended or higher
- College Benchmark score on three out of five subject tests on the ACT-Aspire
- SAT 1250-Reading/Math combined
- ACT score of 28 w/o Writing

**Business Industry/Certification**

- Obtain a business or industry certification

**Dual Credit**

- 12 College Credit hours with a grade of 3.0 or higher

**Bilingualism/Biliteracy**

- Complete all ELA requirements with a min GPA of 80
- And add one of the following:**
  - 3 credits in the same World Language with a min GPA of 80
  - Pass Level 4 or higher World Language with a min GPA of 80
  - 3 credits in World Language with a min GPA of 80
  - AP World Language score of 3.0 or higher
  - IB World Language score of 4 or higher
  - NALP score of Intermediate High or better for a language other than English

**ELL Students Only**

- Participate and meet exit criteria for a bilingual or ESL program AND
- Score Advanced High Level on TELPAS
Beginning with students enrolled in 12th grade during the 2021-2022 school year, as required by House Bill 3 of the 86th Texas Legislature, each student must submit a Free Application for Federal Student Aid (FAFSA) or Texas Application for State Financial Aid (TASFA), or submit a signed opt-out form in order to graduate.

**ENDORSEMENT CRITERIA**

To graduate with an Endorsement, students must complete a coherent sequence or series of courses selected from the criteria below.

<table>
<thead>
<tr>
<th>STEM</th>
<th>BUSINESS &amp; INDUSTRY</th>
<th>PUBLIC SERVICE</th>
<th>ARTS &amp; HUMANITIES</th>
<th>MULTIDISCIPLINARY STUDIES</th>
</tr>
</thead>
<tbody>
<tr>
<td>CTE courses with a final course from the STEM career cluster</td>
<td>CTE courses with a final course from the Agriculture, Food, &amp; Natural Resources; Architecture &amp; Construction; Arts, Audio/Video, Technology &amp; Communications; Business Management &amp; Administration; Finance; Hospitality &amp; Tourism; Information Technology; Manufacturing, Marketing; Transportation, or Distribution &amp; Logistics CTE career cluster</td>
<td>CTE courses with a final course from the Education &amp; Training; Government &amp; Public Administration; Health Science, Human Services; or Law, Public Safety, Corrections, and Security career cluster</td>
<td>Social Studies</td>
<td>Four advanced courses that prepare a student to enter the workforce successfully or postsecondary education without remediation from within one endorsement area or among endorsement areas that are not in a coherent sequence</td>

<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

A summer school program is available for students who do not meet the passing criteria on EOC assessments established by the Texas Education Agency (TEA). Students will be provided accelerated instruction at no cost to the student.

**STAAR-EOC Alternate 2 (STAAR-ALT 2)**

STAAR-ALT 2 is an alternate assessment designed for students with significant cognitive disabilities who receive instruction in an alternate curriculum through special education. The Admission, Review, and Dismissal (ARD) Committee will determine if the student meets the state participation requirements for the STAAR-ALT 2 assessment.

For additional information regarding State Assessment Resources, please visit [http://texasassessment.com/](http://texasassessment.com/).

**REGARDING ALGEBRA II AS A HIGH SCHOOL GRADUATION REQUIREMENT**

A student is not required by state law (Texas Education Code, Section 28.025) to successfully complete Algebra II as a requirement for high school graduation. However, there are potential consequences to a student who does not successfully complete an Algebra II course.

A student is eligible for automatic admission to a Texas public college or university as an undergraduate student if the student earned a grade point average in the **TOP 10 PERCENT** of the student's high school graduating class or in the percentage of qualified applicants that are anticipated to be offered admission to The University of Texas at Austin*, and the applicant—

- successfully completed the requirements for the distinguished level of achievement under the foundation high school program at a public high school; or
- satisfied ACT's College Readiness Benchmarks on the ACT assessment or earned on the SAT assessment a score of at least 1500 out of 2400 or the equivalent.

A student may not earn the distinguished level of achievement or be eligible for automatic admission to a Texas public college or university as an undergraduate student if the student does not successfully complete high school Algebra II.

There are several state financial aid programs available for certain Texas public high school students. Certain state financial aid programs include curriculum requirements that should be considered when planning a student’s high school career to ensure eligibility for financial aid under one of these programs. Please note that this is not a complete list of requirements and additional eligibility requirements apply. A full list of requirements is available through the Texas Higher Education Coordinating Board’s (THECB) financial aid webpage at [http://www.collegeforalltexans.com/apps/financialaid/tofa.cfm?Kind=GS](http://www.collegeforalltexans.com/apps/financialaid/tofa.cfm?Kind=GS)
For initial eligibility for a TEXAS grant, a student enrolling in an eligible institution must be a graduate of a public or accredited private high school in this state who completed the Foundation High School Program or its equivalent and have accomplished any two or more of the following:

- Successful completion of the course requirements of the International Baccalaureate Diploma Programme or earning of the equivalent of at least 12 semester credit hours of college credit in high school through courses described in Texas Education Code (TEC), Sections 28.009(a)(1), (2), and (3)
- Satisfaction of the Texas Success Initiative (TSI) college readiness benchmarks prescribed by the THECB under TEC, Section 51.334 on any assessment instrument designated by the THECB or qualification for an exemption as described by TEC, Section 51.338(b), (c), or (d)
- Graduation in the top one-third of the person’s high school graduating class or graduation from high school with a grade point average of at least 3.0 on a four-point scale or the equivalent
- Completion for high school credit of at least one advanced mathematics course following the successful completion of an Algebra II course or at least one advanced career and technical or technology applications course

**Awarding of Credits**

**GRADE LEVEL CLASSIFICATION**

Grade level classification depends on the number of credits students have earned. Their Cohort is assigned when they enter high school for the first time and is projected out four years. This year’s incoming 9th grade students will be Cohort 2025.

<table>
<thead>
<tr>
<th>GRADE</th>
<th>CLASSIFICATION</th>
<th>CREDITS</th>
</tr>
</thead>
<tbody>
<tr>
<td>9</td>
<td>Freshman</td>
<td>0 - 5½</td>
</tr>
<tr>
<td>10</td>
<td>Sophomore</td>
<td>6 - 11½</td>
</tr>
<tr>
<td>11</td>
<td>Junior</td>
<td>12 - 18½</td>
</tr>
<tr>
<td>12</td>
<td>Senior</td>
<td>19+</td>
</tr>
</tbody>
</table>

Reclassification of grade levels is made at the beginning of each school year. Students who have not been promoted to a higher grade due to lack of credits may be eligible for reclassification at the end of the first semester. Despite the number of credits earned, students are not reclassified beyond their Cohort. Therefore, if a student in Cohort 2025 has more 6 or ore credits at semester of their 9th grade year, they will not be reclassified as a 10th grade student.

**MINIMUM ATTENDANCE FOR CLASS CREDIT**

Students must be in attendance at least 90% of the time a class is in session to receive credit. (Texas Education Code 25.092) The actual number of days a student must attend in order to receive credit will vary, depending on the number of days in the semester. A student who attends fewer than 90% of the days the class is offered cannot receive credit for the class unless the Attendance Committee finds that the absences are the result of extenuating circumstances.
Grades awarded for high school credit taken prior to grade 9, regardless of the school district where it was taken, shall be included in the grade average or GPA and shall be used to determine high school rank in class.

**Grading System**

**FORMATIVE AND SUMMATIVE GRADES**

Numeric grades 0-100 are assigned during nine-weeks grading cycles. Formative work is 25% and summative assessments/projects are 75% of the nine-weeks grade. Semester grades are calculated as 40% each nine-weeks average and 20% semester exam. Semester credit is awarded for averages of 70 and above.

**GRADE POINT AVERAGES (GPA) AND RANKING**

Grade points are awarded as follows:
- Numerical grade +9 points for Advanced and other designated courses
- Numerical grade +5 points for Honors
- Student GPA is also reported on an unweighted 4.0 scale

Note: Dual Credit courses taken on a CFB campus or at the college campus do NOT count in the GPA.

Rank in class for grades 9-12 is determined by using a weighted grade point system on a 100 point scale. GPA and Rank are run at semester and end of school. For Honors Graduate designation, GPA and Rank are run after the third nine-weeks for seniors only.

**HONOR GRADUATES**

To be eligible for valedictory, salutatory, or top ten student honors, a student shall have attended high school in the District continuously for two school years, commencing with enrollment no later than the end of the last Friday in September of the student’s junior year, until graduation.

Honor graduates shall be determined by academic grade points, which shall be calculated as specified above. The valedictorian, salutatorian, and honor graduates shall be determined by their rank in class, and academic grade points shall be calculated at the end of the third nine weeks of their senior year. Honor graduates may be designated as the top ten percent of the students in the graduating class, with any variation at the discretion of the principal with central office approval. Honor graduates must have completed the Distinguished Achievement Program for graduation.

**EARLY GRADUATION**

A junior shall be eligible for reclassification as a senior if the student has developed a plan with his/her counselor to satisfy **ALL** requirements for graduation by the end of the student’s third year in high school. The student shall be reclassified as a senior in late spring when it is determined that all graduation requirements will be met by the end of the school year. Upon reclassification, an early graduate shall not displace a senior in class rank but shall be placed equivalently in the senior class rank as determined by the student’s weighted numeric average.
Additional Course Credit Options

CORRESPONDENCE COURSES

Correspondence courses may be taken for first time credit or credit recovery with approval from the home campus. Correspondence courses require a high level of individual commitment and must be completed within the timeframe listed by the provider institution. Students should speak with their school counselor for approval prior to registering for a correspondence course. All associated fees are the responsibility of the student and the student’s guardian.

Credits to fulfill state graduation requirements may be granted for correspondence courses only under to following conditions:

1. The institutions offering the courses are the University of Texas at Austin, Texas Technological (TECH) University, or other public institutions of higher education approved by the Commissioner of Education.
2. Students may earn a maximum of three state-required credits through correspondence courses and may be enrolled in only one correspondence course at a time.
3. Grades earned from correspondence courses are not included in GPA calculations.

RECOVERY LAB

Students may repeat a course for credit recovery using C-FB approved software on the high school campus. Administrative approval is needed for a student to recover a credit. Grades earned for completing courses with District approved software shall not be computed for determining class rank. Courses taken in recovery lab are not accepted for NCAA eligibility.

SUMMER SCHOOL

Students may repeat any course offered in summer school when credit was not earned during the regular academic year. Students may take selected courses for acceleration according to summer school guidelines and administrative approval for foundation courses. There is an enrollment fee for summer school courses taken for acceleration. Course selection and enrollment is limited and contingent upon teacher availability.

Course selection and enrollment forms are available in the campus counselors’ offices in the spring. Enrollment in any of CFB courses requires approval of the student’s home campus, counselor, diagnostician, and/or principal.

Additional Guidelines:

- Dates, times, fees and locations of the CFB Summer School term are announced each spring.
- Registration for these courses is separate from regular school enrollment and is announced in the spring.
TEXAS VIRTUAL SCHOOL NETWORK

The TXVSN works in partnership with Texas public schools to provide students expanded opportunities to enroll in courses offered by Texas Education Agency-approved online course providers. Students interested in TXVSN courses should consult their school counselors for guidance.

The course catalog may be accessed at https://catalog.mytxvsn.org/.

All associated fees of TXVSN Catalog courses are the responsibility of the student and the student’s guardian.

NIGHT SCHOOL PROGRAM

The district provides an opportunity for students to recover credit or earn credit in selected courses by attending evening classes. Courses follow a college course format of attending 2.5-3.5 hours per evening. There is an enrollment fee to attend the CFB Night School.

Additional Guidelines:

- Students may pick up their registration form from their school counselor; the form must be signed by the counselor for admittance to the program. The form may be available online.
- Students must attend each evening that the class is scheduled to earn credit. A student may be dropped after the second absence and tuition is not reimbursed.

CREDIT BY EXAMINATION

Carrollton-Farmers Branch ISD offers two types of Credits by Exam (CBE): Credit by Exam for acceleration and Credit by Exam for course recovery.

Credit by Exam for Acceleration

A student in any grades 6-12 can earn credit for a course in which he or she has had no prior instruction if the student scores:

- Three or higher on an approved AP exam
  *Students with a qualifying AP score may earn up to a maximum of 4 years of high school credit in World Languages.
- Scale score of 60 or higher on CLEP exam
- Minimum score of 80% on approved CBE
- If a student is given credit on the basis of an examination on which the student scored 80% or higher, the CBE score must be entered on the student’s transcript and the student is not required to take an applicable STAAR End-of-Course assessment for that course.
- If a student fails to earn credit by exam for a high school course before the beginning of the school year when the student would normally be expected to enroll in the course according to our district’s course sequence, the student must satisfactorily complete the course in order to earn credit
Credit by Exam for Course Recovery

A student in any grade 6-12 may be given credit for an academic subject in which he or she had some prior instruction if the student earns a minimum score of 70%.

What is considered prior instruction?
- A course taken and completed (evident by a grade recorded on transcript) but credit was not awarded due to failing grade or absence failure.
- A course taken from a non-accredited school
- A course taken at an equivalent agency from another state
- A course taken from an accredited association recognized by the Commissioner of Education
- CBE for remediation is not accepted for NCAA eligibility.

Additional Guidelines for CBE:
- There is no charge for CBE for acceleration or credit recovery.
- Grades earned for taking Credit by Exam courses shall not be computed for determining class rank but do appear on the student transcript.
- A student may attempt to earn CBE for a specific high school course only two (2) times. Students who do not earn course credit on the first CBE must wait for a new testing window to start.
- Board approved Credit by Exams include University of Texas, Texas Tech, and Avant World Languages
- Students are expected to review the course study guides on the university websites prior to testing as some content areas, such as English Language Arts, have pre-exam activities or reading assignments that must be completed outside of the testing environment before taking the Credit by Exam.

TAC §74.24 states that CBE testing is scheduled a minimum of three days during each of the following calendar dates:
- January 1- March 31
- April 1-June 30
- July 1-September 30
- October 1-December 31

Scheduling Guidelines

COURSE SELECTION

Students select courses each year based on conversations with their school counselor and discussions with their parents. CFBISD encourages students to take courses that will challenge their thinking and offer the best opportunities for growth in areas of interest both personally and College/Career. Students should refer to their Personal Graduation Plan (PGP) and make adjustments when necessary to meet the changing interests or offerings each year.

Course Descriptions are found in this High School Planning Guide and serve as a reference to help students select the most appropriate courses for graduation and their personal goals. Not all courses are offered at every campus and some courses listed may not be offered in a given year due to interest, teacher availability, or state curriculum changes.
SCHEDULE CHANGES

Changes in a schedule or a course may be made only on the published days before the start of the semester. Requests for schedule changes may be honored for the following reasons:

1. Error in scheduling;
2. Student failure in a prerequisite;
3. Change in program (athletics, band, choir, etc.); and
4. Level changes as recommended by teachers and counselor with parental knowledge and administrative approval.
5. Requests not meeting the listed reasons will not be considered. It should be understood that a schedule change to help balance a classroom enrollment will be done as needed. Appeals on schedule changes will not be heard beyond the building principal.

SENIOR OUT PERIOD CRITERIA

Students of the Carrollton-Farmers Branch Independent School District shall be enrolled during the designated daily attendance period and fulfill the following attendance requirements.

FRESHMEN, SOPHOMORES, AND JUNIORS
- Must be enrolled on campus for a full schedule
- No release time except as provided in administrative procedures

SENIORS
- With parent permission and administrative approval, seniors may have one period out if they are on track for graduation
- Out periods for seniors are scheduled at the beginning and/or end of the school day. Students enrolled in Career & Technical Education Career Prep classes will receive additional release time to report to work.
- Out periods not related to curriculum are limited to one singular out period each semester.
Academies and special programs offer students an opportunity to experience a concentrated four-year curriculum in the areas of: biomedical professions; media arts and technology; international business, law and criminal justice; and math, engineering, science and technology. In each of the academies, students are placed in internships and/or clinical rotations through cooperative education training placements in a business or field related to their career interest and some receive certification in certain areas.

Common characteristics of all academies include:

- A small learning community of students with the same focus and similar goals
- College preparatory curriculum
- Partnership with employers, the community and local colleges
- A school within a high school
- A course of study designed for exploring specific careers
The Early College High School (ECHS), located on the Dallas College Campus, is an educational choice for incoming ninth grade students who are accepted into the program through an application process during the fall of their eighth-grade year. The program blends high school and college in a rigorous, yet supportive program, compressing the time it takes to complete a high school diploma and the first two years of college. ECHS works with Dallas College to help our students become academically successful, earn college credit tuition free, and successfully transition to an institution of higher education.

Early College High School Vision
The vision of Early College High School is to create a transformative educational experience that drives inspiration, innovation and dedication for all students and staff.

Early College High School Mission
The mission of Early College High School is to graduate globally minded citizens that are competently and confidently prepared to complete a four-year university program and who can positively lead and democratically serve their local communities.

Benefits to Students
- Opportunity to earn 60+ college credits on a 100% scholarship for books and tuition
- A small school setting within a college campus
- An environment that is safe and supportive complete with a 4-year AVID program
- An academic program for all students enriched with many college extra-curricular collegiate and high school activities, community service events and field trips
In our society, order has been maintained only by a system of laws. Without obedience to the law, and without enforcement of the law, social order could not exist. The importance of law and its enforcement facilitate a myriad of career opportunities. The Law and Criminal Justice Academy will provide an intrinsic learning experience for students who are interested in pursuing one of these possible careers.

The Law and Criminal Justice Academy provides an enriched curriculum with a variety of active learning opportunities, such as mock trial, moot court, field observations, community service, and internships. The Academy offers multiple non-elective as well as elective classes, which focus on law, legal issues, citizenship, government, forensics, and other law related areas. Law, Political Science, and law enforcement are the three primary strands of the Academy, encompassing areas such as criminal law, civil law, constitutional law, political systems, the origin and evolution of rights and civil liberties, crime scene investigation, forensic analysis, and criminal behavior. Although there are multiple goals of the Academy, three goals are pervasive throughout each strand.

The three primary goals are:

- To enrich an understanding of the complex procedures developed in the United States to protect that which we identify as “fundamental rights”
- To cultivate a greater understanding of justice, tolerance, fairness, and responsibility suggested by our legal system
- To instill a realization of the crucial and necessary function of laws, providing structure to help humans cope with problems in a complex society
The mission of the International Business Academy (IBA) is to provide students with a foundation in business, marketing, finance, accounting, and global business. Additionally, the IBA environment encourages the development of the entrepreneurial spirit in students. Students are able to create and run their businesses in their capstone class senior year as a part of the Business INCubatoredu program.

The International Business Academy will equip students with skills and knowledge to successfully operate in their chosen field of business. The academy is about the development of confident, competent individuals that can organize, communicate and lead any organization. Since business is in every career, the IBA program aims to equip students with skills and knowledge to successfully operate in their chosen field, whether it is business, finance and marketing, or other careers such as law, healthcare, science or technology.

The sequence of IBA coursework provides graduates with the necessary focus to wisely select the postsecondary study best suitable for their skills, talents and interests. Students are exposed to a curriculum of rigor that includes challenging courses, real-world experiences via field trips, college visits, guest speakers and domestic and international travel.

Students in the academy also take dual credit college classes at Dallas College, as well as AP (Advanced Placement) and Honors classes. Possible certifications that can be earned include Entrepreneurship and Quickbooks.

- Experience travel opportunities
- Engage in enriched academic curriculum
- Learn employable skills and attitudes
- Gain an understanding of world cultures

Begin your IBA journey to success! The International Business Academy… a one of a kind learning experience for students!
The Information Technology Academy (ITA) is a Pathways in Technology Early College High School (P-TECH) which prepares students for high-demand careers in the IT field, connects students to a network of industry leaders in our community, and offers post-secondary opportunities leading to Associates degrees in the following pathways: information technology support and services, networking systems, and web development. Students will benefit from the collaborative partnership between CFBISD, higher education entities, and our industry partners, such as Microsoft, Texas Instruments, and CISCO; giving students the opportunity to learn essential computer science skills to include Javascript, HTML, CSS, Python programming and database administration, computer maintenance and network system administration. Students will also have the opportunity to engage in the TSA (Technology Student Association) a nationwide STEM competition organization hosting over 60 virtual competitions.

ITA Pathways
- Information Technology Support & Services (Computer Maintenance)
- Networking Systems
- Web Development
ACADEMY FOR MEDIA ARTS AND TECHNOLOGY (AMAT)

Academy for Media Arts and Technology is a four-year sequence of courses that works towards industry software certifications in the areas of Media Arts, Digital Graphics/Graphic Design, Animation, Commercial Photography or Broadcast Journalism.

AMAT coursework is centered around project-based learning that allows students to experience real-world, hands-on learning. Students will be encouraged to take part in creating the curriculum that is centered around their field of interest and work collaboratively with the teacher and other students to produce industry level portfolios.

Students in AMAT will receive an elevated academic experience that will include industry internships, college visits, mentorships, competitions, in-class speakers, academy socials, industry field trips, and more.

AMAT offers three diverse Media Arts and Technology Pathways that will help students reach professional levels of knowledge and experience. Through a four-year program in Commercial Photography, Graphic Design, or AV Production, students will work with up-to-date industry software and technology to create professional portfolios and prepare for professional certifications. Students will leave the program career and college ready.

AMAT Pathways
- AV Production: Broadcast Journalism, Sound Design, Film Production
- Commercial Photography: Professional Photography in all areas
- Graphic Design: Animation, Video Game Design, Graphic Design
The Academy of BioMedical Professions at R. L. Turner High School is for students interested in pursuing a career in the health care industry. The school learning environment is a combination of classroom lectures and labs, and real-world experiences through externships, professional speakers and field trips. Our on-site skills labs provide opportunities to obtain practice in clinical skills through the use of actual medical supplies and equipment. In addition, some courses offer externships with local pharmacies, nursing homes and hospitals.

All BioMed students begin by taking Principles of Health Science and Health Science Theory. These courses provide an essential foundation of information ranging from topics such as medical terminology, basic anatomy and CPR to medical careers, ethics, insurance and hospital structure. Students then enroll in Anatomy & Physiology (A&P) and one of our many certification courses. A&P is a rigorous and essential course that explores the structure and function of the human body. The next progression as a senior is to enroll in one or more of our certification practicum courses.

Certifications are awarded to students who complete one or more of the specific courses, the required clinical hours for that course and pass a state or national test. Certifications allow students to be workforce-ready after high school with higher earning power.

The BioMed Academy currently offers the following certification courses:

- Certified Nurse Assistant
- Pharmacy Technician
- Phlebotomy Technician
- Emergency Medical Technician (This is a dual-credit Dallas College course taught on our campus)
- Medical Coding and Billing (taken during the Clinical Rotations year course)

The mission of the BioMed Academy is to instruct students in all aspects of health-related careers while maintaining a comprehensive high school education. It is designed to prepare students for their place in an ever-changing world they will inherit – a world of health and human service.
The Math, Engineering, Technology and Science Academy (METSA) offers a four-year sequence of courses that introduces students to the vast array of disciplines within the fields of science, technology, engineering and mathematics (STEM).

The coursework is delivered in a comprehensive, project-based approach that allows students to experience practical problem-solving through investigation using various resources, including METSA’s extensive network of professionals in STEM-focused careers. The project-based learning (PBL) environment creates an atmosphere where learning is student-driven, collaborative and engaging.

METSA enriches students’ academic experience with a variety of active learning opportunities, such as field-based experiences, college visits, clubs, competitions, camps, career panels, seminars, senior exhibitions, job shadowing events and hands-on internships. The Academy offers five exciting STEM pathways, each of which help students gain knowledge and skills in the application, design, production, and assessment of products, services, and systems, using state-of-the-art technology. In addition to acquiring technical knowledge and skills, students gain an understanding of career opportunities available in STEM-related fields, and graduate a community of life-long learners.

STEM Pathways in METSA
- Aerospace Engineering
- Engineering Design & Problem Solving
- Computer Integrated Manufacturing
- Computer Science
- Digital Electronics
Mary Grimes Education Center is an Alternative High School available to eligible students who choose to complete their high school graduation requirements in a non-traditional educational environment. Students complete credits through individualized self-paced computer instruction facilitated by a classroom teacher. Mary Grimes Education Center was established to reclaim students to the educational system who are at risk of dropping out of school or who have dropped out of school before completing high school graduation. Mary Grimes is also the home of the Moving on Up and Functional Skills Workshop programs that serve our 18+ special needs students in the district.

Students are assigned to the Bea Salazar Learning Center (DAEP) from their local campus based upon disciplinary action.

Senate Bill 1, Chapter 37, as passed by the 74th Texas Legislature, establishes the following academic provisions for students placed into the disciplinary alternative education program: “Each school district shall provide an alternative education program that focuses on English Language Arts, mathematics, science, history, and self-discipline.”

All DAEP students work under the direct supervision of a certified classroom teacher on individualized curriculum that correlates to the home campus curriculum. In addition, students are taught new ways of thinking and behaving to enhance their self-discipline.

The English as a Second Language program in Carrollton-Farmers Branch ISD follows the curriculum framework of the district. The purpose of English for Speakers of Other Languages (ESOL) is to instruct students who speak another language and have been identified to benefit from this program in the foundations of the English language.

The English Language Development and Acquisition course is designed to provide instructional opportunities for recent immigrant students with little or no English proficiency. Newcomers less than 12 months in U.S. schools who have scored at the limited English level of the state approved English oral language proficiency test will be enrolled in English Language Development and Acquisition (ELDA) while concurrently enrolling in ESOL I. ELDA will be issued as a local elective credit for each of the first two semesters. The development of communicative competence occurs through targeted lessons based on students’ needs, with language proficiency as the focus of instruction. Both course offerings enable students to become increasingly more proficient in English in all four-language domains. Teachers validate students’ native language and culture as a valuable resource and as a foundation to attain the target language by developing language, enriching vocabulary, and building literacy for newly arrived and preliterate students.
Special Education Services are available for eligible students in Carrollton-Farmers Branch ISD who have an identified disability and a need for specially designed instruction.

The campus Safety Net Acceleration Planning (SNAP) team can refer a student for a complete evaluation, at no cost to the parents, to determine if the student meets eligibility for special education services.

Carrollton-Farmers Branch provides a continuum of service options to assure that students with disabilities are successful.

SECTION 504, DYSLEXIA AND RELATED DISORDERS

A 504 Plan lists accommodations related to the child’s disability. A child may be eligible for accommodations under a 504 Plan if he or she has a physical or mental health disability that impacts one or more major life functions.

Dyslexia support programs in Carrollton-Farmers Branch I.S.D. have been designed to offer an educational option for both regular and special education students who exhibit primary difficulties in phonemic awareness, single-word decoding, reading, fluency, spelling, comprehension, and written expression and have an educational diagnosis of dyslexia.

Student screening, identification, placement, and monitoring procedures are designed to ensure that students receive the most appropriate support to address their identified needs. Screening for dyslexia may be initiated by teachers or by parents. Contact the dyslexia coordinator/support teacher at your child’s campus.

ADVANCED ACADEMIC SERVICES / GIFTED AND TALENTED PROGRAMMING

Carrollton Farmers Branch ISD’s gifted and talented programs are designed to challenge the gifted learner who demonstrates the need for an augmented curriculum. Typically, gifted students differ from their age peers in three important ways. First, they absorb information at a faster rate and process it very efficiently. Second, they are often able to comprehend information with greater depth than their classmates, showing greater insight and understanding. Third, they often have interests that are more typical of older children or even adults. These three learning differences are frequently enhanced by other complementary characteristics: independence, persistence, nonconformity, and motivation. For more information: cfbgifted.com

Academic Creative Education (ACE)/Leading Exceptional Academic Producers (LEAP)

At the high school level, ACE and LEAP students take AP Human Geography and AP World History in conjunction with their GT/Honors English curriculum in the 9th and 10th grade. Other opportunities for gifted and advanced learners include Pre-Advanced Placement, Advanced Placement, OnRamps, Honors International Baccalaureate, or International Baccalaureate. Gifted students may also choose to apply to attend one of the academies offered: Biomedical Science, Media Arts and Technology, Math-Engineering-Science Technology (METSA), Law and Criminal Justice, or International Business Academies.
**Referral**

A student may be referred for gifted and talented services by teachers, parents, administrators, counselors, students, and other members of the community who believe the student may qualify for gifted and talented services. Identification of students is conducted to determine which students require program alterations because of their unique educational needs.

*Referral forms may be obtained at the student’s campus through the counselor’s office.*

---

**HONORS AND ADVANCED PLACEMENT (AP) COURSE OPTIONS**

Honors courses prepare students to be successful in college level courses in English, mathematics, social studies, and science. They are intended to ensure that middle and high school students are taught the skills, concepts, and habits of mind needed for college.

Grades earned in courses with Honors weighting shall receive five (5) additional grade points in the calculation of the numeric weighted GPA.

The Advanced Placement Program (AP) allows students to take rigorous college level courses while still in high school. Students can choose to undertake college-level academic learning in a wide array of content areas: English, Math, Social Studies, Science, Fine Arts, and World Languages.

To show that they have mastered the advanced material, students participate in taking the AP exam for each course. Students can check with the college or university they plan to attend regarding their AP Exam credit qualification.

AP courses make substantial academic demands on students. Most courses are a full year in length. Students are required to do considerable outside reading and other assignments and to demonstrate the analytical skills and writing abilities expected of first year students in a strong college program. This experience helps students develop the intellectual skills and self-discipline they will need in college.

Grades earned in courses with AP academic weighting shall receive nine (9) additional grade points in the calculation of the weighted numeric GPA.

*Fees may be required for course materials or testing*
OnRamps is an innovative dual enrollment and professional development initiative led by The University of Texas at Austin. Founded in 2011 in partnership with the Texas Higher Education Leaders Consortium, OnRamps is dedicated to preparing high school students for postsecondary student success.

How OnRamps Works

1. OnRamps students are enrolled in a yearlong high school course facilitated by a high school teacher who is trained and certified by OnRamps to teach the course on their local campus.
2. During the first half of the course, OnRamps students complete a series of required assignments that are designated by an Instructor of Record at the university to determine eligibility to be dually enrolled in the university course.
3. Students who successfully complete the high school version of the course receive credit from their local high school. In addition, students who successfully complete the spring college course receive three core credits from The University of Texas at Austin guaranteed to transfer to any public college or university in Texas.

Grades earned in courses with UT OnRamps academic weighting shall receive nine (9) additional grade points in the calculation of the weighted numeric GPA.

*Fees may be required for course materials or enrollment

Dual credit courses are defined as courses in which students may receive both high school and college course credit provided the courses meet both district and college guidelines. Concurrent enrollment means that the student is taking a college course for college credit while the student is still in high school.

Dallas College welcome students who meet the criteria for dual and concurrent enrollment. Students enrolling in dual and concurrent credit courses must make certain that they follow established enrollment procedures and pay applicable fees for textbooks and other supplies. Students must contact their campus counselor to begin the enrollment process. Students must present documentation to their counselors within three weeks of the end of the course to receive credit.

Information from Dallas College about Dual Credit can be found at this link: https://www.dcccd.edu/high-school-students/dual-credit/pages/default.aspx

Dual credit courses do not impact the student’s High School GPA/Ranking. However, the numeric grade earned in the courses taken will appear on the student’s High School Transcript and ARE included in the GPA on the Dallas College transcript.

Students should consult their school counselors regarding dual credit course options and enrollment as this is subject to change from time of printing. The following courses may be taken at CFBISD high school or through Dallas College campuses for dual credit purposes.

*Fees may be required for course materials or testing

According to SB 1517 and Section 33.081 of the Texas Education Code, students enrolled in identified advanced courses including Honors, Advanced Placement (AP), International Baccalaureate, Dual Credit and Dual Enrollment are eligible for exemption from the state's No-Pass, No-Play policy. Additionally, local school boards are authorized to identify and approve a listing of such "advanced" courses and set the exemption standard students must meet to retain UIL eligibility.

The courses listed below have been identified as "advanced" by the CFBISD Board. Dual credit courses listed in the chart under that heading in this High School Planning Guide are also identified in CFBISD as advanced courses and fall under these guidelines.

Students earning grades between 60-70 at the end of an evaluation period can retain UIL eligibility. Students earning grades below 60 can retain UIL eligibility if they meet the following standards:

1. Are not a disciplinary concern
2. Do not have multiple zeroes in an advanced course
3. Have made a "good faith" effort to earn a passing grade in an advanced course by attending all required tutorials and utilizing retest opportunities

Texas Education Agency (TEA) Information

GRADUATION TOOL KIT

The 2020 Grad Toolkit, a TEA-produced brochure for high school students and their families, provides details about the Foundation High School Program, benefits and explanation of the Distinguished Level of achievement option, endorsement choices, checklists and resources.

PROGRAMS OF STUDY

The CFB Programs of Study initiative is designed to help students plan for their future. The pathways concept is incorporated and aligned into our personal graduation planning process. The Texas CTE initiative helps students develop a personal graduation plan that connects career interests with secondary and postsecondary education. This process helps make education more relevant and encourages students to remain in school and graduate college and/or workforce ready. A major goal of the district is to ensure relevancy and integrate meaning into the delivery of core skills in math, science, social studies, and English.

The district has adopted 13 of the Texas Education Agency’s (TEA) Career Clusters which are organized around broad career fields. With the help of career assessments, careful consideration and discussion, each student can identify specific career pathways that match their interests and desired skills. When one or more pathways appears interesting, students should look carefully at the possible degrees, careers and working conditions associated with these area(s).

All of the identified career pathways include challenging, relevant courses that provide roadmaps to future career goals. Additionally, because all students take a “core” of academic courses, career paths overlap enough to allow the flexibility to change pathways if interests change or new knowledge and skills are acquired.

The curriculum associated with Texas CTE Career Clusters includes broad areas of study that are flexible enough to allow students to change as they acquire new knowledge and experiences. Using each student’s individual interests and aptitudes, identified in the 8th grade, parents, counselors, teachers, or other district professionals can help students develop a personal graduation plan.

The National Collegiate Athletic Association (NCAA) is an organization dedicated to providing a pathway to opportunity for college athletes. Additional information regarding how to plan for participation in collegiate athletics can be found at [http://fs.ncaa.org/Docs/eligibility_center/Student_Resources/CBSA.pdf](http://fs.ncaa.org/Docs/eligibility_center/Student_Resources/CBSA.pdf)
Sample High School Four-Year Plan Worksheet

This four-year plan worksheet is intended to give you and your parent(s) a guide to use as you progress through high school. Review the plan each year to ensure you are taking the required courses for graduation. Consult your counselor for the Career and Technical Education (CTE) Programs of Study offered for each of the endorsements on this page. You may use the CTE Programs of Study and College, Career and Military Readiness (CCMR) indicators to help you select courses that support your college and career goals.

After high school, I plan to:
- Attend a 4-year university to earn a bachelor’s degree
- Attend a 2-year college to transfer to university
- Attend a 2-year college to earn an associate’s degree
- Attend a 2-year college or technical school to earn an endorsement
- Work part time while attending college
- Work full time
- Join the military
- Other

The endorsement I have selected is:
- (You may earn more than one)
  - Arts and Humanities
  - Business and Industry
  - Multidisciplinary Studies
  - Public Service
  - STEM (Science, Technology, Engineering and Math)

The CTE program of study I have selected is:

A CTE certification/license I may earn in this program is:

### Additional Graduation Requirements

- Meet passing standard on these End-of-Course (EOC) Exams
  - English I
  - English II
  - Algebra I
  - Biology
  - US History

- Speech
  - Passing Grade in English II Course, First Semester

- Instruction on Proper Interaction with Peace Officers
  - Participation in the required activity within World Geog. course

- Instruction in Cardiopulmonary Resuscitation (CPR)
  - Completion of assigned activity in high school advisory class

- Submit College Financial Aid App. after Oct. 1st, year before graduation
  - Free Application for Federal Student Aid (FAFSA)
  - Texas Application for State Financial Aid (TASFA)
  - Signed opt-out form from your school counselor

---

* Distinguished Level of Achievement (DLA), which requires four credits in math including Algebra II, is required to be admitted to a Texas public university under the Top 10% automatic admission policy. DLA also requires four credits in science and successful completion of an endorsement, and it makes you a more competitive applicant at selective colleges and universities.

### Additional Advanced Achievement Indicators

- Performance Acknowledgments
- Bilingualism/ Biliteracy
  - Complete all ELA requirements with a min. GPA of 80 AND add one of the following:
    - Level 4+ World Lang. w/GPA 80+, or
    - 3 cr. in World Lang. w/GPA of 80+, or
    - AP World Lang. score of 3+ or IB World Lang. score of 4+ English Lang. Learners must also:
      - Participate and meet exit criteria for a bilingual or ESL program: AND
      - Score Adv. High Level on IELPAS

- Assessment Scores
  - PSAT score of commended or higher, or
  - College Benchmark score on three out of five subject tests on the ACT-Ap里re, or
  - SAT 1250-Reading/Math combined, or
  - ACT score of 28 w/ Writing or
  - AP exam score of 3 or higher, or
  - IB exam score of 4 or higher

- Industry Certification/License
  - Obtain a business or industry certification

### College, Career and Military Readiness

- For BOTH ELAR and Math: meet benchmark score on SAT, ACT, or TSI, OR pass CFP’s approved College Preparatory course in ELAR or Math
- Earn 3 hours of dual credit in English Language Arts or Mathematics, or 9 hours in any subject
- Earn a score of 3 or higher on any AP exam or a score of 4 or higher on an IB exam
- Earn an associate’s degree while in high school
- Complete a UT OnRamps dual enrollment course and qualify for at least three hours of university credit in any subject
- Earn one of the Industry-Based Certifications (IBC) listed on Texas Education Agency’s approved list
- Graduate receiving special education services and receiving a graduation plan code of O4, O5, S4, or S5, or graduate with FHSP w/endorsement or DLA
- Enlist in the U.S. Army, Navy, Air Force, Coast Guard, or Marines and earn a passing ASVAB score for the branch enlisted
Courses are listed by Subject. Most courses are considered “State Credits” that are earned toward the graduation requirements. Where that is not the case, “(Local)” has been listed out next to the Credit description.

Not all courses listed within these pages are offered at all campuses subject to teacher availability, student interest, and curriculum changes that may occur after the publication of this guide.
ENGLISH LANGUAGE ARTS
All students must complete four credits of English Language Arts for graduation.

The first three credits must be from English I, English II, and English III.

English I
- OnLevel
- Honors
- Honors/GT
- ESOL
- PAS
- Fundamentals
- Applied
- Developmental

English II
- OnLevel
- Honors
- Honors/GT
- ESOL
- PAS
- Fundamentals
- Applied
- Developmental

English III
- OnLevel
- AP
- PAS
- Fundamentals
- Applied
- Developmental

The fourth credit must be from English IV for the Distinguished Plan or from a variety of Alternate ELA courses for the Foundation Plan.

English IV
- OnLevel
- AP
- OnRamps
- Dual Credit
- PAS
- Fundamentals
- Applied
- Developmental

Alternate ELA
- Creative Writing
- Research/Technical Writing
- Practical Writing Skills
- Business English (CTE)
- Independent Study in ELA

Students may also select Alternate ELA or ELA Support courses as an Elective. These courses earn state elective credits toward graduation.

ELA Support
- Reading
- English Language Development & Acquisition (ELDA)
- English Plus (local credit)
ENGLISH I
3220100
The English I course provides an integrated focus on reading, writing, research, listening and speaking, and oral and written conventions (the TEKS, ELPS, and CCRS). Students will participate in a general review of grammar in context of their writing. The course includes studies of the short story, non-fiction, poetry, novel, and drama. The development of critical reading and critical writing skills is a major emphasis of this course. **EOC TESTED SUBJECT.**

1010 English I
GRADE PLACEMENT: 9
CREDIT: 1 UNIT

1070 Honors English I
GRADE PLACEMENT: 9
CREDIT: 1 UNIT
GPA: +5 points on weighted GPA
Extends curriculum of English I with more depth and complexity. Strong attention will be given to the development of composition and critical reading skills. Vocabulary development and outside reading will complement each unit of study. All literature study will be supported by a writing component.

1015 GT/Honors English I
GRADE PLACEMENT: 9
PREREQUISITE: GT Identified
TAKEN WITH: 7982 AP Human Geography
CREDIT: 1 UNIT
GPA: +5 points on weighted GPA
Offers an interdisciplinary curriculum of Honors English I and AP Human Geography providing the major content in a humanities format. Emphasis is on assisting students to develop an understanding of the changes in a global society.

1912 English I for Speakers of Other Languages (ESOL I)
GRADE PLACEMENT: 9
PREREQUISITE: LPAC Placement
CREDIT: 1 UNIT
Specifically designed instruction using ESL methodology for students who are at the beginner or intermediate language proficiency levels

0300 PAS English I
GRADE PLACEMENT: 9
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Provides a yearlong program of interrelated language skills with study in the areas of reading, writing, speaking and listening. Includes a study of literature, personal and creative writing, and introductory research skills. Includes development of a writing portfolio. Instructional techniques will vary to accommodate the student's IEP/BIP.

9401 Fundamentals of English I
GRADE PLACEMENT: 9
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Focuses on language skills and reading concepts that are based on the modified content of the TEKS.

9201 Applied English I
GRADE PLACEMENT: 9
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Aligned with content modifications stipulated by the students IEP.

9101 Developmental English I
GRADE PLACEMENT: 9
PREREQUISITE: ARD Placement, only at RLT
CREDIT: 1 UNIT
Individualized instruction that emphasizes communication for students with severe cognitive and physical disabilities.
ENGLISH II
3220200
The English II course provides an integrated study focusing on the English II TEKS, ELPS, and CCRS while extending on language skills. The course includes study of various literary genres, including the short story, poetry, drama, non-fiction, and the novel. All students will participate in the recursive writing process. Emphasis in both semesters will be placed on vocabulary development, composition skills (with a focus on persuasive), critical reading and critical writing skills. EOC TESTED SUBJECT.

1151 English II
GRADE PLACEMENT: 10
PREREQUISITE: English I
CREDIT: 1 UNIT

1171 Honors English II
GRADE PLACEMENT: 10
PREREQUISITE: English I
CREDIT: 1 UNIT
GPA: +5 points on weighted GPA
Extends the curriculum of English II with more depth and complexity. Students will review writing skills and extend their study of vocabulary, the short story, novel, poetry, non-fiction and drama. Strong attention will be given to the development of composition and critical reading skills. Outside reading assignments will be expected. All literature study will be supported by a writing component.

1115 GT/Honors English II
GRADE PLACEMENT: 10
PREREQUISITE: GT Identified, English I
TAKEN WITH: 7975 AP World History
CREDIT: 1 UNIT
GPA: +5 on weighted GPA
Provides an interdisciplinary approach integrating Honors English II and AP World History for identified gifted students. Enables students to discover and appreciate how mankind, through the ages, has dealt with universal problems as reflected in literature, politics, economics, culture, and the arts.

1913 English II for Speakers of Other Languages (ESOL II) 3200700
GRADE PLACEMENT: 10
PREREQUISITE: Beginner or Intermediate English Language Proficiency
CREDIT: 1 UNIT
Provides instruction in the English II TEKS for beginner and intermediate level limited English proficient (LEP) students enrolled in ESL to build English language proficiency. Students are placed in this course according to their current level of English proficiency.

0302 PAS English II
GRADE PLACEMENT: 10
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Provides a yearlong interrelated study of the four skills required for effective communication: reading, writing, speaking and listening. Includes the study of literature through various genres. Students continue the development of a writing portfolio. Instructional techniques will vary to accommodate the student’s IEP/BIP.

9402 Fundamentals of English II
GRADE PLACEMENT: 10
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Provides an integrated study focusing on the English II TEKS as modified by the individual student’s IEP.
9202 Applied English II
3220207
GRADE PLACEMENT: 10
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Student will focus on expansion of language skills and basic written formal communication. Adapted to meet the needs outlined in student’s IEP.

9102 Developmental English II
3220207
PREREQUISITE: ARD Placement, only at RLT
CREDIT: 1 UNIT
Individualized instruction that emphasizes communication for students with severe cognitive and physical disabilities.

ENGLISH III
3220300
The English III course provides an integrated study focusing on the English III TEKS, ELPS, and CCRS. All students will participate in the recursive writing process. This course continues emphasis on composition skills, vocabulary skills and literary analysis, and research skills. The student will explore English as a developing and changing language. All literary study is supported by a writing component.

1210 English III
GRADE PLACEMENT: 11
PREREQUISITE: English II
CREDIT: 1 UNIT

1221 AP English Language & Composition
A3220100
GRADE PLACEMENT: 11
PREREQUISITE: English II
CREDIT: 1 UNIT
GPA: +9 on weighted GPA
AP Exam: Recommended
FEES: Textbook and other fees may apply
Uses instructional strategies designed for the college bound student who excels in the composition process and the study of rhetoric and literature. The curriculum includes a review of the conventions of English, composition, and research skills with a continued emphasis on outside reading and vocabulary building. Strong attention will be given to the development of composition and critical reading skills. Literary emphasis is on the development of American culture and ideas.

0304 PAS English III
GRADE PLACEMENT: 11
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Provides a survey of American literature chronologically from the beginning of literary development in the United States through contemporary times. Integrates writing skills with the study of literature and the research process. Instructional techniques will vary to accommodate the student’s IEP/BIP.

9403 Fundamentals of English III
GRADE PLACEMENT: 11
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Provides an integrated study focusing on the English III TEKS as modified by the individual student’s IEP.

9203 Applied English III
GRADE PLACEMENT: 11
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Student will continue to focus on expressive and receptive language skills. Adapted to meet the needs outlined in student’s IEP.
**9103 Developmental English III**  
PREREQUISITE: ARD Placement, only at RLT  
CREDIT: 1 UNIT

Individualized instruction that emphasizes communication for students with severe cognitive and physical disabilities.

**ENGLISH IV**  
3220400  
The English IV course provides an integrated study focusing on the English IV TEKS, ELPS, and CCRS. All students will participate in the recursive writing process. The course also includes an intense study of composition and research skills. Literary emphasis is on the development of British literature and ideas.

**1310 English IV**  
GRADE PLACEMENT: 12  
PREREQUISITE: English III  
CREDIT: 1 UNIT

**1979 AP English Literature & Composition**  
A3220200  
GRADE PLACEMENT: 12  
PREREQUISITE: English III  
CREDIT: 1 UNIT  
GPA: +9 on weighted GPA  
AP Exam: Recommended  
FEES: Textbook and other fees may apply  
Extends on the curriculum of English IV with more depth and complexity and offers a college-level course for students focusing on poetry, drama, fiction and prose. Includes intensive study of representative works from various genres and periods, concentrating on works of recognized literary merit. Writing assignments focus on the critical analysis of literature and include expository, analytical, and argumentative essays.

**1320 OnRamps English – Rhetoric**  
GRADE PLACEMENT: 12  
PREREQUISITE: English II and English III  
CREDIT: 1 UNIT  
COLLEGE CREDIT: Optional  
GPA: +9 on weighted GPA  
FEES: Textbook and other fees may apply  
Over the course, students analyze the various positions held in any public debate and learn to advocate their own positions effectively in a series of case studies regarding race, gender, and ethnicity. In the fall, students explore the ethics of argumentation and what it means to “fairly” represent someone with whom they disagree. By the spring, students are ready to analyze and compose arguments about American identity and identity formation, both personal and cultural. The goal is to foster students’ abilities to analyze arguments presented by others and to write sound and effective arguments of their own — abilities that contribute meaningfully to their academic, professional, personal, and civic lives.

**0306 PAS English IV**  
PREREQUISITE: ARD Placement  
GRADE PLACEMENT: 12  
CREDIT: 1 UNIT

Provides a survey of English literature tracing the development of literary forms and movements through the reading of representative selections from significant British writers. The course also includes an intense study of composition and research skills. Instructional techniques will vary to accommodate the student’s IEP/BIP.

**9404 Fundamentals of English IV**  
GRADE PLACEMENT: 12  
PREREQUISITE: ARD Placement  
CREDIT: 1 UNIT

Provides an integrated study focusing on the English IV TEKS as modified by the individual student’s IEP.
9204 Applied English IV  
GRADE PLACEMENT: 12  
PREREQUISITE: ARD Placement  
CREDIT: 1 UNIT  
Student will focus on employment and independent living language development through social activities. Adapted to meet the needs outlined in student’s IEP.

9104 Developmental English IV  
PREREQUISITE: ARD Placement, only at RLT  
CREDIT: 1 UNIT  
Individualized instruction that emphasizes communication for students with severe cognitive and physical disabilities.

Alternate ELA  
These courses may be taken to satisfy the fourth English credit required for graduation or, if English IV is taken as that fourth credit, these courses may be taken as state elective credits toward an Arts & Humanities Endorsement.

Creative Writing  
3221200  
GRADE PLACEMENT: 9-12  
CREDIT: ½ or 1 CREDIT  
Explores the principles of expressive writing. All students will demonstrate an understanding of the recursive writing process. Uses the process approach to composition to help students develop fluency, voice, audience awareness, and editing strategies/techniques needed to become life-long writers.

1154 Creative Writing – semester  
1155 Advanced Creative Writing - semester  
1156 Creative Writing – full year

1322 Research/Technical Writing  
3221100  
GRADE PLACEMENT: 12  
CREDIT: 1/2 UNIT  
Allows students to develop skills necessary for writing persuasive and informative texts such as essays, reports, proposals, and memoranda. This rigorous composition course asks high school students to skillfully research a topic or a variety of topics and present that information through a variety of media. All students are expected to demonstrate an understanding of the recursive nature of the writing process, effectively applying the conventions of usage and the mechanics of written English. The student’s evaluation of his/her own writing as well as the writing of others insures that students completing this course are able to analyze and discuss published and unpublished pieces of writing, develop and apply criteria for effective writing, and set their own goals as writers.

1323 Practical Writing Skills  
03221300  
GRADE PLACEMENT: 12  
CREDIT: 1/2 UNIT  
Allows students to develop skills necessary for composing business letters and requests for information, as well as for completing job applications and resumes. This course emphasizes skill in the use of conventions and mechanics of written English, the appropriate and effective application of English grammar, and the effective use of vocabulary. Students are expected to understand the recursive nature of the writing process. Evaluation of students’ own writing as well as the writing of others insures that students completing this course are able to analyze and evaluate their writing.
8321 Business English (CTE)
13011600
GRADE PLACEMENT: 12
CREDIT: 1 UNIT
In Business English, students enhance communication and research skills by applying them to the business environments, in addition to exchanging information and producing properly formatted business documents using emerging technology.

1321 Independent Study in English
3221800
GRADE PLACEMENT: 12
CREDIT: 1 UNIT
Focuses student learning on a special project in reading, writing, speaking or research. Student products are negotiable.
ELA SUPPORT
These courses are designed to support the ELA Learner who may have gaps in performance on ELA skill tests or diagnostic assessments. Credits earned from these courses do not satisfy the required ELA credits needed for graduation. They can be elective credits only and are not applied to an endorsement.

READING
GRADE PLACEMENT: 9-12
PREREQUISITE: Does Not Meet Grade Level on STAAR Reading or ARD Placement
CREDIT: 1 UNIT
Emphasizes individual improvement in reading comprehension, vocabulary development, reading rate, study skills, listening skills, and reading for pleasure through a combination of instructional, modeled, and independent reading components. Suggested as an appropriate elective for students having difficulty mastering the STAAR reading subtest or who are two or more years below grade level in reading skills.

Fundamental and Applied Reading courses are adapted to meet the needs outlined in student’s IEP; students will focus on reading comprehension, vocabulary development, and reading fluency based on modified content of the TEKS. These courses may be a substitute for World Language credit requirement.

1609 Reading I 3270700
1610 Reading II 3270800
1611 Reading III 3270900

1617 Fundamentals of Reading I 3270700
1618 Fundamentals of Reading II 3270800
1619 Fundamentals of Reading III 3270900

9206 Applied Reading I 3270700
9207 Applied Reading II 3270800

1914 English Language Development & Acquisition (ELDA) 3200800
GRADE PLACEMENT: 9-12
PREREQUISITE: 12 months or less in US Schools, OLPT = LEVEL 0.1
TAKEN WITH: English I or English II (ESOL or OnLevel)
CREDIT: 1 UNIT
Provides a year-long course of instructional support for students with little or no English proficiency. Students may take this course with a different corequisite for a maximum of two credits.

ENGLISH PLUS
84000205
GRADE PLACEMENT: 12
PREREQUISITES: ARD Placement
CREDIT: 1 UNIT (Local)
Student will focus on understanding generalizations in real life context, the responsibilities of independent living and skills related directly to employment. Adapted to meet the needs outlined in student’s IEP.

9205 APPLIED ENGLISH PLUS
9105 DEVELOPMENTAL ENGLISH PLUS, only at RLT
MATHEMATICS

All students must complete three credits of Mathematics for graduation. We encourage all students to complete a fourth year as that is required for any endorsement offered.

The first three credits must be from Algebra I, Geometry, and Algebra II (or Math Models followed by Algebra II with counselor approval).

The fourth credit may be from a variety of Advanced Mathematics or alternate courses.

Alternate courses that can be a fourth credit of math include the following courses.

- Applied Mathematics for Technical Careers
- Math Plus is offered as App & Dev for Local Credit only
- Statistics & Business Decision Making (CTE)
- Digital Electronics (CTE)
- Accounting 2 (CTE)
- AP Computer Science A (CTE)
ALGEBRA I
3100500
Uses a variety of representations (concrete, numerical, algorithmic, and graphical) to expand the understanding of functions, linear functions and quadratic and other nonlinear functions. Graphing calculators will be used extensively in this course.  **EOC TESTED SUBJECT.**

4650  Algebra I
GRADE PLACEMENT:  9
CREDIT:    1 UNIT

0326  PAS Algebra I
GRADE PLACEMENT: 9-12
PREREQUISITE: ARD Placement
CREDIT:    1 UNIT
Instructional techniques will vary to accommodate the student’s IEP/BIP.

9411  Fundamentals of Algebra I
GRADE PLACEMENT: 9
PREREQUISITE: ARD Placement
CREDIT:    1 UNIT
Content is modified by the individual student’s IEP.

9211  Applied Algebra I
3100507
GRADE PLACEMENT: 9
PREREQUISITE: ARD Placement
CREDIT:    1 UNIT
Student will focus on consumer awareness of basic math skills and how it relates to community and independent needs. Adapted to meet the needs outlined in student’s IEP.

9111  Developmental Algebra I
3100507
PREREQUISITE: ARD Placement, only at RLT
CREDIT:    1 UNIT
Individualized instruction that emphasizes music and rhythm for students with severe cognitive and physical disabilities.

GEOMETRY
3100700
Uses of a variety of representations (concrete, pictorial, algebraic, and coordinate) to expand the understanding of geometric structure, patterns, dimensionality, congruence and similarity. Graphing calculators and technology programs will be used extensively in this course.

4670  Geometry
GRADE PLACEMENT:  9-10
CREDIT:    1 UNIT

4680  Honors Geometry
GRADE PLACEMENT:  9-10
CREDIT:    1 UNIT
GPA: +5 on weighted GPA
Major emphasis is placed upon the development of logical thinking in the writing of complex geometric proofs and the application of geometric concepts of algebra and trigonometry.

0330  PAS Geometry
GRADE PLACEMENT: 10
PREREQUISITE: ARD Placement
CREDIT:    1 UNIT
Instructional techniques will vary to accommodate the student’s IEP/BIP.

9412  Fundamentals of Geometry
GRADE PLACEMENT:  10
PREREQUISITE: ARD Placement
CREDIT:    1 UNIT
Content is modified by the individual student’s IEP.
9212  Applied Geometry  
GRADE PLACEMENT: 10  
REREQUISITE: ARD Placement  
CREDIT: 1 UNIT  
Student will focus on consumer application in the use of money, problem solving and fundamental skills. Adapted to meet the needs in student’s IEP.

9112  Developmental Geometry  
PREREQUISITE: ARD Placement, only at RLT  
CREDIT: 1 UNIT  
Individualized instruction emphasizes music and rhythm for students with severe cognitive and physical disabilities.

MATHEMATICS MODELS WITH APPLICATIONS  
3102400  
This course teaches students to use algebraic, graphical, and geometric reasoning to recognize patterns and structure, to model information, and to solve problems from various disciplines. Graphing calculators will be used extensively in this course. Math Models provides a path for students to succeed in Algebra II.

4710  Mathematics Models  
GRADE PLACEMENT: 10-11  
CREDIT: 1 UNIT

0311  PAS Math Models  
GRADE PLACEMENT: 11-12  
PREREQUISITE: ARD Placement  
CREDIT: 1 UNIT  
Instructional techniques will vary to accommodate the student’s IEP/BIP.

9413  Fundamentals of Math Models  
GRADE PLACEMENT: 11  
PREREQUISITE: ARD Placement  
CREDIT: 1 UNIT  
Content is modified as stipulated by student’s IEP.

9213  Applied Math Models  
GRADE PLACEMENT: 11  
PREREQUISITE: ARD Placement  
CREDIT: 1 UNIT  
Student will focus on development and application of math skills in employment and independent living needs. Adapted to meet the needs outlined in student’s IEP.

9113  Developmental Math Models  
PREREQUISITE: ARD Placement, only at RLT  
CREDIT: 1 UNIT  
Individualized instruction emphasizes music and rhythm for students with severe cognitive and physical disabilities.

ALGEBRA II  
3100600  
Uses a variety of representations (concrete, numerical, algorithmic, graphical) to expand the understanding of functions, the relationship between algebra and geometry, quadratic, square root, rational, exponential and logarithmic functions. Graphing calculators will be used extensively in this course.

4690  Algebra II  
GRADE PLACEMENT: 9 - 12  
PREREQUISITE: Algebra I & Geometry  
CREDIT: 1 UNIT

4700  Honors Algebra II  
GRADE PLACEMENT: 9 - 12  
PREREQUISITE: Algebra I and Geometry  
CREDIT: 1 UNIT  
GPA: +5 on weighted GPA  
The concepts of Trigonometry are an integral part within the units of study in this
level of the course. Students are expected to enroll in Pre-calculus the following year.

0332 PAS Algebra II
GRADE PLACEMENT: 11
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Instructional techniques will vary to accommodate the student’s IEP/BIP.

9415 Fundamentals of Algebra II
GRADE PLACEMENT: 11
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Content is modified as stipulated by student’s IEP.

OTHER ADVANCED MATH COURSES

4796 Advanced Quantitative Reasoning
3102510
GRADE PLACEMENT: 12
PREREQUISITE: Algebra II
CREDIT: 1 UNIT
Focused on analyzing numerical data, probability, analyzing statistical studies, designing a study, a discrete look at change, other models of change, spatial and geometric modeling, networks and graphs, and decision making in finance as well as voting and selection process.

PRE-CALCULUS
3101100
Presents an analytical view of the underlying structure of mathematics through the study of functions and the properties of limits and continuity and extends the concepts introduced in Algebra and Geometry.

4769 Pre-Calculus
GRADE PLACEMENT: 10-12
PREREQUISITE: Geometry and Algebra II
CREDIT: 1 UNIT
This course will provide a bridge to Advanced Placement Calculus AB or Calculus BC. Students are expected to enroll in Calculus upon successful completion of this course.

4770 Honors Pre-Calculus
GRADE PLACEMENT: 10-12
PREREQUISITE: Geometry and Algebra II
CREDIT: 1 UNIT
GPA: +5 on weighted GPA
ONRAMPS/DUAL CREDIT MATH COURSES

ONRAMPS MATH COURSES
GRADE PLACEMENT: 11-12
PREREQUISITE: Algebra II
CREDIT: 1 UNIT each course
COLLEGE CREDIT: 3 HRS each
GPA: +9 on weighted GPA
FEES: Textbook and other fees may apply

4788 OnRamps College Algebra
3102500
Students deepen their critical thinking skills and develop their ability to persist through challenges as they explore function families. Students analyze data algebraically and with little to no technology while developing their knowledge of properties of functions, matrices and systems of equations, and complex numbers. The pedagogy of the course, Inquiry-Based Learning, encourages students to take an active role in the construction of their learning. This learning will be accomplished by abstraction, generalization, problem-solving, derivation of formulas, and modeling.

4772 OnRamps Pre-Calculus
3101100
Students will deepen and extend their knowledge of functions, graphs, and equations from their high school algebra and geometry courses so they can successfully work with the concepts in a rigorous university-level calculus course. This course is designed to push students well beyond “drill and kill” type exercises, with an emphasis on unpacking mathematical definitions and making logical arguments to their peers. The course is divided into seven units. Each unit consists of a series of explorations designed to engage students and empower them to develop their problem-solving skills. In each exploration, students will create connections with prior concepts in developing the current topic.

DUAL CREDIT MATH COURSES
GRADE PLACEMENT: 11-12
PREREQUISITE: Acceptance to Dallas College https://www.dcccd.edu/high-school-students/dual-credit/pages/default.aspx
CREDIT: 1 UNIT each semester
COLLEGE CREDIT: 3 HRS each
GPA: no impact
FEES: Textbook and other fees may apply

4783D Dual Credit College Algebra
IHE11100
PREREQUISITE: Algebra II
Reviews skills in intermediate algebra and further develops rational expressions, roots, exponents and radicals. Other topics include complex numbers, systems of equations and inequalities, theory of equations, progressions, the binomial theorem, proofs, and applications.

4793D Dual Credit Trigonometry
3102501
PREREQUISITE: College Algebra
Focuses on the study of angular measures, trigonometric functions, identifies solutions of triangles, equations, inverse trigonometric functions, complex numbers, and applications.

4782 Dual Credit Calculus III
IHE11100
PREREQUISITE: AP Calculus AB or BC
Focuses on the study of vectors and analytic geometry in 3-space; partial and directional derivatives; extrema; double and triple integrals and applications; cylindrical and spherical coordinates.

4784 Dual Credit Differential Equations I
3102501
PREREQUISITE: AP CALCULUS AB or BC
Focuses on first order equations, existence uniqueness theorem, linear equations, separation of variables, higher order linear equations, systems of linear equations, series solutions and numerical solutions.
AP MATHEMATICS COURSES

4780  AP Calculus AB
A3100101
GRADE PLACEMENT: 11-12
PREREQUISITE: Pre-Calculus
CREDIT:  1 UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEES: Textbook and other fees may apply
Includes techniques and applications of
the derivative, definite integral, and the
Fundamental Theorem of Calculus. It is
equivalent to at least a semester of
calculus at most colleges and universities.
Algebraic, numerical, and graphical
representations are emphasized
throughout the course. Prepares the
student to take the Advanced Placement
examination for possible college credit.

4781  AP Calculus BC
A3100102
GRADE PLACEMENT: 11-12
PREREQUISITE: Pre-Calculus
CREDIT:  1 UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEES: Textbook and other fees may apply
Includes all the topics of Calculus AB plus
additional topics in differential and
integral calculus including parametric,
polar, and vector functions and series. It
is equivalent to at least a year of calculus
at most colleges and universities.
Algebraic, numerical, and graphical
representations are emphasized
throughout the course. Prepares the
student to take the Advanced Placement
examination for possible college credit.

4795  AP Statistics
A3100200
GRADE PLACEMENT:  11-12
PREREQUISITE:  Algebra II
CREDIT:  1 UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEES: Textbook and other fees may apply
Introduces the major concepts and tools
for collecting, analyzing and drawing
conclusions from data. In addition, offers
an examination for students desiring to
earn credit for a one-semester,
introductory, non-calculus based college
course in statistics. Graphing calculators
and technology programs will be used
extensively in this course.

ALTERNATE MATH COURSES

8231  Applied Mathematics for Technical Careers
GRADE PLACEMENT: 11-12
PREREQUISITE:  Algebra I and Geometry
CREDIT:  1 UNIT
This course satisfies a high school mathematics graduation requirement. This course uses
problem-solving situations, hands-on activities, and technology to extend mathematical
thinking and engage student reasoning. Situations relating to technical applications
provide students opportunities to make connections with mathematics and the workplace.
In addition, students will learn the skills necessary to communicate using mathematics.
Hands-on activities will allow students to model, explore, and develop abstract concepts
applicable to technical careers. (Essential to this course is the partnership between
mathematics and technical teachers.)

Statistics & Business Decision Making, Digital Engineering, Accounting II and AP Computer
Science A descriptions can be found in the CTE section.
SCIENCE

All students must complete three credits of Science for graduation. We encourage all students to complete a fourth year as that is required for any endorsement offered.

Credits must include Biology and at least one lab class of IPC, Chemistry or Physics.

The third and fourth credits can be from a variety of Lab-Based Science courses including Chemistry and Physics from the above listings. Some alternate CTE courses are also available.

Students interested in Science laboratory fieldwork may also complete up to a year of Science Lab Management for local credit.
BIOLOGY
03010200
Provides an introductory laboratory course in biology. Topics include: cellular functions, microorganisms, plant and animal processes, animal and plant classification, genetics, and ecology. Safety and manipulative laboratory skills are stressed. Students will conduct both field and laboratory investigations. EOC TESTED SUBJECT.

6620 Biology I
GRADE PLACEMENT: 9-10
CREDIT: 1 UNIT

6625 Honors Biology I
GRADE PLACEMENT: 9-10
CREDIT: 1 UNIT
GPA: +5 on weighted GPA
Provides a more in-depth study of the topics covered in Biology. Included are laboratory activities which enhance creativity, provide individual research opportunities, and field investigations.

0348 PAS Biology I
GRADE PLACEMENT: 9
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Instructional techniques will vary to accommodate the student’s IEP/BIP.

9221 Applied Biology I
03010207
GRADE PLACEMENT: 9-10
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Student will investigate science related to home, school and community through the use of activity-based studies including a study of plants and animals. Adapted to meet the needs outlined in student’s IEP.

9121 Developmental Biology I
030102007
PREREQUISITE: ARD Placement, only at RLT
CREDIT: 1 UNIT
Individualized instruction that emphasizes routine and structure for students with severe cognitive and physical disabilities.

IPC/CHEMISTRY
03060201
INTEGRATED PHYSICS & CHEMISTRY (IPC)
Builds on concepts in physics and chemistry and their relationship to living systems, the earth’s structure, astronomy, and other physical and chemical phenomena observed. This course emphasizes hands-on laboratory science, higher order thinking, and interrelationships between the sciences. Though this course is not required for all students, if taken, it must precede Chemistry and Physics.

6616 Integrated Physics & Chemistry
GRADE PLACEMENT: 9-10 recommended
CREDIT: 1 UNIT

0345 PAS IPC
GRADE PLACEMENT: 9-10
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Instructional techniques will vary to accommodate the student’s IEP/BIP.

9222 Applied IPC
GRADE PLACEMENT: 10-12
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Student will investigate science related to home and independent living through the use of activity-based studies including a study of force, friction, and chemical reactions. Adapted to meet the needs outlined in student’s IEP.
9122 Developmental IPC
PREREQUISITE: ARD Placement, only at RLT
CREDIT: 1 UNIT
Individualized instruction that emphasizes routine and structure for students with severe cognitive and physical disabilities.

CHEMISTRY
03040000
Provides a complete course in the concepts of chemistry including the study of the properties of matter, atomic theory, Periodic Table, chemical bonding, the mole concept, chemical reactions, principles of ideal gas, behavior of solutions, and nuclear chemistry.

6640 Chemistry I
GRADE PLACEMENT: 10-12
PREREQUISITE: 1 Sci credit AND Geom (or concurrent)
CREDIT: 1 UNIT

6645 Honors Chemistry I
GRADE PLACEMENT: 10-12
PREREQUISITE: 1 Sci credit AND Geom (or concurrent)
CREDIT: 1 UNIT
GPA: +5 on weighted GPA
Extends concepts for the student who has a high interest in chemistry, has done well in science and mathematics and is able to grasp high level skills. Laboratory activities are presented that are appropriate for the topics under study and provide opportunities for individual research.

PHYSICS
03050000
Provides a complete course in the concepts of Physics. Laboratory activities are presented appropriately for the topics being studied. Topics include: a study of motion, force and energy, electro-magnetism, electricity, electromagnetic radiation, optics, sound and nuclear energy.

6655 Physics
GRADE PLACEMENT: 9-12
PREREQUISITE: 1 Sci credit and Algebra I (or concurrent)
CREDIT: 1 UNIT

6656 Honors Physics
GRADE PLACEMENT: 9-12
PREREQUISITE: 1 Sci credit and Algebra I (or concurrent), only at ECHS & RLT (METSA)
CREDIT: 1 UNIT
GPA: +5 on weighted GPA
Offers the student who has a high interest in science and has done well in both science and mathematics. Learnings emphasize higher order thinking skills and quantitative applications of theory. Topics are the same as Physics I but show a greater depth and complexity. In both semesters, laboratory activities are presented appropriate for the topics being studied and allow for individual research and creativity.
OnRamps Physics
GRADE PLACEMENT: 9-12
PREREQUISITE: 1 Sci credit AND Algebra I (or concurrent)
CREDIT: 1 UNIT
COLLEGE CREDIT: Optional
FEES: Textbook and other fees may apply
This is an algebra-based (non-calculus) course in mechanics that fulfills a general physics requirement. Proficiency in algebra and geometry is assumed. Students will practice problem solving and analyzing physical situations involving motion, force, energy, rotations, heat, oscillations, waves, and sound. They will explore concepts in small groups, develop ideas, and explain them. The course lays the groundwork for college majors including engineering, physics, chemistry, or mathematics.

LAB-BASED SCIENCES

ENVIRONMENTAL SYSTEMS
03020000
Explores principles of the environment: biotic and abiotic factors in habitats; ecosystems and biomes; interrelationships among resources and an environmental system; relationship between carrying capacity and changes in populations, ecosystems and the environment.

Environmental Systems
GRADE PLACEMENT: 11-12
PREREQUISITE: 2 Years of Lab Sciences
CREDIT: 1 UNIT

PAS Environmental Systems
GRADE PLACEMENT: 11-12
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Instructional techniques will vary to accommodate the student's IEP/BIP.

Applied Environmental Systems
GRADE PLACEMENT: 11-12
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Student will investigate science related to home and independent living through the use of activity-based studies including weather, seasonal changes, and the water cycle. Adapted to meet the needs outlined in student's IEP.

Developmental Environmental Systems
PREREQUISITE: ARD Placement, only at RLT
CREDIT: 1 UNIT
Individualized instruction that emphasizes routine and structure for students with severe cognitive and physical disabilities.

Astronomy
03060100
Provides a laboratory course where students acquire knowledge about the sun, planets, moon, and stars. Topics included are: information about the universe; scientific theories of the evolution of the universe; characteristics and the life cycle of stars; exploration of the universe; role of the sun in our solar system; planets; and the orientation and placement of the Earth.

6670 Astronomy
GRADE PLACEMENT: 11-12
PREREQUISITE: 2 Years of Lab Sciences
CREDIT: 1 UNIT
Applied Astronomy
GRADE PLACEMENT: 11-12
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Student will investigate science related to independent living and employability through the use of activity-based studies including a study of the solar system and properties of matter. Adapted to meet the needs outlined in student’s IEP.

Developmental Astronomy
PREREQUISITE: ARD Placement, only at RLT
CREDIT: 1 UNIT
Individualized instruction that emphasizes routine and structure for students with severe cognitive and physical disabilities.

ADVANCED SCIENCES

6647 OnRamps Earth Wind & Fire
03060200
GRADE PLACEMENT: 9-12
RECOMMENDED: Biology and Chemistry (or concurrently)
CREDIT: 1 UNIT
GPA: +9 on weighted GPA
COLLEGE CREDIT: Optional
FEES: Textbook & other fees may apply
This college level course introduces students to the major areas in geoscience and helps them develop critical, creative, and geologic problem solving skills, as applied to 21st century scientific problems. It is an integrated study drawing on the fundamental principles of physics, chemistry, biology, and geosciences to explain Earth processes.

6650 AP Chemistry
A3040000
GRADE PLACEMENT: 11-12
RECOMMENDED: Chemistry and Algebra II (or concurrently)
CREDIT: 1 UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEES: Textbook and other fees may apply
Offers a college-level, second year chemistry program that shows greater depth and complexity of chemistry concepts. Laboratory activities are presented that are appropriate for the topics under study and provide opportunities for individual research.

6635 AP Biology
A3010200
GRADE PLACEMENT: 9-12
RECOMMENDED: Biology and Chemistry (or concurrently)
CREDIT: 1 UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEES: Textbook and other fees may apply
Offers a college-level second year Biology program. It is designed for those who have high interest and motivation in this area of study.

6611 AP Environmental Science
A3020000
GRADE PLACEMENT: 11-12
PREREQUISITE: Biology, Chemistry, and Algebra II
CREDIT: 1 UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEES: Textbook and other fees may apply
Provides students with a college level, in-depth scientific principles, concepts, and methodologies to understand the interrelationships of the natural world, to identify and analyze issues (natural and man-made), analyze associated risks, and examine the possible solutions.
6660 AP Physics 1 Algebra-Based
A3050003
GRADE PLACEMENT: 11-12
RECOMMENDED: credit in Alg 1 & Geom
CREDIT: 1 UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEES: Textbook and other fees may apply
Offers an algebra-based physics course equivalent to a first-semester college course in algebra-based physics, but is designed to be taught over a full academic year to enable students to develop deep understanding of the content and to focus on applying knowledge through inquiry labs. The course includes Newtonian mechanics; work, energy, and power; mechanical waves and sound; and an introduction to electric circuits.

6662 AP Physics 2 Algebra-Based
A3050004
GRADE PLACEMENT: 11-12
PREREQUISITE: Physics (any level) and PreCalculus (any level, or concurrently)
CREDIT: 1 UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEES: Textbook and other fees may apply
Offers an algebra-based physics course equivalent to a second-semester college course in algebra-based physics, but is designed to be taught over a full academic year to enable students to develop deep understanding of the content and to focus on applying their knowledge through inquiry labs. The course includes fluid mechanics; thermodynamics; electricity and magnetism; optic; atomic and nuclear physics.

6663 AP Physics C: Electricity & Magnetism A3050005
GRADE PLACEMENT: 11-12
PREREQUISITE: Physics (any level) and Calculus (or concurrently)
CREDIT: 1 UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEES: Textbook and other fees may apply
This is a college level, calculus-based physics course appropriate for students planning to specialize or major in physical science or engineering. The course explores topics such as electrostatics; conductors, capacitors, and dielectrics; electric circuits; magnetic fields; and electromagnetism.

6664 AP Physics C: Mechanics A3050006
GRADE PLACEMENT: 11-12
PREREQUISITE: Physics (any level) and Calculus (or concurrently)
CREDIT: 1 UNIT
AP Exam: Required
FEES: Textbook and other fees may apply
This is a college level, calculus-based physics course appropriate for students planning to specialize or major in physical science or engineering. The course explores topics such as kinematics; Newton's laws of motion; work, energy, and power; systems of particles and linear momentum; circular motion and rotation; and oscillations and gravitation.
ALTERNATE SCIENCES FROM CTE

6637  Anatomy & Physiology
13020600
GRADE PLACEMENT:  11-12
PREREQUISITE:  Biology and Chemistry
CREDIT:  1 UNIT
Extends understanding of the structure and function of the human body. Higher order thinking is stressed through assessment and synthesis of anatomical knowledge combined with exposure to clinical analysis.

6672  Forensic Science
13029500
GRADE PLACEMENT:  11-12
PREREQUISITE:  Biology and Chemistry
CREDIT:  1 UNIT
Allows students to participate in the collection and preservation of crime scene evidence, crime laboratory techniques and the human anatomy and physiology necessary for the analysis of evidence.

LAB MANAGEMENT
84800675
Allows a student to assist a teacher or teachers in setting up and carrying out laboratory activities, keeping laboratory materials in order, and performing other laboratory management duties as assigned by the supervising teacher(s). Elective science credit will be earned through this course. The course may be repeated to earn a maximum of one credit.

GRADE PLACEMENT:  11-12
PREREQUISITE:  2 Sci credits including Chemistry
CREDIT:  1/2 UNIT (Local)

6675  Lab Management – 1st Time Taken
6676  Lab Management – 2nd Time Taken
All students must complete 4 credits of Social Studies for graduation.

The first three credits must be World Geography, World History and US History.

Economics and US Government make up the fourth credit. Each are ½ credit.

Students may also select Advanced SS courses as an Elective. These courses earn state elective credits toward graduation.
WORLD GEOGRAPHY
03320100
Students examine cultures and the interaction of humans with their physical environment thematically, using process skills to study geographic patterns and influences on past and present events in order to make informed decisions about the future.

7980  World Geography Studies
GRADE PLACEMENT:  9
CREDIT:  1 UNIT

7981  Honors World Geography Studies
GRADE PLACEMENT:  9
CREDIT:  1 UNIT
GPA: +5 on weighted GPA
This course is designed for students who wish to have a more challenging and rigorous social studies experience.

7982  AP Human Geography
7983  GT/AP Human Geography
A3360100
GRADE PLACEMENT:  9
CREDIT:  1 UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEES: Textbook and other fees may apply
This course introduces students to the systematic study of patterns and process that shape human understanding, use, and modification of Earth’s surface. Students employ spatial concepts and landscape analysis to examine human socioeconomic organization and its environmental consequences. They also learn about the methods and tools geographers use in their research and applications.

0363  PAS World Geography
GRADE PLACEMENT:  9
PREREQUISITE: ARD placement
CREDIT:  1 UNIT
Instructional techniques will vary to accommodate the student’s IEP/BIP.

9230  Applied World Geography
GRADE PLACEMENT:  9
PREREQUISITE: ARD placement
CREDIT:  1 UNIT
The student focuses on his/her home and school. Map skills are introduced and developed through a variety of activities. The course will be adapted to meet the needs outlined in student’s IEP.

9130  Developmental World Geography
PREREQUISITE: ARD placement, only at RLT
CREDIT:  1 UNIT
Individualized instruction that emphasizes the environment for students with severe cognitive and physical disabilities.

WORLD HISTORY
03340400
This course provides a global understanding of the growth and development of selected world civilizations from ancient times to the present. Using critical-thinking skills and a variety of primary and secondary sources, students study historical and geographic patterns, compare civilizations, and examine continuities and change over time.

7911  World History Studies
GRADE PLACEMENT:  10-11
CREDIT:  1 UNIT

7971  Honors World History Studies
GRADE PLACEMENT:  10-11
CREDIT:  1 UNIT
GPA: +5 on weighted GPA
Students examine the impact of geographic factors on historical events, identify common characteristics of eras, analyze the causes and effects of major turning points, compare the social, economic, and political systems of various civilizations, and examine continuities and change over time to gain a global understanding of the world today.

**7972 AP World History**
GRADE PLACEMENT: 10-12
CREDIT: 1 UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEES: Textbook and other fees may apply

Students investigate topics. They develop and use the same thinking skills and methods employed by historians which include analyzing source material, making historical comparisons, chronological reasoning, and argumentation. Students explore five themes to make connections across time periods and places: interaction between humans and the environment; development and interaction of cultures; state building, expansion, and conflict; creation, expansion, and interaction of economic systems; and development and transformation of social structures.

**0362 PAS World History**
GRADE PLACEMENT: 10
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Instructional techniques will vary to accommodate the student’s IEP/BIP.

**9231 Applied World History**
GRADE PLACEMENT: 10
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
Student focuses on his/her community and state, with emphasis on laws affecting behavior and personal safety. The course will be adapted to meet the needs outlined in student’s IEP.

**9131 Developmental World History**
PREREQUISITE: ARD Placement, only at RLT
CREDIT: 1 UNIT
This course offers individualized instruction that emphasizes the environment for students with severe cognitive and physical abilities.

**U.S. HISTORY**

03340100
The founding documents of the U.S. government provide a framework as students focus on the political, economic, and social factors shaping U.S. history since 1877. Issues include industrialization and urbanization, domestic and foreign policies, major war, reform movements, civil rights, and efforts to expand the democratic process. Students analyze the impact of constitutional issues on American society, technological innovations on American life, and geographic factors on historical events. Students use critical-thinking skills and a variety of primary and secondary source material to apply different methods historians use to understand the past, including historical context and multiple points of view. **EOC TESTED SUBJECT.**

**7610 U.S. History**
GRADE PLACEMENT: 11-12
CREDIT: 1 UNIT

**7612 OnRamps U.S. History**
GRADE PLACEMENT: 11-12
PREREQUISITE: English II
CREDIT: 1 UNIT
GPA: +9 on weighted GPA
COLLEGE CREDIT: Optional
FEES: Textbook and other fees may apply
Using lectures, primary and secondary readings, videos, maps, and other graphics, students work both independently and collaboratively to develop the critical thinking skills to evaluate the American historical record. The course surveys from the colonial beginnings through the Civil War and considers the post-Civil War era to the end of the 20th century. Exams include essay questions that require students to craft well-written narratives and arguments that set events in historical context, engage the complexity of cause and consequence, and make connections that reveal the dynamic of change over time.

7660 AP United States History
A3340100
GRADE PLACEMENT: 11-12
CREDIT: 1 UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEES: Textbook and other fees may apply
In this course students examine the nine different periods of U.S. history conceptually, using themes that include identity, migration, power, technology, geography, technology, and America in the world. Students make comparisons among various historical developments in different times and places and to reason historically about continuity and change over time. Students develop and use historical thinking skills, which include analyzing primary and secondary source material, making historical comparisons, chronological reasoning, and argumentation.

0360 PAS U.S. History
GRADE PLACEMENT: 11
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
This course provides students opportunities to understand social, cultural, economic and political forces that have shaped American society, as well as the historical context for U.S. society today. Instructional techniques will vary to accommodate the student’s IEP/BIP.

9232 Applied U.S. History
03340107
GRADE PLACEMENT: 11
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT
The student will focus on community awareness through concepts related to employment and personal responsibility. The course is adapted to meet the needs outline in the student’s IEP.

9132 Developmental U.S. History
03340107
PREREQUISITE: ARD Placement, only at RLT
CREDIT: 1 UNIT
This course offers individualized instruction that emphasizes the environment for students with severe cognitive and physical abilities.

ECONOMICS
03310300
This course examines the basic principles of production, consumption, and distribution of goods and services with emphasis on the American free enterprise system. Students will compare the U.S. system with economic systems in other countries of the world. The course also includes a brief study of personal financial literacy.
7401  Economics
GRADE PLACEMENT:  11-12
PREREQUISITE:  2 credits in SS
CREDIT:  ½ UNIT

7401D Dual Credit Economics
GRADE PLACEMENT:  11-12
PREREQUISITE:  2 credits in SS
CREDIT:  ½ UNIT
FEES: Textbook and other fees may apply
Dallas College acceptance required.
https://www.dcccd.edu/high-school-students/pages/application.aspx

7402  AP Economics - Micro
A3310100
GRADE PLACEMENT:  11-12
PREREQUISITE:  2 credits in SS
CREDIT:  ½ UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEES: Textbook and other fees may apply
This course studies the behavior of
discrete parts of the economy—the
individual, the household, the company.

7403  AP Economics - Macro
A3310200
GRADE PLACEMENT:  11-12
PREREQUISITE:  2 credits in SS
CREDIT:  ½ UNIT
GPA: +9 on weighted GPA
AP Exam: Required
NOTE: counts as Econ grad requirement
This course provides students with a
thorough understanding of the principles
of economics that apply to an economic
system as a whole.

0344  PAS Economics
GRADE PLACEMENT:  11-12
PREREQUISITE: ARD Placement
CREDIT:  ½ UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEES: Textbook and other fees may apply
Dallas College acceptance required.

CREDIT:  ½ UNIT
Instructional techniques vary to
accommodate the student's IEP/BIP.

9234  Applied Economics
GRADE PLACEMENT:  12
PREREQUISITE: ARD Placement
CREDIT:  ½ UNIT
The student will focus on the basic
concepts of personal responsibility related
to employability and being a productive,
contributing member of a business,
community, and/or organization. The
course will be adapted to meet the
needs outlined in the student's IEP.

9134  Developmental Economics
PREREQUISITE: ARD Placement, only at RLT
CREDIT:  1/2 UNIT
This course offers individualized instruction
that emphasizes the environment for
students with severe cognitive and
physical abilities.

U.S. GOVERNMENT
03320100
This course focuses on the principles and beliefs upon which the United States was
founded. Students will use critical-thinking skills to examine the structure, functions, and
powers of government at the national, state, and local level.

7317  U.S. Government
GRADE PLACEMENT:  11-12
PREREQUISITE:  2 credits in SS
CREDIT:  ½ UNIT

7317D Dual Credit U.S. Government
GRADE PLACEMENT:  11-12
PREREQUISITE:  2 credits in SS
CREDIT:  ½ UNIT

PREREQUISITE: 2 credits in SS
CREDIT: ½ UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEES: Textbook and other fees may apply
NOTE: counts as Gov grad requirement
This course provides a college-level approach to understanding the effects of political theories and history on the development of American political behavior and institutions. It will not only help students understand the U.S. Constitution and the political system but will also help them become informed citizens who are willing to preserve, protect, and defend the rights and liberties at the core of our nation's charter.

0365  PAS Government
GRADE PLACEMENT: 11-12
PREREQUISITE: ARD Placement
CREDIT: ½ UNIT
Instructional techniques will vary to accommodate the student's IEP/BIP.

ADVANCED SOCIAL STUDIES COURSES
These courses may be taken as state elective credits toward an Arts & Humanities Endorsement or general state elective.

7201  Sociology
3370100
GRADE PLACEMENT: 10-12
CREDIT: ½ UNIT
This course introduces students to the science and art of human relations and helps them understand the structure of society and their role in it.

7203  Psychology
03350100
GRADE PLACEMENT: 10-12
CREDIT: ½ UNIT
This course covers the stages of human growth and development and factors involved in learning, thinking, personality, motivation, and self-concept development to provide students with opportunities to gain insight into our complex society.

9233  Applied Government
GRADE PLACEMENT: 12
PREREQUISITE: ARD Placement
CREDIT: ½ UNIT
The course will focus on history and how it relates to current community rules and situations. The student will be introduced to voting and civic duties. Instruction will be adapted to meet the needs outlined in the student’s IEP.

9133  Developmental Government
PREREQUISITE: ARD Placement, only at RLT
CREDIT: ½ UNIT
This course offers individualized instruction that emphasizes the environment for students with severe cognitive and physical abilities.
7204  Honors Psychology  
03350100  
GRADE PLACEMENT:  11-12  
CREDIT:  ½ UNIT  
GPA:  +5 on weighted GPA  
Designed to be taken as a sequenced course with AP Psychology, this course gives students time to deepen their understanding of the complex society in which we live. This preparation affords students the beneficial background for success in AP Psychology in Semester 2.

7205  AP Psychology  
A3350100  
GRADE PLACEMENT:  11-12  
PREREQUISITE:  2 credits in SS  
CREDIT:  ½ UNIT  
GPA:  +9 on weighted GPA  
AP Exam: Required  
FEE: Textbook and other fees may apply  
This course examines methods, approaches and history of psychology, biological basis of behavior, motivation and emotion, learning theories, personality, testing and individual differences, and abnormal and social psychology.

7210  Personal Financial Literacy  
03380082  
GRADE PLACEMENT:  11-12  
PREREQUISITE:  2 credits in SS  
CREDIT:  ½ UNIT  
Develops citizens who have the knowledge and skills to make sound, informed financial decisions, allowing them to lead financially secure lifestyles and understand personal financial responsibility. Students will apply critical-thinking and problem-solving skills to analyze decisions about earning and spending, saving and investing, credit and borrowing, insuring and protecting, as well as college and post-secondary education and training.

7345  Special Topics in SS – Law Studies  
03380002  
GRADE PLACEMENT:  11-12  
CREDIT:  1 UNIT  
This course introduces students to the structure and process of our legal system as it relates to their everyday lives.

7985  AP European History  
A3340200  
GRADE PLACEMENT:  11-12  
PREREQUISITE:  World History (Honors or AP)  
CREDIT:  1 UNIT  
GPA:  +9 on weighted GPA  
AP Exam: Required  
FEE: Textbook and other fees may apply  
An in-depth study of Western Civilization in Europe from approximately 1450 to the present. It explores several major themes in modern history.

7360  Special Topics in SS: Mexican American Studies  
03380002  
GRADE PLACEMENT:  11-12  
CREDIT:  ½ UNIT  
This course introduces students to the rich history of the Mexican American people and culture.

7361  Special Topics in SS: African American Studies  
03380002  
GRADE PLACEMENT:  11-12  
CREDIT:  ½ UNIT  
This course introduces students to the culture, history and people of African American descent.
7376 AP Comparative Government & Politics A3330200
GRADE PLACEMENT: 11-12
PREREQUISITE: 2 SS Credits – Honors preferred, only at CHS
CREDIT: ½ UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEES: Textbook and other fees may apply
Introduces students to the rich diversity of political life outside the United States. It provides a college-level approach to examining the political institutions and processes of six different countries—China, Iran, Mexico, Nigeria, Russia, and the United Kingdom—and comparing the ways they address problems. Students compare the effectiveness of approaches to many global issues by examining how different governments solve similar problems.

9235 Applied Social Studies Plus 84400235
GRADE PLACEMENT: 12+
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT (Local)
Student will focus on how to be productive and safe in a variety of community situations including employment. Instruction will be adapted to meet the needs outlined in the student’s IEP.

9135 Developmental Social Studies Plus 84400135
GRADE PLACEMENT: 12+
PREREQUISITE: ARD Placement, only at RLT
CREDIT: 1 UNIT (Local)
This course offers individualized instruction that emphasizes the environment for students with severe cognitive and physical abilities.

Independent Studies/Mentoring (ISM)
GRADE PLACEMENT: 9-12
PREREQUISITE: GT Identified or counselor approval
CREDIT: ½ UNIT
GPA: +9 on weighted GPA
Students conduct in-depth research, prepare a product of professional quality, and present their findings to appropriate audiences. Working independently or in collaboration with a mentor, students investigate a problem, issue or concern; research the topic using a variety of technologies; and present a product of professional quality to an appropriate audience.

Students may take up to 4 times, but a different project must be presented each time.

7987 ISM (1ST TIME TAKEN) 03380003
7988 ISM (2ND TIME TAKEN) 03380023
7989 ISM (3RD TIME TAKEN) 03380033
7990 ISM (4TH TIME TAKEN) 03380043
WORLD LANGUAGES
All students must complete 2 credits of World Language for graduation. These World Language credits should be from the same language. Some students may be recommended for a Special Topics course as an appropriate alternative to a Level II World Language course. (A substitution of academic or CTE courses can be made for students who receive special education services. Speak with the counselor for more information.)

Students are encouraged to further their exposure to world languages and culture by taking additional classes of the same language or exploring other world languages throughout their high school years.

There are also dual credit opportunities students may select from Dallas College. Acceptance to Dallas College is required and fees may apply. [https://www.dcccd.edu/high-school-students/dual-credit/pages/default.aspx](https://www.dcccd.edu/high-school-students/dual-credit/pages/default.aspx)
**FRENCH**

3604  French I  
03410100  
GRADE PLACEMENT:  9-12  
CREDIT:  1 UNIT  
Introduces basic speaking, reading, and writing skills. Emphasizes vocabulary building and the study of Francophone culture.

3605  French II  
03410200  
GRADE PLACEMENT:  9-12  
PREREQUISITE:  French I  
CREDIT:  1 UNIT  
Emphasizes understanding the spoken word and speaking. Develops writing skills and reading for comprehension based on the people and cultures of France and francophone countries.

3606  Honors French III  
03410300  
GRADE PLACEMENT:  11-12  
PREREQUISITE:  French II  
CREDIT:  1 UNIT  
GPA: +5 on weighted GPA  
Develops reading skills in addition to listening comprehension, speaking and writing. Stresses a broader appreciation of French culture and civilization.

3607  AP French Language & Culture  
A3410100  
GRADE PLACEMENT:  12  
PREREQUISITE:  Honors French III  
CREDIT:  1 UNIT  
GPA: +9 on weighted GPA  
AP Exam: Required  
FEE: Textbook and other fees may apply  
Increases the amount of reading significantly and further develops writing skills. Continues an emphasis on French culture and civilization. Includes a survey of French literature, reading of literary selections, and literary analysis. Speaking with acceptable accuracy and fluency is emphasized as well. The study of literature and culture is included.

**JAPANESE**

3750  Japanese I  
03120100  
GRADE PLACEMENT:  9-12  
CREDIT:  1 UNIT  
Provides students with live experiences in comprehending, speaking, reading and writing in the Japanese language, as well as acquiring information about the customs and culture of Japan through contact with Japanese people.

3751  Japanese II  
03120200  
GRADE PLACEMENT:  10-12  
PREREQUISITE:  Japanese I  
CREDIT:  1 UNIT  
Offers students live experiences in comprehending, speaking, reading and writing in the Japanese language, as well as acquiring information about the customs and culture of Japan through contact with Japanese people. Additional facility with the language.
**3752 Honors Japanese III**
03120300
GRADE PLACEMENT: 11-12
PREREQUISITE: Japanese II
CREDIT: 1 UNIT
GPA: +5 on weighted GPA
Provides students with oral and written language skills with concentration on understanding instruction delivered in Japanese.

**3754 AP Japanese Language & Culture**
A3120400
GRADE PLACEMENT: 12
PREREQUISITE: Honors Japanese III
CREDIT: 1 UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEE: Textbook and other fees may apply
Extends proficiency and improves the productive, receptive and cultural skills necessary to communicate with native speakers and writers of Japanese.
Encourages critical reflection about the Japanese culture, society, and other social categories.

**KOREAN**
Korean is only offered at Creekview and Newman Smith.

**3740 Korean I**
11402900
GRADE PLACEMENT: 9-12
CREDIT: 1 UNIT
Introduces essential vocabulary and grammar in order to develop the pronunciation, listening, reading, and writing skills necessary for basic communication and comprehension. Includes an introduction to Korean culture.

**3741 Korean II**
11403000
GRADE PLACEMENT: 9-12
PREREQUISITE: Korean I
CREDIT: 1 UNIT
Students develop communication skills in all communication modes and continue their studies of Korean culture.

**3742 Honors Korean III**
11403100
GRADE PLACEMENT: 9-12
PREREQUISITE: Korean II
CREDIT: 1 UNIT
GPA: +5 on weighted GPA
Students further develop communication proficiency in all communication modes. Emphasis is placed on the refinement of this logographic language.

**3743 Honors Korean IV**
11403100
GRADE PLACEMENT: 9-12
PREREQUISITE: Korean III
CREDIT: 1 UNIT
GPA: +5 on weighted GPA
NOT AN AP COURSE
Students further develop communication proficiency in all communication modes. Emphasis is placed on the refinement of this logographic language.
NATIVE SPEAKERS SPANISH

3807 Native Speakers Spanish I
03440110
GRADE PLACEMENT: 9-12
PREREQUISITE: Placement test
CREDIT: 1 UNIT
Emphasizes standard spoken and written Spanish, grammar, listening skills, and reading comprehension based on the culture of the Hispanic world.

3809 Native Speakers Spanish II
03440220
GRADE PLACEMENT: 9-12
PREREQUISITE: NS Spanish I or placement test
CREDIT: 1 UNIT
Emphasizes standard spoken and written Spanish. Increases reading, grammar and writing skills as well as the study of the people and cultures of the Hispanic world.

SPANISH

3808 Spanish I
03440100
GRADE PLACEMENT: 9-12
CREDIT: 1 UNIT
Introduces basic listening, speaking, reading and writing skills. Emphasizes vocabulary building and includes the study of Hispanic culture.

3810 Spanish II
03440200
GRADE PLACEMENT: 9-12
PREREQUISITE: Spanish I
CREDIT: 1 UNIT
Emphasizes understanding the spoken word and speaking. Develops writing skills and reading comprehension based on the culture of the Hispanic world.

3820 Honors Spanish III
03440300
GRADE PLACEMENT: 10-12
PREREQUISITE: Spanish II
CREDIT: 1 UNIT
GPA: +5 on weighted GPA
Develops reading skills in addition to greater skills in listening, speaking and writing. Develops a fuller appreciation of Hispanic culture and civilization.

3819 Honors Native Speakers Spanish III
03440330
GRADE PLACEMENT: 9-12
PREREQUISITE: NS Spanish II or placement test
CREDIT: 1 UNIT
GPA: +5 on weighted GPA
Increases vocabulary, reading skills and grammar in addition to listening comprehension, speaking and writing. Develops a greater appreciation of Hispanic culture and civilization.

3822 AP Spanish Language & Culture
A3440100
GRADE PLACEMENT: 11-12
PREREQUISITE: Honors Spanish III
CREDIT: 1 UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEE: Textbook and other fees may apply
Increases the amount of original writing and reading. Class discussion in Spanish. Places a strong emphasis on Hispanic culture and civilization. Includes a survey of Hispanic literature, reading of literary selections, and literary analysis.

3823 AP Spanish Literature & Culture
A3440200
GRADE PLACEMENT: 12
PREREQUISITE: Honors Spanish III
CREDIT: 1 UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEE: Textbook and other fees may apply
Includes a survey of Hispanic literature, reading of literary selections, and literary analysis.

WORLD LANGUAGE ALTERNATIVES

3920 Special Topics in Language & Culture
11410000
GRADE PLACEMENT: 10-12
PREREQUISITE: Level I credit in any World Language & Recommendation by ARD, 504, or Level I teacher
CREDIT: 1 UNIT
Students demonstrate novice level communication skills acquired in a World Language Level I course, develop a greater understanding of other cultures, make connections to other disciplines, draw comparisons between languages and cultures, and effectively engage in global communities. Students enhance their personal and public lives, and meet the career demands of the 21st century, by gaining insight into other world languages and cultures.

Dual Credit Opportunities
Students wishing to pursue world language through dual credit classes offered through Dallas College must be admitted to the college. These courses are taken at the student’s convenience outside of the regular school day. *Textbook and other fees may apply

Academic or Career-Technical Education Substitutions
Students receiving Special Education Services are permitted to use core subject or CTE courses that are not otherwise meeting graduation requirements as World Language Substitutions. This decision should be discussed and determined by an ARD Committee.
ATHLETICS, PHYSICAL EDUCATION & HEALTH

All students must complete 1 credit of Physical Education (PE) for graduation. Up to 4 PE credits are allowed towards meeting the state graduation requirements.

Students can earn PE credit through a variety of athletics, physical activity and special case offerings. No PE course may be taken twice for state credit.

All students must also complete ½ credit of Health for graduation.

Athletes wishing to compete at the collegiate level should be aware of NCAA rules regarding eligibility and possible scholarship opportunities. The link below is to the NCAA Eligibility Center – Guide for the College-Bound Student-Athlete.

Check with your head coach or college recruiter for more information specific to your sport or college/university.
PHYSICAL EDUCATION - PHYSICAL ACTIVITY

5594  Skill-Based Lifetime Activities - Aerobic Dance Focus
PES00056
GRADE PLACEMENT:  9-12
CREDIT:  1 UNIT
Aerobic movements involve large muscle groups used in continuous rhythmic activities. This course explores various forms of low impact aerobics, high impact aerobics, and modern and traditional dance.

5600  Lifetime Fitness & Wellness Pursuits
PES00051
GRADE PLACEMENT:  9-10
CREDIT:  1 UNIT
Analyzes the components of physical fitness and the relationship between physical fitness activities and stress. Students examine nutritional practices as related to their health and how to be a wise consumer as it relates to physical fitness equipment. The course includes a conditioning program based on an understanding of the physiological factors and changes involved in various exercises that incorporate muscular endurance, flexibility, and cardiovascular or cardio respiratory endurance.

5601  Skill-Based Lifetime Activities
PES00056
GRADE PLACEMENT:  9-12
CREDIT:  1 UNIT
Includes opportunities to improve skills for participation in lifetime physical activities. There will be opportunities to participate, learn rules and officiate in many lifetime activities and sports for the individual, pairs, and teams. This course cannot be taken if credit for 5597 Weightlifting (ITS) has been earned.

5597  Skill-Based Lifetime Activities - Weightlifting Focus
PES00056
GRADE PLACEMENT:  10-12
PREREQUISITE:  Coaches Approval
CREDIT:  1 UNIT
Provides students with the opportunity to gain insight into weight-training and lifting for healthy living. Technique and workout planning is emphasized. This course cannot be taken if credit for 5601 Individual and Team Sports (ITS) has been earned.

5604  Lifetime Recreation & Outdoor Pursuits
PES00053
GRADE PLACEMENT:  9-12
CREDIT:  1 UNIT
Develops competency in outdoor education activities that provide opportunities for enjoyment and challenge, ensuring fitness throughout the lifespan. This course includes aspects of trip planning, orienteering and wilderness survival skills, archery, first aid, conservation and environmental issues, outdoor cooking and camping, hunter and water safety, fishing and tackle crafts. Students will further engage in various outdoor lifetime fitness activities and games.

5610  Adapted PE
PES00052
GRADE PLACEMENT:  9-12
PREREQUISITE:  ARD Placement or Instructor Approval
Provides physical activity to meets the needs of students who have a physical problem or disability. Students work with an adaptive coach on skills and abilities to advance the health and physical activity done in everyday life.
PHYSICAL EDUCATION - SPECIAL CASES

5616  Pep Squad (Pre-Drill Team)
PES00056
GRADE PLACEMENT: 9-10
CREDIT: 1 UNIT (PE)
FEES: Performance Outfit fees may apply
Introduces basic drill team skills including kicks, splits, dances, routines, and team-building activities. Tryout procedures and requirements of drill team will be addressed. Commitments outside of the school day may be required.

Cheerleading
Provides students the opportunity to perform in numerous arenas including pep rallies, football-basketball-soccer games, wrestling matches, parades, competitions, spring show, and summer camp. Cheers, chants, jumps, pyramids, tumbling and conditioning will be performed. Opportunities to build school spirit, develop individual technique, and teamwork skills will be provided. Cheer level is based on the years of participation, not grade level.

Cheer I-IV is by audition only. Annual uniform and accessory fees apply.

5621  CHEER I (PE Substitution)
PES00013
GRADE PLACEMENT: 9-12
CREDIT: 1 UNIT (PE)

5622  CHEER II (SBLA-Aerobic Dance)
PES00056
GRADE PLACEMENT: 10-12
CREDIT: 1 UNIT (PE)

5623  CHEER III
85000618
GRADE PLACEMENT: 11-12
CREDIT: 1 UNIT (Local)

5613  Non-District Program PE Sub III
5614  Non-District Program PE Sub IV
Navy Junior Officer Training Corps (NJROTC)
These courses do not require a military commitment and are not recruitment training. Most expenses associated with activities and field trips are taken care of by the Navy, the school, or NJROTC fund-raising activities. NJROTC is only at CHS.

Introduces students to the importance of good citizenship, promotes patriotism, develops informed and responsible citizens, promotes habits of orderliness, precision and develops a high degree of personal honor, self-reliance, self-discipline, and leadership. These courses are also designed to provide incentives to live a healthy and drug-free lifestyle through physical fitness as well as promote high school completion while developing a respect for and understanding of the need for a constituted authority in a democratic society. Upper Levels continue to develop leadership and maritime related skills. Extensively looks at meteorology, navigation, world affairs and survival training. Extra-curricular activities include marksmanship programs, exhibition marching drill teams, ceremonial color guard and other sports and social events.

ROTC level is based on the years of participation, not grade level.

5895 ROTC I
03160100
GRADE:  9-12
CREDIT: 1 UNIT

5896 ROTC II
03160200
GRADE:  10-12

**VISUAL ARTS**

Evaluation of art work is a critical component of all Visual Art classes. Students registering for Visual Arts courses should expect either to pay a fee for the purchase of consumable media specific tools or will receive a list of consumable items to be purchased by the student and used in class.

**Art I**
3500100
Provides foundation for the art student who has had no previous art classes. Emphasizes the study of basic art concepts by introducing the importance of recognizing, understanding and using the art elements and principles of design in composition.

**2500 Art I Beginning**
GRADE PLACEMENT: 9-11
CREDIT: 1 UNIT

**2501 Art I Intermediate**
GRADE PLACEMENT: 9-10
PREREQUISITE: Middle School Teacher recommendation OR Portfolio Review by High School Teacher
CREDIT: 1 UNIT
Investigates the beginning art concepts and emphasizes the skill development and level of expectation at a faster pace than the regular Art I class.

**Applied/Developmental Fine Arts**
GRADE PLACEMENT: 9+
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT

**Advanced Art II-IV**
Advanced Levels of Visual Arts courses focus on specific art mediums including Ceramics, Drawing, Jewelry, Painting, and Sculpting. Not all mediums are taught at each campus. Students select which art medium they wish to study in depth. Year II expands the student’s experience with the art medium and introduces techniques and tools specific to that art. Years III and IV extend previous skills and provide opportunities for reflection, self-evaluation, explore personal style and insight. Sketch books and journals are required. Portfolios of the student’s body of work will be prepared to showcase their creations.

**2525 Art II - Ceramics**

Advanced Visual Arts – AP & Independent Study

AP Studio Art
GRADE PLACEMENT:  11-12
PREREQUISITE:  Art II (any medium), Portfolio Review of 6-8 original works and sketchbook, teacher recommendation
CREDIT:   1 UNIT
GPA: +9 on weighted GPA
AP Exam: Required
FEES: Textbook and other fees may apply

2515  AP Studio Art/Drawing Portfolio
A3500300
The drawing portfolio is designed to address a very broad interpretation of drawing issues which will be done through a variety of means: media and technique and style. The drawing portfolio stresses three concerns – quality, concentration, and breadth. A variety of approaches to representation, abstraction, and expression may be part of the student’s portfolio.

2556  AP Studio Art/3-D Design Portfolio
A3500500
The 3-D design portfolio is intended to address a broad interpretation of sculptural issues in depth and space. Such elements and concepts may be articulated through additive, subtractive and /or fabrication processes. Students are asked to demonstrate three concerns – quality, concentration, and breadth. Students present selected works they have done throughout the year for evaluation.

2542  AP Art History
A3500100
NO PREREQUISITES
Examines political, geographic and cultural influencing factors in Western & non-Western art. Provides a general survey of art history, including sculpture, architecture and painting. Emphasizes critiquing artwork through concrete written statements.

2510  Independent Study in Art
84500510
GRADE PLACEMENT:  11-12
PREREQUISITE:  Art I, Teacher Approval
CREDIT:   1 UNIT (Local)
Individualizes for the student with special interest in and proven aptitude for two and/or three-dimensional media. Emphasizes student’s special aptitude area and goals jointly written with the teacher. Allows for individual freedom in creative discoveries.
## PERFORMANCE ARTS

### Dance
3830100, 3830200, 3830300, 3830400
Year I introduces basic movement skills and an awareness of fundamental dance vocabulary in any or all of the following styles: aerobics, ballet, folk, modern, jazz and tap. Addresses the history of dance as an art form, choreography techniques, and performance skills. Years II-IV provide involvement with movement skills and dance vocabulary at the intermediate to advanced level and continued development in all areas previously covered. Improvisation, informal presentations, and critiquing will be explored. In addition to choreography and manipulation of body, space, force and time, Year IV will focus on production and performance skills.

All Dance class levels are based on years of participation, not grade or skill level. Year I of Dance, Folklorico and Dance Company can earn an additional PE credit if one is not already earned through athletics or a prior year of PE.

### Independent Study in Dance
GRADE PLACEMENT: 11-12  
PREREQUISITE: Instructor Approval  
CREDIT: 1 unit (Local)

Explores elements of teaching and choreography. This course is designed to further the dancer’s experience.

### Dance - Folklorico
3830100, 3830200, 3830300, 3830400
Teaches Folk dances of Mexico and other Latin American countries with performance of such dances as the indication of mastery. Students will also be expected to learn the history and traditions of the period of music taught.

Dance - Company
3830100, 3830200, 3830300, 3830400
PREREQUISITE: Audition each year
CREDIT: 1 UNIT
Affords these students the opportunity to develop their technique in a variety of genres more rapidly and more in depth. Designed to be a special ensemble class for the more advanced dancer. Students will be required to participate in dance performances. Dance attire and costumes will be required.

2400 DANCE COMPANY I
GRADE PLACEMENT: 9-12
CREDIT: 2 UNITS (1 FA, 1 PE)

2418 DANCE COMPANY II
GRADE PLACEMENT: 10-12
PREREQUISITE: Dance Company I

2419 DANCE COMPANY III
GRADE PLACEMENT: 11-12
PREREQUISITE: Dance Company II

2420 DANCE COMPANY IV
GRADE PLACEMENT: 12
PREREQUISITE: Dance Company III

Dance – Performance Ensemble
3833400, 3833500, 3833600
PREREQUISITE: Audition Only
CREDIT: 1 UNIT
This is an intense interdisciplinary program that combines performance elements such as dance, music, costume, and theatrical design with performance opportunities for small dance ensembles. Instruction covers methods of dance as well as performance enhancing strategies.

2411 Dance Performance Ensemble II
GRADE PLACEMENT: 10-12

2412 Dance Performance Ensemble III
GRADE PLACEMENT: 11-12

2414 Dance Performance Ensemble IV
GRADE PLACEMENT: 12

Dance – Drill Team
3830100, 3830200, 3830300, 3830400
PREREQUISITE: Audition Only
This ensemble performs at athletic and special events throughout the school year and participates in dance competitions in the spring semester. Summer clinics are required. Dancers must maintain eligibility to perform. Fees for uniforms, practice outfits, clinics, and other items are required. First year Drill Team members should be placed in 5625 regardless of Dance I credit previously earned.

5625 Dance – Drill Team I
GRADE PLACEMENT: 9-12
CREDIT: 1.5 UNITS (Fall PE, Full Year FA)

GRADE PLACEMENT: 12
CREDIT: 1 UNIT (FA Only)
Theatre
3250100, 3250100, 3250100, 3250100
All theatre courses require after school participation.
Year I introduces the basic components of theatre skills through which the student begins
to develop an appreciation of live theatre, the various performing arts, and a study of
plays. This introductory theatre course requires attendance of productions and minimal
after school rehearsal. Years 2-4 investigate further the world of acting and theatre
production. Character study and play analysis allow the Theatre student to explore
performing a role, development of creative skill and relating to other actors in a
meaningful way, with special emphasis on competitive work and department productions.
Advanced Theatre courses require attendance and participation in productions and
competitions.

Technical Theatre
3250500, 3250600, 3251100, 3251200
All technical theatre courses require after school participation.
Year I involves students in scenery construction, lighting, costumes, make-up, properties
and sound reinforcement for an actual theatre production. This introductory technical
theatre course requires attendance of productions. Years 2-4 explore the technical and
business aspects of the theatre and the application of these methods and procedures with
the major portion of class time spent on actual work on a production. These advanced
technical theatre courses encourage students to learn all aspects of technical production
and then concentrate on those skills which are of most interest to them. Students in Years
2-4 are required to attend productions, competitive activities and some after school
rehearsal.

PREREQUISITE: Instructor Approval
CREDIT: 1 UNIT

2877  Independent Study – Technical Theatre 85000827
GRADE PLACEMENT: 11-12
PREREQUISITE: Instructor Approval
CREDIT: 1 UNIT (Local)
Continues technical study for students who need more flexibility. Emphasizes continued development in all areas of technical theatre and allows students to focus independently in their areas of interest. Some production work and lab time are REQUIRED. Occasional substitution of major research and/or design work is possible by contract. Requires participation in production.

Theatre Production
3250700, 3250800, 3250900, 3251000
Practical experiences in performance and stagecraft are provided through the preparation and public performances of one or more plays/musicals. Theatre Production is designed for both the actor and the tech.

2880  Theatre Production I
2881  Theatre Production II
2882  Theatre Production III
2883  Theatre Production IV
MUSIC ARTS
A maintenance fee may be charged to students for the use of uniforms and school-owned instruments. Some activities may require personal expenses. The music director of the program will furnish specific details. All Music Arts courses require performances and rehearsals outside of the school day.

**Band – Marching/Ensemble**
3150100, 3150200, 3150300, 3150400
PREREQUISITE: Audition Only
CREDIT: 1.5 UNIT (1 FA for the full year, .5 PE for fall semester of Marching Band I & II only)
Students participate in both marching and formal performances throughout the school year. The various band ensembles reflect the degree of performance ability for the students involved. The marching season begins in August and continues through the end of football season. Marching band performances include football half-time shows, local parades, and one or more marching contests. Students also participate in several concerts each year and UIL Band Contest. They are encouraged to participate in Solo and Ensemble Contest, All-Region and All-State Tryouts. Band level is based on years of participation, not grade level.

Band – Stage/Jazz
3151300, 3151400, 3151500, 3151600
CREDIT: 1 UNIT
Audition and concurrent enrollment in Marching Band is required for this additional band course. Students wishing to play keyboard, guitar or bass guitar may audition and do not need to be in marching band. This unique ensemble seeks to explore different styles (Jazz, Latin, Rock, etc.) available to the Big Band setting. In addition to reading music, the students will work in the area of improvisation.

2721 Stage/Jazz Band I
GRADE PLACEMENT: 9-12

2722 Stage/Jazz Band II
GRADE PLACEMENT: 10-12

2723 Stage/Jazz Band III
GRADE PLACEMENT: 11-12

2724 Stage/Jazz Band IV
GRADE PLACEMENT: 12

Color Guard/Winter Guard
PREREQUISITE: Audition Only
CREDIT: 1.5 UNITS (1 FA for the full year, .5 PE for fall semester during Marching season I & II)
Membership in the Color Guard is open to all students in 9th through 12th grade through auditions held each spring. This group is a vital part of the band presentations through the use of extensive choreography, flags, and props. Members must be in high academic standing and display a strong sense of physical coordination. In addition, the group performs at various NTCA and WGI winter guard competitions each spring throughout the area and state. Students interested in Color Guard/Winter Guard should speak with the Band Director about which Marching/Ensemble to enroll in for their school.
Orchestra Ensemble
3150500, 3150600, 3150700, 3150800
PREREQUISITE: Audition Only
CREDIT: 1 UNIT
The orchestra courses offered to high school students are strings-only ensembles except upon director approval. Each ensemble emphasizes the continuing development of string techniques and quality tone production. Students are instructed in methods of evaluating quality performances. Participation in solos, ensembles and region tryouts are encouraged. Students participate in several concerts each year and UIL Concert and Sight-reading competitions. Orchestra level is based on years of participation, not grade level.

2761 Concert Orchestra I
GRADE PLACEMENT: 9-12

2762 Concert Orchestra II
GRADE PLACEMENT: 10-12

Choir Ensemble
3150900, 3151000, 3151100, 3151200
PREREQUISITE: Audition Only
CREDIT: 1 UNIT
Develops and appreciation of choral music and desirable vocal skills through the rehearsal and performance of a variety of styles of appropriate choral literature. Fundamentals of Music Theory will be emphasized through sight reading and rhythmic drill exercises. The choir will perform at concerts and/or choral competitions as deemed appropriate by the director. Advanced levels provide experiences for the vocal student who has proven to be able to exceed or excel in the areas of vocal technique, sight-reading, intervallic, and rhythmic analysis, while continuing to perform the most difficult music available for high school treble or mixed choirs. All vocal students are encouraged to participate in UIL Solo and Ensemble Contest and TMEA All-Region auditions. TMEA All-Region auditions may be required at the advanced levels. Choir level is based on years of participation, not grade level.

2804P Vocal Ensemble IV (for PE credit)
GRADE PLACEMENT: 12

Other Music Courses

Music Theory
PREREQUISITE: Instructor Approval
CREDIT: 1 UNIT
Broadens the knowledge of the more serious student of music in fundamentals with emphasis on related skills in ear training, sight-singing and keyboard harmony and composition.

2711 Music Theory I 03155400
2712 Music Theory II 03155500

2715 AP Music Theory
A3150200
GRADE PLACEMENT: 11-12
PREREQUISITE: Music Theory I
CREDIT: 1 UNIT GPA: +9 on weighted GPA
AP Exam: Required
FEES: Textbook and other fees may apply
Introduces musicianship, theory, musical materials and procedure. It integrates aspects of melody, harmony, texture, rhythm, form, musical analysis, elementary composition, and to some extent, history and style. The student’s ability to read and write musical notation is fundamental to such a course.
CAREER AND TECHNICAL EDUCATION (CTE)

CTE courses are designed to introduce, explore, and enhance student knowledge in a variety of post-secondary fields of work. Programs of Study align these CTE courses into sequences that prepare students with the knowledge and skills necessary for success in their chosen career. These sequences embed relevant, real world experiences and can culminate in an industry-based certification.

All students are encouraged to fulfill the remaining credits for graduation through a Program of Study. Completing a career pathway within a Program of Study can lead to an Endorsement in Arts & Humanities, Business & Industry, Public Services, or Science Technology Engineering & Mathematics (STEM).

Students can choose from the following Programs of Study in CFBISD.

8217  **Principle of Agriculture, Food and Natural Resources**  
13000200  
GRADE PLACEMENT:  9-12  
CREDIT:  1 UNIT  
Enhances the agricultural comprehension of young adults. Includes agricultural career development, leadership, communications and personal finances. This course also includes the overview of soil and plants, animals, and agricultural construction.

8218  **Livestock Production**  
13000300  
GRADE PLACEMENT:  10-12  
PREREQUISITE:  Principles of AFNR  
CREDIT:  1 UNIT  
Introduces the common veterinary skills and procedures used on livestock, anatomy of livestock, genetics and reproduction, and diseases that can affect all livestock animals.

8219  **Wildlife, Fisheries and Ecology Management**  
GRADE PLACEMENT:  9-12  
CREDIT:  1 UNIT  
This course examines the management of game and non-game wildlife species, fish, aquacrops and their ecological needs related to current agricultural practices.

8220  **Small Animal Management**  
13000400  
GRADE PLACEMENT:  9-12  
PREREQUISITE:  Principles of AFNR  
CREDIT:  1/2 UNIT  
Focuses on working in small animal industry, animal rights and welfare, career opportunity in small animal care. This course is recommended for those that have an interest in the Animal industry.

8221  **Equine Science**  
13000500  
GRADE PLACEMENT:  10-12  
PREREQUISITE:  Principles of AFNR  
CREDIT:  1/2 UNIT  
Develop knowledge and skills pertaining to the selection, nutrition, reproduction, health, and management of horses. This course is recommended for those that have an interest in the Animal Industry.

8222L  **Veterinary Medical Applications**  
13000610  
GRADE PLACEMENT:  11-12  
PREREQUISITE:  8220, 8221, or 8218  
CREDIT:  2 UNITS  
Develop and expand the knowledge, techniques and skills pertaining to Veterinary Technical Assistant area. This course is designed as a laboratory-oriented course that allows students hands-on experience within the area of diagnostic testing, client records, employer/employee relationship, and techniques used in surgical practices.

8223  **Advanced Animal Science**  
13000700  
GRADE PLACEMENT:  12  
PREREQUISITE:  Algebra I, Geometry, Biology, IPC/Chem and 8220, 8221 or 8218  
CREDIT:  1 UNIT  
Develop and investigate the scientific and technological dimensions of scientific animal agriculture, genetics and reproduction, anatomy and physiology of various livestock species, nutritional requirements, and disease and parasites of livestock. This class is recommended for those students with an interest in the Animal Industry. This course counts as a 4th science credit.
8224  Agriculture Mechanics and Metal Technologies  13002200
GRADE PLACEMENT:  10-12
PREREQUISITE:  8217
CREDIT:  1 UNIT
The course develops an understanding of safety and skill in tool operation, electrical wiring, plumbing, carpentry, fencing, concrete, and metal working techniques.

8225  Practicum in AFNR  13002500
GRADE PLACEMENT:  12
PREREQUISITE:  8222
CREDIT:  2 UNITS
Provides students with a non-paid internship arrangement between the high school and agriculture industry. It provides juniors and seniors with a professional internship experience. Students recognize the value of effective work ethics and attitudes and develop communications and problem-solving skills.

8226  Floral Design  13001800
GRADE PLACEMENT:  9-11
CREDIT:  1 UNIT
Develops students' ability to identify and demonstrate the principles and techniques related to floral design as well as develop an understanding of the management of floral enterprises. Through the analysis of artistic floral styles and historical periods, students will develop respect for the traditions and contributions of diverse cultures. Students will respond to and analyze floral designs, thus contributing to the development of lifelong skills of making informed judgments and evaluations. This course satisfies the fine arts graduation requirement.

8337  Advanced Floral Design  1300270
GRADE PLACEMENT:  9-11
CREDIT:  1 UNIT
This Advanced Floral course focuses on building advanced skills in floral design and providing students with a thorough understanding of the design elements and planning techniques used to produce unique specialty floral designs that support the goals and objectives of a specific occasion or event.
ARCHITECTURE AND CONSTRUCTION

CONSTRUCTION MANAGEMENT AND INSPECTION
Industry Certifications: NCEER Core Curriculum, OSHA 30Hr Construction

ARCHITECTURAL DESIGN
Industry Certifications: Autodesk Certified Professional

8241  Principles of Architecture
13004210
GRADE PLACEMENT:  9-12
CREDIT:  1 UNIT
Introduces students to the basic knowledge and skills related to the career opportunities and training and training in the architecture field.

8242  Principles of Construction
13004220
GRADE PLACEMENT:  9-12
CREDIT:  1 UNIT
Introduces students to the basic knowledge and skills related to the career opportunities and training in the architecture and construction fields. Construction, math, safety, hand power tools, communication skills, employability skills, material handling and construction drawings are included.

8243  Architectural Design I
13004600
GRADE PLACEMENT:  10-12
PREREQUISITE:  Alg I, Eng I
CREDIT:  1 UNIT
Students gain knowledge and skills specific to those needed to enter a career in architecture or prepare a foundation toward a postsecondary degree in architecture, construction science, drafting, interior design and landscape architecture. Architectural Design includes the design, design history, techniques, and tools related to the production of drawings, renderings and scale models for residential architectural purposes.

8307  Architectural Design II
13004700
GRADE PLACEMENT:  10-12
PREREQUISITE:  8243
CREDIT:  1 UNIT
Students will learn advanced knowledge of the design, design history, techniques, and tools related to the production of drawings, renderings, and scaled models for nonresidential or residential architectural purposes.

BUILDING MAINTENANCE TECHNOLOGY
GRADE PLACEMENT:  10-12
CREDIT:  2 UNITS
Students gain knowledge and skills related to various careers in the construction trade. They acquire knowledge in areas such as; safety, measuring, laying-out, hand tools/power tools, and assembling. Students will participate in hands-on lab activities, such as blueprint reading, framing, and roofing. Year II students will be expected to participate at a high level in hands-on lab activities related to the construction trades.

8245  Building Maintenance Tech I
13005400

8246  Building Maintenance Tech II
13005500
8304  **Electrical Technology I**  
13005600  
GRADE PLACEMENT: 10-12  
PREREQUISITE: 8241 or 8242  
CREDIT: 1 UNIT  
Gain knowledge and skills needed to enter the workforce as an electrician or building maintenance supervisor, prepare for a postsecondary degree in a specified field of construction or construction management, or pursue an approved apprenticeship program. Students will acquire knowledge and skills in safety, electrical theory, tools, codes, installation of electrical equipment, and the reading of electrical drawings, schematics, and specifications.

8240  **Construction Management I**  
13004900  
GRADE PLACEMENT: 10-12  
PREREQUISITE: 8241 or 8242  
CREDIT: 2 UNITS  
Construction Management includes the knowledge of design techniques and tools related to the management of architectural and engineering projects. Students will gain knowledge and skills to enter the workforce as apprentice carpenters or building maintenance supervisors’ assistants or to build a foundation toward a postsecondary degree in architecture, construction science, drafting, or engineering. Year II students will be able to enter the workforce as carpenters, building maintenance technicians, or supervisors.

8305  **Construction Management II**  
13005000  
GRADE PLACEMENT: 11-12  
PREREQUISITE: 8240  
CREDIT: 2 UNITS  
Continued growth in understanding of knowledge of design techniques and tools related to the management of architectural and engineering projects. Apprenticeships are encouraged.

8247  **Practicum in Construction Management**  
13006200  
GRADE PLACEMENT: 12  
PREREQUISITE: 8246  
CREDIT: 2 UNITS  
Designed to provide classroom technical instruction and on-the-job training experiences. Safety and career opportunities are included in addition to work ethics and job-related study in the classroom.

8400  **Civil Engineering and Architecture**  
N1303747  
GRADE PLACEMENT: 10-12  
CREDIT: 1 UNIT  
Introduces important aspects of building and site design and development. They apply math, science, and standard engineering practices to design both residential and commercial projects and document their work using 3D architectural design software.

**HVAC and REFRIGERATION TECHNOLOGY**  
These courses allow students to gain knowledge and skills needed to enter the industry as technicians in the HVAC and refrigeration industry or building maintenance industry, prepare for a postsecondary degree in a specified field of construction management, or pursue an approved apprenticeship program. Students will acquire knowledge and skills in safety, principles of HVAC theory, use of tools, codes, and installation of HVAC and refrigeration equipment.

8302  **HVAC & Refrigeration Tech I**  
13005800  
GRADE PLACEMENT: 10-12  
CREDIT: 1 UNIT  

8303  **HVAC & Refrigeration Tech II**  
13005900  
GRADE PLACEMENT: 11-12  
CREDIT: 2 UNITS
8244 Interior Design I
N1303747
GRADE PLACEMENT: 10-12
PREREQUISITE: 8241, 8142, or 8143
CREDIT: 1 UNIT
A technical course that addresses psychological, physiological, and sociological needs of individuals by enhancing the environments in which they live and work. Students will use knowledge and skills related to interior and exterior environments, construction, and furnishings to make wise consumer decisions, increase productivity, promote sustainability, and compete in industry.
ARTS, A/V TECHNOLOGY AND COMMUNICATION

DESIGN AND MULTIMEDIA COMMUNICATIONS
Industry Certifications: Adobe Certified Associate, Adobe Certified Expert, Apple Logic Pro X

DIGITAL COMMUNICATIONS
Industry Certifications: Adobe Certified Associate and Expert, Apple Logic Pro X, Apple Final Cut

8174 Digital Media
13027800
GRADE PLACEMENT: 9-12
CREDIT: 1 UNIT
Students demonstrate creative thinking, develop innovative strategies, and use communication tools in order to work effectively with others as well as independently. Students will gather information electronically, which will allow for problem solving and making informed decisions regarding media projects. Students will learn digital citizenship by researching current laws and regulations and by practicing integrity and respect.

8290 Video Game Design
13009970
GRADE PLACEMENT: 9-12
PREREQUISITE: Principles of AAVTC
CREDIT: 1 UNIT
Students will learn gaming, computerized gaming, evolution of gaming, artistic aspects of perspective, design, animation, technical concepts of collision theory, and programming logic. Students will participate in a simulation of a real video game design team while developing technical proficiency in constructing an original game design.

8291 Principles of Arts, A/V Technology and Communications
13008200
GRADE PLACEMENT: 9-11
CREDIT: 1 UNIT
Introduces students to careers in the AAVTC career cluster. Students will be expected to develop an understanding of the various and multifaceted career opportunities in this cluster and the knowledge, skills, and educational requirements for those opportunities.

8292 Animation I
13008300
GRADE PLACEMENT: 10-12
PREREQUISITE: Principles of AAVTC
CREDIT: 1 UNIT
Careers in animation span all aspects of motion graphics. Within this context, students will be expected to develop an understanding of the history and techniques of the animation industry.

8293 Audio/Video Production I
13008500
GRADE PLACEMENT: 10-12
PREREQUISITE: Principles of AAVTC
CREDIT: 1 UNIT
Develop technical knowledge and skills needed for success in the AAVTC career cluster. Students will be expected to develop an understanding of the industry with a focus on pre-production, production, and post-production audio and video activities.

8294 Prac in Arts, A/V Tech and Comm
13008700
GRADE PLACEMENT: 12
PREREQUISITE: A/V Production or Graphic Design & Illustration
CREDIT: 2 UNITS
Students will be expected to develop an increasing understanding of the industry with a focus on applying pre-production, production, and post-production audio and video activities in a studio environment. This course may be implemented in an advanced audio, video, or animation format. Instruction may be delivered through lab-based classroom experiences or career preparation opportunities.
GRAPHIC DESIGN & ILLUSTRATION
GRADE PLACEMENT:  9-12
CREDIT:    1 UNIT
Careers in graphic design and illustration span all aspects of the advertising and visual communication industries. Within this context, students will be expected to develop an understanding of the industry with a focus on fundamental elements and principles of visual art and design. In Year II, students will be expected to develop an advanced understanding of the industry with a focus on mastery of content knowledge and skills.

Some Graphic Design and Illustration student projects may include working on the campus yearbook photography, layout, edits, and stories.

8295  Graphic Design and Illustration I
13008800

8296  Graphic Design and Illustration II
13008900

COMMERCIAL PHOTOGRAPHY
GRADE PLACEMENT:  10-12
CREDIT:    1 UNIT
Careers in commercial photography require skills that span all aspects of the industry from setting up a shot to delivering products in a competitive market. Students will develop an understanding of the commercial photography industry with a focus on creating quality photographs and pursuing a professional career in photography.

8297  Commercial Photography I
13009100

8298  Commercial Photography II
13009200

8309  Practicum in Commercial Photography
13009250  (2 UNITS)

FASHION DESIGN
Fashion Design focuses on all aspects of the fashion, textile and apparel industries. Students will be exposed to the apparel production process from design concept to finished product. Students will be expected to develop an understanding of the fashion industry with an emphasis on design, care, maintenance and construction.

8299  Fashion Design I
13009300
GRADE PLACEMENT:  10-12
CREDIT:    1 UNIT

8301  Fashion Design II
13009300
GRADE PLACEMENT:  11-12
PREREQUISITE:  8299
CREDIT:    1 UNIT

8214  Introduction to Cosmetology
13025100
GRADE PLACEMENT:  9-10
PREREQUISITE: Only at RLT
CREDIT:    1 UNIT
Provides students with introductory theory needed to achieve their Texas Cosmetology License. This curriculum has been designed in compliance with the rules of the Texas Department of Licensing and Regulation and Public Secondary Programs for High School Students. Students are required to fill out an application and upon acceptance, purchase a $25 student permit from TDLR (Non-Refundable). Students must clock a minimum of 150 hours during this year to progress to Cosmetology I. Concurrent students are welcome but are required to transfer to R.L. Turner High School to complete Cosmetology 1 and Cosmetology 2 in order to finish the program.
**8215L Cosmetology I & Lab**

13025200  
GRADE PLACEMENT: 10-11  
PREREQUISITE: 8214  
CREDIT: 3 UNITS  
Provides students with hands on education through a sequential set of learning steps that address specific tasks necessary for state board preparation, graduation and entry level job skills. Each student is required to purchase a Cosmetology kit (Non-Refundable) and wear a uniform prior to the start of the school year. This kit will be used over the remaining two years students are in the program. Students must clock a minimum of 600 hours to advance.

**8216L Cosmetology II & Lab**

13025300  
GRADE PLACEMENT: 11-12  
PREREQUISITE: 8215  
CREDIT: 3 UNITS  
Continues to grow the knowledge, skills, and training needed to succeed in the cosmetology profession. Each student will receive instruction that relates to the performance of useful, creative and productive career-oriented activities that will prepare them to service outside clientele. This course requires students to pass their core courses for graduation (English, science, math, etc.) and clock 1,000 hours in the cosmetology classroom in order to take their Cosmetology exams for licensure. Taking the written exam is mandatory and will be part of the final grade, prior to graduation.
BIOLOGICAL SCIENCE

BIOLOGY

13011600

Grade Placement: 9-12
Credit: 1 UNIT

Stresses the structure and function of living things, the evolution of species, and the interactions among organisms and their environments. Students analyze biological processes at the molecular, cellular, organ, and ecosystem levels.
8265  Business Law
13011700
GRADE PLACEMENT:  11-12
CREDIT:   1 UNIT
Business Law is designed for students to analyze various aspects of the legal environment, including ethics, the judicial system, contracts, personal property, sales, negotiable instruments, agency and employment, business organization, risk management, and real property.

8266  Global Business
13011800
GRADE PLACEMENT:  10-12
CREDIT:   ½ UNIT
Designed for students to analyze global trade theories, international monetary systems, trade policies, politics, and laws relating to global business as well as cultural issues, logistics, and international human resource management.

8267  Human Resource Management
13011900
GRADE PLACEMENT:  11-12
CREDIT:   ½ UNIT
Designed to familiarize students with the concepts related to human resource management. Students also become familiar with compensation and benefits programs as well as workplace safety, employee-management relations, and global impacts on human resources.

8268  Virtual Business
13012000
GRADE PLACEMENT:  11-12
PREREQUISITE:  BIM I Recommended
CREDIT:   ½ UNIT
Students identify steps needed to locate customers, set fees and develop client contracts, provide administrative, creative, and technical services using advanced technological modes of communication and data delivery.

8269  Business Management
13012100
GRADE PLACEMENT:  10-12
CREDIT:   1 UNIT
Students develop a foundation in the economic, financial, technological, international, social and ethical aspects of business to become competent managers, employees, and entrepreneurs. Students incorporate a broad range of knowledge that includes legal, managerial, marketing, financial, ethical and international dimensions of business to make appropriate management decisions.

8278 Retail Management
N1303420
GRADE PLACEMENT:  10-12
CREDIT:   1 UNIT
This course focuses on the distribution and selling of products to consumers using various vending points such as chain stores, department stores, stand-alone stores, and various online markets. The course highlights the everyday mechanisms necessary to operate a successful retail establishment. The student is taught to evaluate methods for promoting merchandise, supervising employees, handling customer needs, and maintaining inventories.

8280  Banking and Financial Services
13016300
GRADE PLACEMENT:  10-12
PREREQUISITE:  Principles of BMF
CREDIT:   ½ UNIT
Students develop knowledge and skills in the economic, financial, technological, international, social, and ethical aspects of banking to become competent consumers, employees, and entrepreneurs. Students incorporate a broad base of knowledge that includes the operations, sales, and management of banking institutions to gain a complete understanding of how banks function within society.
ACCOUNTING
GRADE PLACEMENT: 10-12
CREDIT: 1 UNIT
Students will investigate the field of accounting, including how it is impacted by industry standards as well as economic, financial, technological, international, social, legal, and ethical factors. Students will reflect on this knowledge as they engage in the process of recording, classifying, summarizing, analyzing, and communicating accounting information. Students will formulate and interpret financial information for use in management decision making. Year II students will formulate, interpret, and communicate financial information for use in management decision making. Students will use equations, graphical representations, accounting tools, spreadsheet software, and accounting systems in real-world situations to maintain, monitor, control, and plan the use of financial resources.

8281 Accounting I 13016600
8282 Accounting II 13016700

8283 Social Media Marketing
13034650
GRADE PLACEMENT: 9-12
CREDIT: ½ UNIT
Designed to look at the rise of social media and how marketers are integrating social media tools in their overall marketing strategy. The course will investigate how the marketing community measures success in the new world of social media. Students will manage a successful social media presence for an organization, understand techniques for gaining customer and consumer buy-in to achieve marketing goals, and properly select social media platforms to engage consumers and monitor and measure the results of these efforts.

8285 Fashion Marketing
13034300
GRADE PLACEMENT: 9-12
CREDIT: ½ UNIT
Designed to provide students with knowledge of the various business functions specific to the fashion industry. Students in Fashion Marketing will gain a working knowledge of promotion, textiles, merchandising, mathematics, selling, visual merchandising, and career opportunities.

8284 Advertising
13034200
GRADE PLACEMENT: 10-12
CREDIT: ½ UNIT
Students will discover the goals and objectives of various types of advertising and promotion identify and analyze advertisements and promotional campaigns, select media and develop advertisements. Students will learn about the different types of advertising media, measure the effectiveness of that media and determine the costs involved. Students will learn about the promotional mix and well as the importance of public relations.

ENTREPRENEURSHIP
GRADE PLACEMENT: 10-12
CREDIT: 1 UNIT
In Entrepreneurship, students will gain the knowledge and skills needed to become an entrepreneur. Students will learn the principles necessary to begin and operate a business. The primary focus of the course is to help students understand the process of analyzing a business opportunity, preparing a business plan, determining feasibility of an idea using research, and developing a plan to organize and promote the business and its products and services. In addition, students will understand the capital required, the return on investment desired, and the potential for profit.

8286 Entrepreneurship I 13034400
8425 Entrepreneurship II N1303423

8287 Sports & Entertainment Marketing
13034650
GRADE PLACEMENT: 9-12
CREDIT: 1/2 UNIT
Sports and Entertainment Marketing will provide students with a thorough understanding of the marketing concepts and theories that apply to sports and entertainment. The areas this course will cover include basic marketing concepts, publicity, sponsorship, endorsements, licensing, branding, event marketing, promotions, and sports and entertainment marketing strategies.

8288 Advanced Marketing
13034700
GRADE PLACEMENT: 11-12
PREREQUISITE: any Marketing course
CREDIT: 2 UNITS
Students will gain knowledge and skills that help them become proficient in one or more of the marketing functional areas. Students will illustrate appropriate management and research skills to solve problems related to marketing. This course covers technology, communication, and customer-service skills.

8227 Project-Based Research
12701500
GRADE PLACEMENT: 11-12
CREDIT: 1 UNIT
Students will research a real-world problem; they are matched with a mentor from the business or professional community to develop an original project on a topic related to career interests. Students use scientific methods of investigation to conduct in-depth research, compile findings, and present their findings to an audience that includes experts in the field.

GRADE PLACEMENT: 11-12
TAKEN WITH: 8229, 8230, 8270, or 8271
CREDIT: 0 UNITS
These courses must be taken concurrently with a Practicum or Career Preparation Course and may not be taken as a stand-alone course. It does not earn credits of any type toward graduation. Work Experience is designed as an opportunity for students to have an early arrival time at their chosen work-based learning experience. It is not a requirement to have out periods.

9916 Work Experience I – Out Period
9917 Work Experience II – Out Period
EDUCATION AND TRAINING

Teaching and Training
Industry Certifications: TEA Educational Aide

8273  Principles of Education & Training
13014200
GRADE PLACEMENT:  9-12
CREDIT:  1 UNIT
Introduces learners to the various careers available within the education and training career cluster. Students use self-knowledge and educational and career information to analyze various careers within the education and training career cluster. Students will also gain an understanding of the basic knowledge and skills essential to careers within the education and training career cluster. Students will develop a graduation plan that leads to a specific career choice in the student’s interest area.

8274  Human Growth and Development
13014300
GRADE PLACEMENT:  10-12
CREDIT:  1 UNIT
Examine human development across the life span with emphasis upon research, theoretical perspectives, and common physical, cognitive, emotional, and social developmental milestones. The course covers material that is generally taught in a postsecondary, one-semester introductory course in developmental psychology or human development.

8275  Instructional Practices
13014400
GRADE PLACEMENT:  11-12
CREDIT:  2 UNITS
A field-based internship that provides students with background knowledge of child and adolescent development as well as principles of effective teaching practices. Students will work under the joint direction and supervision of a teacher who has expertise in the areas of child development and educational methodology and an exemplary educator who is working in an instruction role in an elementary/middle/high school setting. Students will learn to plan and direct individualized instruction and group activities, prepare instructional materials, develop materials for educational environments, assist with record keeping, and complete other responsibilities of teachers.

8276  Practicum in Education & Training
13014500
GRADE PLACEMENT:  12
PREREQUISITE:  8275
CREDIT:  2 UNITS
Work under the joint direction and supervision of both a teacher with knowledge of early childhood, middle childhood, and adolescence education and exemplary educators in direct instructional roles with elementary-, middle school-, and high school-aged students. Students learn to plan and direct individualized instruction and group activities, prepare instructional materials, assist with record keeping, make physical arrangements, and complete other responsibilities of classroom teachers, trainers, paraprofessionals, or other educational personnel.
HEALTH SCIENCE

Healthcare Diagnostics
Industry Certifications: EKG/ECG Technician, Medical Laboratory Technician, Phlebotomy Technician

Emergency Medical Technician
Industry Certifications: Phlebotomy Technician

Exercise Science & Wellness
Industry Certifications: Certified Personal Trainer

6637 Anatomy & Physiology
13020600
GRADE PLACEMENT: 11-12
PREREQUISITE: Biology and Chemistry
CREDIT: 1 UNIT
NOTE: Can be 4th year of Science
Extends understanding of the structure and function of the human body. Students explore physiological systems and associated pathologies. Higher order thinking is stressed through assessment and synthesis of the anatomical knowledge combined with exposure to clinical analysis. Principles of physiology will be applied to human health and well-being.

8232 Principles of Health Science
13020200
GRADE PLACEMENT: 9
CREDIT: 1 UNIT
Provides an overview of the therapeutic, diagnostic, health informatics, support services, and biotechnology research and development systems of the health care industry.

8233 Health Science Theory
13020400
GRADE PLACEMENT: 10
PREREQUISITE: 8232
CREDIT: 1 UNIT
NOTE: May count as Health credit (must complete the entire course)
Provides for the development of advanced knowledge and skills related to a wide variety of health careers. Students will have hands-on experiences for continued knowledge and skill development. The course may be taught by different methodologies such as clinical rotation and career preparation learning.

8233C Health Science Clinical
13020410
GRADE PLACEMENT: 10
TAKEN WITH: 8233
CREDIT: 1 UNIT
This course must be taken concurrently with the Health Science Theory and may not be taken as a stand-alone course.

PRACTICUM IN HEALTH SCIENCE
13020500
GRADE PLACEMENT: 12
TAKEN WITH: 8234, 8235 or 8236
CREDIT: 2 UNITS
EXTENDED CREDIT: 1 UNIT
Designed to give students practical application of previously studied knowledge and skills. Practicum experience will include skills lab and practical experience. Students will prepare for and take the certification exam at the end of the course. Extended course work must be taken concurrently with Practicum in Health Science and may not be taken as a stand-alone course.

8234 Prac in Hlth Sci (CNA)
8235 Prac in Hlth Sci (Pharm Tech)
8236 Prac in Hlth Sci (Hospital Rotations)

8236E Extended Prac in Health Science
13020505
TAKEN WITH: 8234, 8235 or 8236
**8237D Emergency Med Tech - Basic**  
N1303015  
GRADE PLACEMENT: 12  
PREREQUISITE: Biology, Chemistry, 8232 and 8233  
CREDIT: 2 UNITS  
Dual Credit course  
This course is designed to give students practical application of previously studied knowledge and skills. Practicum experiences will be arranged by the instructor. This course is available for college credit for students completing the requirements. Students will be prepared and will take the certification exam for EMT Basic at the end of the course.

**8420 Principles of Exercise Science & Wellness**  
N1302107  
GRADE PLACEMENT: 9-12  
CREDIT: 1 UNIT  
Designed to provide for the development of knowledge and skills in fields that assist patients with maintaining physical, mental, and emotional health. Students in this course will understand diet and exercise, as well as techniques to help patients recover from injury, illness, and disease. They will also learn about introductory health science topics such as employability skills, lifespan development, and ethical and legal standards.

**8421 Kinesiology I**  
N1302104  
GRADE PLACEMENT: 9-12  
CREDIT: 1 UNIT  
Introduces students to the basic concepts of kinesiology. Students will gain an understanding of body mechanics, physiological functions of muscles and movements, the history of kinesiology, and the psychological impact of sports and athletic performance.
HOSPITALITY AND TOURISM

Culinary Arts
Industry Certifications: Certified Fundamentals or Pasty Cook, ServSafe Manager

Lodging and Resort Management
Industry Certifications: Entrepreneurship and Small Business, Certified Assoc in Project Management

8200 Principles of Hospitality and Tourism
13022200
GRADE PLACEMENT: 9-12
CREDIT: 1 UNIT
Principles of Hospitality and Tourism introduces students to an industry that encompasses lodging, travel and tourism, recreation, amusements, attractions, and food/beverage operations. Students learn knowledge and skills focusing on communication, time management, and customer service that meet industry standards.

8201 Introduction to Culinary Arts
13022550
GRADE PLACEMENT: 10-12
CREDIT: 1 UNIT
Emphasizes the principles of planning, organizing, staffing, directing, and controlling the management of a variety of food service operations. Students will gain insight into the operation of a well-run commercial kitchen. It is offered as a classroom-based course for students interested in pursuing a career in the food service industry.

8202 Culinary Arts
13022600
GRADE PLACEMENT: 11-12
PREREQUISITE: 8200 OR 8201
CREDIT: 2 UNITS
Culinary Arts begins with the fundamentals and principles of the art of cooking and the science of baking and includes management and production skills and techniques. Students can pursue a national sanitation certification or other appropriate industry certifications.

8203 Advanced Culinary Arts
13022650
GRADE PLACEMENT: 12
PREREQUISITE: 8202
CREDIT: 2 UNITS
Advanced Culinary Arts will extend content and enhance skills introduced in Culinary Arts by in-depth instruction of industry-driven standards in order to prepare students for success in higher education, certifications, and/or immediate employment.

8196 Hotel Management
13022300
GRADE PLACEMENT: 9-12
PREREQUISITE: 3 YEARS OF SCIENCE
CREDIT: 1 UNIT
Focuses on the knowledge and skills needed to pursue staff and management positions available in the hotel industry. This in-depth study of the lodging industry includes departments within a hotel such as front desk, food and beverage, housekeeping, maintenance, human resources, and accounting.

8197 Travel and Tourism Management
13022500
GRADE PLACEMENT: 9-12
CREDIT: 1 UNIT
Incorporates management principles and procedures of the travel and tourism industry as well as destination geography, airlines, international travel, cruising, travel by rail, lodging, recreation, amusements, attractions, and resorts.
**8198  Hospitality Services**
13022800
GRADE PLACEMENT:  11-12
CREDIT:    2 UNIT
Provides students with the academic and technical preparation to pursue high-demand and high-skill careers in hospitality related industries.

**8335  Intro to Event and Meeting Planning**
N1302269
GRADE PLACEMENT:  10-12
CREDIT:    1 UNIT
Introduces students to the concepts and topics necessary for the comprehensive understanding of the fundamentals of the meetings, conventions, events, and exposition industries. The course will review the roles of the organizations and people involved in the businesses that comprise the Meetings, Events, Expositions and Convention (MEEC) industry.

**8336  Tourism Marketing Concepts and Applications**  N1302270
GRADE PLACEMENT:  10-12
CREDIT:    1 UNIT
Provide students with a thorough understanding of marketing concepts and theories that apply to the travel and tourism industry to include lodging, food and beverage operations, recreation, amusements, attractions, convention and visitors’ bureaus and tourism companies. While general concepts of marketing for travel and tourism are similar to the marketing of other products and services, the travel and tourism industry has unique characteristics that create a variety of challenges and opportunities specific to and important for tourism marketing professionals. Students will learn broad tourism marketing concepts such as understanding a product/service, pricing out a product/service, promoting a product/service with a focus on direct sales and the placement or distribution channels for a product. They will also be introduced to the concepts of markets, market segmentation, and customer needs related to the tourism industry.

**PRACTICUM**
GRADE PLACEMENT:  12
PREREQUISITE:   8202, Teacher Approval
CREDIT:    2 UNITS
EXTENDED CREDIT: 1 UNIT
Provides occupationally specific opportunities for students to participate in a learning experience that combines classroom instruction with actual business and industry career experiences in the hotel/service industry. Students will be placed in internship positions at hotels via local hotel associations. **Extended** course work must be taken concurrently with Practicum in Hospitality Services and may not be taken as a stand-alone course.

**8204  Practicum in Hospitality Services**
13022900

**8204E  Extended Prac in Hospitality Serv**
1322905
TAKEN WITH: 8204
HUMAN SERVICES

Family and Community Services
Industry Certifications: Community Health Worker, Certified Assoc in Project Management

Cosmetology
Industry Certifications: (after HS) Cosmetologist Licensure

**8206  Principles of Human Services**
13024200
GRADE PLACEMENT:  9-12
CREDIT:  1 UNIT
Enables students to investigate careers in the human services career cluster, including counseling and mental health, early childhood development, family and community, personal care services and consumer services. Each student is expected to complete the knowledge and skills essential for success in high-skill, high-wage, or high-demand human services careers in this laboratory course.

**8207  Dollars and Sense**
13024300
GRADE PLACEMENT:  11-12
CREDIT:  ½ UNIT
Focuses on consumer practices and responsibilities, money-management processes, decision-making skills, impact of technology, and preparation for human services careers.

**8208  Interpersonal Studies**
13024400
GRADE PLACEMENT:  9-12
CREDIT:  ½ UNIT
Examines how the relationships between individuals and among family members significantly affect the quality of life. Students use knowledge and skills in family studies and human development to enhance personal development, foster quality relationships, promote wellness of family members, manage multiple adult roles, and pursue careers related to counseling and mental health services.

**8209  Lifetime Nutrition and Wellness**
13024500
GRADE PLACEMENT:  10-12
CREDIT:  ½ UNIT
Allows students to use principles of lifetime wellness and nutrition to help them make informed choices that promote wellness as well as pursue careers related to hospitality and tourism, education and training, human services, and health sciences.

**8210  Child Development**
13024700
GRADE PLACEMENT:  10-12
CREDIT:  1 UNIT
Addresses knowledge and skills related to child growth and development from prenatal through school-age children, equipping students with child development skills. Students use these skills to promote the well-being and healthy development of children and investigate careers related to the care and education of children.

**8212  Family and Community Services**
13024900
GRADE PLACEMENT:  11-12
CREDIT:  1 UNIT
Involves students in realistic and meaningful community-based activities through direct service or service-learning experiences. Students are provided opportunities to interact with and provide services to individuals, families, and the community through community or volunteer services. Emphasis is placed on developing and enhancing organizational and leadership skills and characteristics.
This course provides background knowledge and occupation-specific training that focuses on the development of consumer services, early childhood development and services, counseling and mental health services, and family and community-services careers. It is designed to meet the occupational preparation needs and interests of students and should be based upon the knowledge and skills selected from two or more courses in a coherent sequence in the Human Services Cluster. Extended course work must be taken concurrently with Practicum in Human Services and may not be taken as a stand-alone course.

8213 Practicum in Human Services I 13025000
8213E Extended Prac in Human Serv I 13025005 TAKEN WITH: 8213
8213S Practicum in Human Services II 13025010

INFORMATION TECHNOLOGY

Networking Systems
Industry Certifications: Oracle Assoc Java, Oracle Database Assoc, Cisco CENT

Information Technology Support and Services
Industry Certifications: Windows OS Fundamentals, ERSI ArcGIS Desktop Entry, CompTIA A+ & IT Fund

Web Development
Industry Certifications: Oracle Assoc Java, WD Web Design Cert, MS Technology Assoc

8171 Principles of Info Technology
13027200
GRADE PLACEMENT: 9-12
CREDIT: 1 UNIT
Develop computer literacy skills to adapt to emerging technologies used in the global marketplace. Students implement personal and interpersonal skills to prepare for a rapidly evolving workplace environment. Students enhance reading, writing, computing, communication, and reasoning skills and apply them to the information technology environment.

Computer Maintenance
GRADE PLACEMENT: 10-12
PREREQUISITE: 8171
CREDIT: 1 UNIT
Students will acquire knowledge of computer maintenance and creating appropriate documentation, analyze the social responsibility of business and industry regarding the significant issues relating to the environment, ethics, health, safety, and diversity in society and in the workplace as related to computer maintenance.

8177 Computer Maintenance
13027300

8177L Computer Maintenance Lab
13027310
TAKEN WITH: 8177

8178 Networking
13027400
GRADE PLACEMENT: 10-12
PREREQUISITE: 8717 and 8177
CREDIT: 1 UNIT
Students will develop knowledge of the concepts and skills related to data networking technologies and practices in order to apply them to personal or career development. To prepare for success, students will have opportunities to reinforce, apply, and transfer knowledge and skills to a variety of settings and problems.

8310 Internetworking Technologies I
N1302803
GRADE PLACEMENT: 10-12
CREDIT: 1 UNIT
Comprised of the courses called Cisco CCNA R&S: Introduction to Networks (CCNA I) and Cisco CCNA R&S: Routing and Switching Essentials (CCNA II). The Introduction to Networks course introduces the concept of networking, using various analogies to help the student understand the movement of packets throughout the Internet, and the protocol standards used. The Routing and Switching course moves the student into the theory of “moving packets.” The concepts of routing and switching “packets” to the correct destination is covered, and how a network administrator can direct and/or streamline this process through device configuration and deployment.
8175  Web Design
03580820
GRADE PLACEMENT:  10-12
CREDIT:  1 UNIT
Studies web technologies and design, students learn to make informed decisions and apply the decisions to the field of information technology. Students implement personal and interpersonal skills to prepare for a rapidly evolving workplace environment. The knowledge and skills acquired and practiced will enable students to successfully perform and interact in a technology-driven society. Students enhance reading, writing, computing, communication, and critical thinking and apply them to the information technology environment.

8315  Independent Study in Evolving/Emerging Technologies
03581500
GRADE PLACEMENT:  11-12
CREDIT:  1 UNIT
Through the study of evolving/emerging technologies, including technology-related terms, concepts, and data input strategies, students will communicate information in different formats and to diverse audiences using a variety of technologies. Students will learn to make informed decisions, develop and produce original work that exemplifies the standards identified by the selected profession or discipline, and publish the product in electronic media and print. By using technology as a tool that supports the work of individuals and groups in solving problems, students will select the technology appropriate for the task, synthesize knowledge, create solutions, and evaluate the results. The six strands include creativity and innovation; communication and collaboration; research and information fluency; critical thinking; problem solving, and decision making; digital citizenship; and technology operations and concepts.

PRACTICUM IN INFORMATION TECHNOLOGY
GRADE PLACEMENT:  12
PREREQUISITE:  Any IT Sequence
CREDIT:  2 UNITS
EXTENDED CREDIT:  1 UNIT
Prepares students for success in a technology-driven society with knowledge and skills in the proper use of analytical skills and application of information technology concepts and standards. Critical thinking, information technology experience, and product development may be conducted in a classroom setting with an industry mentor, as an unpaid internship, or as career preparation. Extended course work must be taken concurrently with Practicum in Information Technology and may not be taken as a stand-alone course.

8176  Prac in Information Technology
13028000
8176E  Extended Prac in Information Technology
13028005
TAKEN WITH:  8176

8403  Fundamentals of Computer Science 03580140
GRADE PLACEMENT:  9-12
PREREQUISITE:  Algebra I (or concurrent)
CREDIT:  1 UNIT
Intended as a first course for those students just beginning the study of computer science. By using computer science knowledge and skills that support the work of individuals and groups in solving problems, students will select the technology appropriate for the task, synthesize knowledge, create solutions, and evaluate the results. Students will learn digital citizenship by researching current laws and regulations and by practicing integrity and respect. Students will gain an understanding of the principles of computer science through the study of technology operations and concepts.
COMPUTER SCIENCE
GRADE PLACEMENT:  9-12
PREREQUISITE: Algebra I (or concurrent)
CREDIT:  1 UNIT
Provides beginning skills and concepts associated with programming methodology, programming languages, data types, data structures, algorithms and applications of computing. Year II includes object-oriented programming, data structure, abstract data structures, sorting and searching, dynamic memory allocation and algorithmic analysis. JAVA is the programming language used for teaching computer concepts and for completing program assignments.

8401  Computer Science I
03580200

8402  Computer Science II
03580300

AP COMPUTER SCIENCE
PREREQUISITE:  8401
CREDIT:  1 UNIT
GPA: +9 on weighted GPA
AP Exam: Required
Develops beginning skills and concepts associated with programming methodology, programming languages, data types, data structures, algorithms and applications of computing. The Principles course introduces students to the foundational concepts of computer science and challenges them to explore how computing and technology can impact the world with a unique focus on creative problem solving and real-world applications.

4005  AP Computer Science A
A3580110 – math credit
A3580120 – world language credit

4006  AP Computer Science Principles
A3580300

8408  Foundations of Cybersecurity
03580850
GRADE PLACEMENT:  9-12
CREDIT:  1 UNIT
In the Foundations of Cybersecurity course, students will develop the knowledge and skills needed to explore fundamental concepts related to the ethics, laws, and operations of cybersecurity. Students will examine trends and operations of cyberattacks, threats, and vulnerabilities. Students will review and explore security policies designed to mitigate risks. The skills obtained in this course prepare students for additional study in cybersecurity.

8405  Cybersecurity Capstone
03580855
GRADE PLACEMENT:  9-12
CREDIT:  1 UNIT
Students will develop the knowledge and skills needed to explore advanced concepts related to the ethics, laws, and operations of cybersecurity. Students will examine trends and operations of cyberattacks, threats, and vulnerabilities. Students will develop security policies to mitigate risks. The skills obtained in this course prepare students for additional study toward industry certification. A variety of courses are available to students interested in the cybersecurity field.

8406  Game Programming and Design
03580380
GRADE PLACEMENT:  10-12
CREDIT:  1 UNIT
Solve gaming problems through data analysis, including the identification of task requirements, planned search strategies, and programming concepts to access, analyze, and evaluate information needed to design games. Research current laws and regulations and by practicing integrity and respect. Students will create a computer game that is presented to an evaluation panel.
8416  Web Game Development
03580830
GRADE PLACEMENT: 11-12
PREREQUISITE: 8175
CREDIT: 1 UNIT
Learn to make higher-level informed decisions and apply the decisions to the field of information technology and gaming. Students implement personal and interpersonal skills to prepare for a rapidly evolving technology environment. Successfully perform and interact in a technology-driven society. Students enhance reading, writing, computing, communication, and critical thinking and apply them to the information technology environment.

8407  Mobile Application Development
03580390
GRADE PLACEMENT: 10-12
CREDIT: 1 UNIT
Mobile Application Development will foster students' creativity and innovation by presenting opportunities to design, implement, and deliver meaningful projects using mobile computing devices. Students will gain an understanding of the principles of mobile application development through the study of development platforms, programming languages, and software design standards.
8140 Principles of Government & Public Administration
13018200
GRADE PLACEMENT: 9-11
CREDIT: 1 UNIT
Introduces students to the three branches of the U.S. government (legislative, executive, and judicial). Students will examine governmental documents such as the U.S. Constitution with special emphasis on the Bill of Rights. Students will also interpret and apply concepts of governance to assess public administration in society.

8155 Forensic Psychology
N1303012
GRADE PLACEMENT: 10-12
PREREQUISITE: Biology and Chemistry
CREDIT: 1 UNIT
Forensic psychology is the intersection between psychology and the criminal justice system. It involves understanding criminal law in the relevant jurisdictions in order to be able to interact appropriately with judges, attorneys and other legal professionals. An important aspect of forensic psychology is the ability to testify in court, reformulating psychological findings into the legal language of the courtroom, proving information to legal personnel in a way that can be understood.

Political Science
GRADE PLACEMENT: 10-12
PREREQUISITE: 8140
CREDIT: 1 UNIT
Political Science 1 explores the philosophical and theoretical underpinnings of various forms of government, both within the United States and throughout the world. Year II uses a variety of learning methods and approaches to examine the processes, systems, and political dynamics of the United States and other nations. The dynamic component of this course includes current U.S. and world events.
8153 Legal Research and Writing
N1303014
GRADE PLACEMENT: 10-12
PREREQUISITE: Law and PS Academy
CREDIT: 1 UNIT
Identifies the roles of judicial officers and the trial processes from pretrial to sentencing and examines the types and rules of evidence. Emphasis is placed on constitutional laws for criminal procedures such as search and seizure, stop and frisk, and interrogation. Students obtain courtroom exposure and simulations through Mock Trial events.

Dual Credit Options
GRADE PLACEMENT: 11-12
PREREQUISITE: Law & PS Academy, Acceptance to Dallas College
https://www.dcccd.edu/high-school-students/dual-credit/pages/default.aspx
CREDIT: 1 UNIT each semester
COLLEGE CREDIT: 3 HRS each
GPA: no impact
FEES: textbook and other fees may apply
These courses are taught at CHS by an Academy teacher.

8148D Princ of Law, Public Safety, Corrections & Security 13029200
This course matches to Dallas College course Intro to CRIJ 1301 – Criminal Justice.

8151D Correctional Services 13029700
This course matches to Dallas College course Intro to CRIJ 1307 – Crime in America.

8150D Court Systems and Practices 13029600
This course matches to Dallas College course Intro to CRIJ 1306 – Court Systems and Practices.

8147D Criminal Investigation 13029550
This course matches to Dallas College course Intro to CRIJ 1310 – Fundamentals of Criminal Law.

8404D Digital Forensics 03580360
This course matches to Dallas College course CJSA 1330 - Cybercrimes
MANUFACTURING

8167 Introduction to Welding
13032250
GRADE PLACEMENT:  9-12
PREREQUISITE:  Algebra I
CREDIT:    1 UNIT
Introduction to welding technology with an emphasis on basic welding lab principles and operating procedures. Topics include industrial safety and health practices, hand tool and power machine use, measurement, laboratory operating procedures, welding power sources, career potential and introduction to codes and standards.

WELDING
GRADE PLACEMENT:  10-12
PREREQUISITE:  Algebra I
CREDIT:    2 UNITS
LAB CREDIT: 1 UNIT
Develops an understanding of welding with an emphasis on math technologies, evaluating the function and application of the tools, equipment, technologies, and materials used in welding, understanding joint design, symbols and welds and identify the proper welding types and techniques used. Students will also evaluate different types of metals. Year II builds on the knowledge and skills developed in Welding 1. They will also apply these concepts and skills to perform tasks and construct projects. A Year II Lab course is also available.

8168 Welding I
13032300

8169 Welding II
13032400

8169L Welding II Lab
13032410

8399 Principles of Manufacturing
13032200
GRADE PLACEMENT:  9-12
CREDIT:    1 UNIT
Students are introduced to knowledge and skills used in the proper application of principles of manufacturing. The study of manufacturing technology allows students to reinforce, apply, and transfer academic knowledge and skills to a variety of interesting and relevant activities. Students will gain an understanding of what employers require to gain and maintain employment in manufacturing careers.

8164 Precision Metal Manufacturing
13032500
GRADE PLACEMENT:  9-12
PREREQUISITE: 8399
CREDIT:    1 UNIT
This course is designed to provide necessary skills in machining, it also provides a real-world foundation for any engineering discipline. This course may address a variety of materials such as plastics, ceramics, and wood in addition to metal. This course is designed to provide entry-level employment for the student or articulated credit integration into a community college and dual credit with a community college with completion of the advanced course.

8165 Diversified Manufacturing
13032650
GRADE PLACEMENT:  9-12
CREDIT:    1 UNITS
This course allows students the opportunity to understand the process of mass production by using a wide variety of materials and manufacturing techniques. Knowledge about career opportunities, requirements, and
expectations and the development of skills prepare students for workplace success.

8166 Manufacturing Engineering Technology 13032900
GRADE PLACEMENT: 9-12
CREDIT: 1 UNITS
Students gain knowledge and skills in the application, design, production, and assessment of products, services, and systems and how those knowledge and skills are applied to manufacturing. Students will prepare for success in the global economy. The study of manufacturing engineering will allow students to reinforce, apply, and transfer academic knowledge and skills to a variety of interesting and relevant activities, problems, and settings in a manufacturing setting.

PRACTICUM IN MANUFACTURING
GRADE PLACEMENT: 11-12
PREREQUISITE: any Manufacturing course
CREDIT: 2 UNITS
EXTENDED CREDIT: 1 UNIT
The Practicum in Manufacturing course is designed to give students supervised practical application of previously studied knowledge and skill. Practicum experiences can occur in a variety of locations appropriate to the nature and level of experience. This can be a paid or unpaid experience. Extended course work must be taken concurrently with Practicum in Manufacturing and may not be taken as a stand-alone course.

8170 Practicum in Manufacturing
13033000

8170E Extended Prac in Manufacturing
13033005
**SCIENCE, TECHNOLOGY, ENGINEERING AND MATHEMATICS (STEM)**

- **Biomedical Science**
  Industrial Certifications: Medical Lab Assistant, Medical Lab Technician

- **Engineering**
  Industrial Certifications:

- **Programming and Software Development**
  Industrial Certifications:

**8250  Principles of Bioscience**
13036300
GRADE PLACEMENT:  9
TAKEN WITH:  Biology
CREDIT:  1 UNIT
This course will provide an overview of biotechnology, bioengineering, and related fields. Topics will include cell structure, proteins, nucleic acids, enzymatic reactions, genetics, immunology, etc. This will be used to understand the role Biotechnology plays in important agriculture, medicine, the environment, bioenergy, and other spheres. Students will be briefly introduced to nanotechnology, as used in medical research.

**8409  Biotechnology I**
13036400

**8410  Biotechnology II**
13036450

**8249  Principles of Applied Engineering**
13036200
GRADE PLACEMENT:  9-10
CREDIT:  1 UNIT
Principles of Applied Engineering provides an overview of the various fields of science, technology, engineering, and mathematics and their interrelationships. Students will develop engineering communication skills, which include computer graphics, modeling and presentations, by using a variety of computer hardware and software applications to complete assignments and projects. Upon completing this course, students will have an understanding of the various fields of engineering and will be able to make informed career decisions. Further, students will have worked on a design team to develop a product or system. Students will use multiple software applications to prepare and present course assignments.
8251 Computer Integrated Manufacturing (PLTW)
N1303748
GRADE PLACEMENT: 10-12
PREREQUISITE: 8249 and 8253
CREDIT: 1 UNIT
Students will discover and explore manufacturing processes, product design, robotics and automation. They will then apply what they have learned by designing their own solutions for real-world manufacturing problems and utilizing associated equipment and technology such as a computer numerical control (CNC) machine. This course’s curriculum is based on current industry standards, and students will be given the opportunity to pursue an Advanced Manufacturing and Design Certification.

8166 Manufacturing Engineering Technology 13032900
GRADE PLACEMENT: 10-12
PREREQUISITE: Algebra I
CREDIT: 1 UNIT
Students will gain knowledge and skills in the application, design, production, and assessment of products, services, and systems and how those knowledge and skills are applied to manufacturing. Students will prepare for success in the global economy. The study of manufacturing engineering will allow students to reinforce, apply, and transfer academic knowledge and skills to a variety of interesting and relevant activities, problems, and settings in a manufacturing setting.

8253 Introduction to Engineering Design (PLTW) N1303742
GRADE PLACEMENT: 9-12
CREDIT: 1 UNIT
Uses a problem-solving model to improve existing products and invent new ones. Students learn how to apply this model to solve problems in and out of the classroom. Using sophisticated three-dimensional modeling software, students communicate the details of the products.

Emphasis is placed on analyzing potential solutions and communicating ideas to others.

ENGINEERING DESIGN AND PRESENTATION
GRADE PLACEMENT: 10-12
PREREQUISITE: Algebra I and 8249
Engineering Design and Presentation is a continuation of knowledge and skills learned in Principles of Applied Engineering. Students enrolled in this course will demonstrate knowledge and skills of the design process as it applies to engineering fields using multiple software applications and tools necessary to produce and present working drawings, solid model renderings, and prototypes. Students will use a variety of computer hardware and software applications to compete assignment and projects.

8254 Engineering Design & Pres I
13036500
CREDIT: 1 UNIT

8411 Engineering Design & Pres II
13036600
CREDIT: 2 UNITS

8252 Engineering Mathematics
13036700
GRADE PLACEMENT: 11-12
PREREQUISITE: Algebra II
CREDIT: 1 UNIT
Students solve and model design problems. Students will use a variety of mathematical methods and models to represent and analyze problems that represent a range of real-world engineering applications such as robotics, data acquisitions, spatial applications, electrical measurement, manufacturing process, materials engineering, mechanical drives pneumatics, process control systems, quality control and computer programming.
SCIENTIFIC RESEARCH AND DESIGN
GRADE PLACEMENT: 10-12
PREREQUISITE: Physics and 1 other lab sci
CREDIT: 1 UNIT
Provides the accelerated student with the opportunity to conduct an independent research project in the science of their major interest. Instruction in methods of research, advanced instrumentation, and presentation of findings is provided. Year II students will design and develop remotely operated vehicles for research or work application. The curriculum is physics-based and includes technological application of the four main energy systems: mechanical, fluid, electrical and thermal. Through a project/problem-based format, the course is designed to increase critical thinking and analysis skills using unmanned aerial vehicles involving science and engineering knowledge.

8257 Scientific Research and Design I
13037200

8258 Scientific Research and Design II
13037210

8259 Engineering Design and Problem Solving 13037300
GRADE PLACEMENT: 10-12
PREREQUISITE: Algebra II, Chemistry and Physics
CREDIT: 1 UNIT
This course reinforces and integrates skills learned in previous mathematics and science courses. This course emphasizes solving problems, moving from well-defined toward more open ended, with real-world application. Students apply critical thinking skills to justify a solution from multiple design options. Additionally, the course promotes interest in and understanding of career opportunities in engineering. This course will count as a science credit.

8260 Engineering Science (PLTW) 13037500
GRADE PLACEMENT: 9-12
PREREQUISITE: 8253
CREDIT: 1 UNIT
Exploring various technology systems and manufacturing processes helps students learn how engineers and technicians use math, science and technology in an engineering problem solving process to benefit people. The course also includes concerns about social and political consequences of technological change.

8261 Digital Electronics 13037600
GRADE PLACEMENT: 11-12
PREREQUISITE: 8249
CREDIT: 1 UNIT
Emphasizes the design process, engineering systems, materials use and testing, as well as the production process and quality control. Students use computer simulation to learn about the logic of electronics as they design, test and construct real circuits and devices to control systems.

8403 Fundamentals of Computer Science 03580140
GRADE PLACEMENT: 9-12
PREREQUISITE: Algebra I (or concurrent)
CREDIT: 1 UNIT
Intended as a first course for those students just beginning the study of computer science. By using computer science knowledge and skills that support the work of individuals and groups in solving problems, students will select the technology appropriate for the task, synthesize knowledge, create solutions, and evaluate the results. Students will learn digital citizenship by researching current laws and regulations and by practicing integrity and respect. Students will gain an understanding of the principles of computer science through the study of technology.
COMPUTER SCIENCE
GRADE PLACEMENT: 9-12
PREREQUISITE: Algebra I (or concurrent)
CREDIT: 1 UNIT
Provides beginning skills and concepts associated with programming methodology, programming languages, data types, data structures, algorithms and applications of computing. Year II includes object-oriented programming, data structure, abstract data structures, sorting and searching, dynamic memory allocation and algorithmic analysis. JAVA is the programming language used for teaching computer concepts and for completing program assignments.

8401 Computer Science I
03580200

8402 Computer Science II
03580300

AP COMPUTER SCIENCE
PREREQUISITE: 8401
CREDIT: 1 UNIT
GPA: +9 on weighted GPA
AP Exam: Required
Develops beginning skills and concepts associated with programming methodology, programming languages, data types, data structures, algorithms and applications of computing. The Principles course introduces students to the foundational concepts of computer science and challenges them to explore how computing and technology can impact the world with a unique focus on creative problem solving and real-world applications.

4005 AP Computer Science A
A3580110 – math credit
A3580120 – world language credit

4006 AP Computer Science Principles
A3580300

8248 Practicum in STEM
13037400
GRADE PLACEMENT: 12
CREDIT: 2 UNITS
Practicum in STEM is designed to give students supervised, practical application of previously studied knowledge and skills. Students spend one semester engaged in an unpaid, STEM-focused internship, and one semester preparing a capstone project where they utilize the STEM skills they have learned to create a product that can improve their community. This is a year-long, double blocked course to ensure the student is provided with in-class instruction, as well as on-site training in a STEM field. On-site practicum training can occur in a variety of locations appropriate to the students interests and prior level of experience.
8156  Introduction to Transportation Technology
13039270
GRADE PLACEMENT:   9-10
CREDIT:    ½ UNIT
Gain knowledge of the major automotive systems and the principles of diagnosing and servicing these systems. Includes applicable safety and environmental rules and regulations. Emphasis is on the repair, maintenance, and diagnosis of transportation systems. The focus of this course is to teach safety, tool identification, proper tool use, and employability.

8157  Automotive Basics
13039550
GRADE PLACEMENT:   9-12
CREDIT:    1 UNIT
This course includes knowledge of the basic automotive systems and the theory and principles of the components that make up each system and how to service these systems. Applicable safety and environmental rules and regulations are also covered.

8158  Basic Collision Repair and Refinishing (Year I)
13039750
GRADE PLACEMENT:   10-12
CREDIT:    1 UNIT
Students will learn the repair process in metal straightening, welding, frame damage measuring and estimate writing. Students will participate in hands on activities throughout the course. Students also will develop proper technique for the application of dent repair and parts replacement.

8161  Collision Repair (Year II)
13039800
GRADE PLACEMENT:   10-12
PREREQUISITE:   8158
CREDIT:    2 UNITS
Students will learn the repair process in metal straightening, welding, frame damage measuring and estimate writing. Students will participate in hands on activities throughout the course. Students also will develop proper technique for the application of dent repair and parts replacement.

PAINT AND REFINISHING (Year III)
GRADE PLACEMENT:   11-12
PREREQUISITE:   8161
CREDIT:    2 UNITS
LAB CREDIT: 1 UNIT
This course gives students the opportunity to continue their exploration in collision repair. Their prior knowledge will allow them to be introduced to refinishing (painting). The refinishing processes will include: Complete paint jobs, collision repair refinishing, blending paint, and custom paint techniques. Students will participate in hands-on activities throughout the course. In the spring semester of this course, students will be afforded the opportunity to work in the industry in a related field. This real world work experience can take the form of either an internship or career preparation training through the coordination of the instructor. LAB course work must be taken concurrently with Paint and Refinishing and may not be taken as a stand-alone course.

8162  Paint and Refinishing
13039900

8162L Paint and Refinishing Lab
13039910
8159 Automotive Technology I: Maintenance and Light Repair
13039600
GRADE PLACEMENT: 10-11
PREREQUISITE: 8156 or 8164
CREDIT: 2 UNITS
Automotive services include knowledge of the function of the major automotive systems and the principles of diagnosing and servicing these systems. In Automotive Technology, students gain knowledge and skills in the repair, maintenance, and diagnosis of vehicle systems. This study allows students to reinforce, apply, and transfer academic knowledge and skills to a variety of interesting and relevant activities, problems, and settings. The focus of this course is to teach the theory of operation of automotive vehicle systems and associated repair practices in a pre-employment laboratory. Students enrolled in this course will pay a fee to cover the required work shirt, safety glasses, etc.

8160 Automotive Technology II: Automotive Service
13039700
GRADE PLACEMENT: 11-12
PREREQUISITE: 8159
CREDIT: 2 UNITS
Automotive services include advanced knowledge of the function of the major automotive systems and principles of diagnosing and servicing these systems. In Advanced Automotive Technology, students gain knowledge and skills in the repair, maintenance, and diagnosis of vehicle systems. This study allows students to reinforce, apply, and transfer academic knowledge and skills to a variety of interesting and relevant activities, problems, and settings. The focus on this course is to teach the theory of operation of automotive vehicle systems and associated repair practices in a pre-employment laboratory.

8163 Practicum in Transportation Systems
13040450
8163E Extended Practicum in Transportation Systems
13040455
TAKEN WITH: 8163
Other Electives – State and Local Credits

Apart from the Programs of Study, CFBISD offers courses that are of specialized interest, preparing students for college, career, and thriving as a positive influence in society.

Most electives in this grouping are for state credit, meaning they count toward the required credits for graduation. However, there are some courses listed here that are for Local credit only and thus offer exposure and experience in a field but no credits toward graduation. Before selecting a Local credit course, be mindful that your graduation requirements will be met within your 4-year plan.
SPECIAL INTERESTS

5901 Sports Medicine I
N1150040
GRADE PLACEMENT: 9-12
CREDIT: 1 UNIT
Provides an innovative course that allows students the opportunity to study and apply components of sports medicine/athletic training. Includes related careers, prevention of athletic injuries, recognition, evaluation and immediate care of injuries, taping and wrapping techniques, first aid, CPR, AED and other emergency procedures. This course is not a PE equivalent course.

5902 Sports Medicine II
N1150041
GRADE PLACEMENT: 10-12
PREREQUISITE: 5901
CREDIT: 1 UNIT
Provides an in-depth study of application of the components of sports medicine for athletic training students. Individualized and independent assignments will be included in this course. This course will involve outside-of-class homework and time required working with athletes and athletic teams. This course is not a PE equivalent course.

5903 Sports Medicine III
N1150044
GRADE PLACEMENT: 10-12
PREREQUISITE: 5901
CREDIT: 1 UNIT
Sports Medicine 3 builds upon what was learned in Sports Medicine 1 and 2. In this class the focus is on upper body anatomy and injuries. As with Sports Medicine 1 and 2 this is an extra-curricular class, so there are before and after school responsibilities working in the athletic training room as well as practice and game coverage for the UIL athletic events at the school. This course is not a PE equivalent course.

Debate
GRADE PLACEMENT: 10-12
CREDIT: 1 UNIT each
Prepares the orator who has an interest in competitive debate. Each year, the student’s talents are cultivated. Students are required to participate in tournaments in both argumentation events and public speaking events. Numerous research assignments, writing assignments and performance assignments will be required. In addition, each student will be expected to attend afternoon practice sessions.

2607 Debate I 03240600
2608 Debate II 03240700
2609 Debate III 03240800
2610 Debate IV 84500666
(Local credit only)
The ninth grade AVID Elective course will serve as a review of the AVID philosophy and strategies. Students will work on academic and personal goals and communication, adjusting to the high school setting. Students will increase awareness of their personal contributions to their learning, as well as their involvement in their school and community. There is an emphasis on analytical writing, focusing on personal goals and thesis writing. Students will work in collaborative settings, learning how to participate in collegial discussions and use sources to support their ideas and opinions. Students will prepare for and participate in college entrance and placement exams, while refining study skills and test taking, note-taking, and research techniques. They will take an active role in field trip and guest speaker preparations and presentations. Their college research will include financial topics and building their knowledge on colleges and careers of interest.

The 10th grade AVID Elective course is the first part in a junior/senior seminar course that focuses on writing and critical thinking expected of first and second-year college students. In addition to the academic focus of the AVID seminar, there are college-bound activities, methodologies and tasks that should be undertaken during the junior year to support students as they apply to four-year universities and confirm their postsecondary plans.

In the 10th grade year, students will continue to refine their academic learning plans and goals, increasing awareness of their actions and behaviors, as well as develop an increased ability to self-monitor, self-regulate, and manage time. Students will expand their writing portfolio to include: analyzing prompts, supporting arguments and claims, character analysis and detailed reflections. Lastly, students will narrow down their college and careers of interest, based on personal interests and goals.

The AVID Elective 12th grade course is the second part in a junior/senior seminar course that focuses on writing and critical thinking expected of first and second-year college students. This course continues around the theme of “Leadership as a Catalyst for Change in Society.” Students will complete a final research essay project from research conducted in their junior year in AVID. In addition to the academic focus of the AVID senior seminar, there are college-bound activities, methodologies and tasks that should be achieved during the senior year that support students as they apply to four-year universities and confirm their postsecondary plans. All AVID seniors are required to develop and present a portfolio representing their years of work in the AVID program, as well as complete the requirements for the seminar course.
**Methodology for Academic & Personal Success (MAPS)**
N1130021
GRADE PLACEMENT: 9-12
CREDIT: 1 UNIT
This course focuses on self-understanding, decision-making, resiliency, attitude, character education, and leadership to help students maximize personal achievement. Students will explore pathway options available to them in high school, higher education fields of study, and career opportunities in the professional world in order to establish both immediate and long-range personal goals. Students will develop critical time management, organization, and study skills. Emphasis is placed on the student being a proactive and collaborative problem solver. As part of the goal setting and leadership activities, students may complete an outside.

**Pathways to College and Career (PATH)**
N1290051
GRADE PLACEMENT: 9-12
CREDIT: 1 UNIT
PATH advances intellectual curiosity, conscientiousness, dependability, emotional stability, and perseverance through tasks that foster deeper levels of thinking and reasoning in the four core content areas. The Path secondary course series focuses on developing the habits and skills expected in college study and the workforce. Path students develop personal, interpersonal, and cognitive skills that are essential to productivity in both the collegiate and business worlds.

**SAT/ACT PREP**
85000SAT
GRADE PLACEMENT: 10-11
PREREQUISITE: Algebra II (or concurrent)
CREDIT: 1/2 UNIT (Local)
Focuses on specific test-taking strategies, many of which are applicable to other standardized tests and disciplines. Intensive practice and varied activities will be provided to meet individual needs. Students will receive the immediate feedback necessary for consistent improvement. Current research shows that such a course will increase student success.

**College Out Period**
85000OUT
GRADE PLACEMENT: 12
CREDIT: 0 UNIT
Affords the dual credit student taking college courses away from their home campus the time during the school day to participate in college course work. This out period is provided at the beginning or end of the school day. Only one out period is allowed each semester.

College course work from the approved dual credit agreement list does count toward graduation provided a passing grade is earned and submitted to the campus Records office.

**College Out**
9900 College Out – 1st time taken
9901 College Out – 2nd time taken
CAREER MINDED

9267 General Employability Skills
N1270153
GRADE PLACEMENT: 9-12
CREDIT: 1 UNIT
Provides instruction in general employability knowledge and skills. Included in the skills are attitudes that allow employees to get along with their co-workers, make important work-related decisions, and become strong team members.

Career Connections
85000340, 85000341
GRADE PLACEMENT: 9-12
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT (Local)
Develops proficiency in decision making and problem solving which is an essential skill for career planning and lifelong learning. Students use self-knowledge, education and career information to make choices in order to set their own goals and self-manage their lives. Adapted to meet the needs outlined in student’s IEP.

9340 Career Connections I
9339 Career Connections II

Vocational Experience
84900143, 84900144
GRADE PLACEMENT: 10-12+
PREREQUISITE: ARD Placement
CREDIT: 3 UNITS (Local)
Student will focus on individual responsibility on the job sites in the community with direct supervision by a certified teacher. During the school day, office tasks and other odd jobs may be performed to assist teachers and other staff with school-wide projects. Adapted to meet the needs outlined in student’s IEP.

9143 Vocational Experience I
9144 Vocational Experience II

On The Job Training (OJT)
84900343, 84900344
GRADE PLACEMENT: 11-12
PREREQUISITE: ARD Placement
CREDIT: 1-3 UNITS (Local) determined by ARD
Places students in competitive paid employment with regularly schedule direct involvement by special education personnel in the implementation of the student’s IEP. Adapted to meet the needs outlined in student’s IEP.

9343 OJT I
9344 OJT II

Applied Occupational Preparation (Occ Prep)
84900241, 84900242, 84900243, 84900244
GRADE PLACEMENT: 9-12
PREREQUISITE: ARD Placement
CREDIT: 1 UNIT (Local)
Student will focus on employability skills and job searches including the exploration of a variety of jobs and activities related to the job. They continue learning skills that enhance their aptitude, exploring their interests and improving their skills related to job searches including the application and interview process. Years 3 & 4 investigate services and resources to aid employment and help maintain a successful job experience. Adapted to meet the needs outlined in student’s IEP.

9241 Applied Occ Prep I
9242 Applied Occ Prep II
9243 Applied Occ Prep III
9244 Applied Occ Prep PLUS
Peer Assistance and Leadership (PAL®)  
N1290005, N1290006  
GRADE PLACEMENT: 11-12  
CREDIT: 1 UNIT  
PAL® course creates environments in which youth participate in productive pursuits with peers, using decision making, higher order thinking skills, and resiliency building for addressing issues like bullying, low achievement, at-risk youth, drop-out prevention, substance abuse prevention, teen pregnancy, suicide, behavior problems, and other community issues. Teacher must have completed the PAL® training to offer as state elective credit; find training info at http://palusa.org.

NOTE: Students are expected to provide their own transportation to any off-campus community services sites.

7208 PAL® I  
7209 PAL® II

Making Connections  
N12900332, N12900333, N12900334, N12900335  
GRADE PLACEMENT: 9-12  
PREREQUISITE: ARD Placement  
CREDIT: ½ UNIT  
The Making Connections course sequence serves students who have an autism spectrum disorder or a related disorder which causes them to have difficulty with social skills. This course assists the students in developing an understanding of autism and other related disorders.

9256 Making Connections I  
9257 Making Connections II  
9258 Making Connections III  
9259 Making Connections IV

7320 Community Service  
GRADE PLACEMENT: 12  
CREDIT: ½ UNIT (Local)  
Enables students to contribute hours of community service for high school elective credit. This opportunity will allow students to experience the positive benefits of volunteering and educate them regarding community resources. Concurrently, a sense of community pride will be generated as the school and community work together for the benefit of both. Students can choose to be placed in on-campus or off-campus locations for this class. Students are expected to provide their own transportation to any off-campus community services sites.

Recreation and Leisure (Rec & Leisure)  
84200252, 84200152, 84200253, 84200153, 84200154  
GRADE PLACEMENT: 9-12+  
PREREQUISITE: ARD Placement  
CREDIT: 1 UNIT (Local)  
Student will focus on daily living experiences with an emphasis on lifelong leisure activities and appropriate communication skills. Adapted to meet the needs outlined in student’s IEP.

9252 Applied Rec & Leisure I  
9152 Developmental Rec & Leisure I  
Only at RLT

9253 Applied Rec & Leisure II  
9153 Developmental Rec & Leisure II  
Only at RLT

9154 Developmental Rec & Leisure PLUS  
Only at RLT
**STUDENT LEADERSHIP**
N1290010
GRADE PLACEMENT: 11-12
CREDIT: 1 UNIT (State 1st time taken, Local 2nd time taken)
The Leadership Course provides opportunities to study, practice and develop group and individual leadership and organizational skills. These skills include decision-making skills, problem-solving techniques, communication skills, leadership roles, human relation skills and understanding the need for civic responsibility. This course requires an application. To be selected, one must be a junior or senior who holds an office position in Student Council or Junior/Senior Executive Committee. *CHS and Newman Smith

**STUDENT AIDE**
85000AID
GRADE PLACEMENT: 12
CREDIT: 0 UNIT
Allows seniors who have sufficient credits to graduate and who possess characteristics of responsibility and dependability may register to be a student aide. Aides are assigned to classrooms and school offices and are expected to carry out duties as assigned. Failure to attend aide period will affect examination exemption status. Failure to attend aide period will result in disciplinary action.

**BEYOND HIGH SCHOOL**

**9672 Moving On Up (MOU)**
85000672
GRADE PLACEMENT: POST HS
PREREQUISITE: ARD Placement, All HS grad requirements met
CREDIT: 7 UNITS (Local)
Community based instructional program in which students ages 18-21 participate in volunteer opportunities, supported employment, and activities of daily living to meet the needs outlined in student’s IEP.

**9673 Functional Skills Workshop (FSW)**
85000673
GRADE PLACEMENT: POST HS
PREREQUISITE: ARD Placement, All HS grad requirements met
CREDIT: 7 UNITS (Local)
Designed for students ages 18-21, who will benefit from daily living and vocational training experiences. FSW will prepare students to be as independent as possible in post-secondary environments. Students will learn to access the community safely and effectively with supervision. Adapted to meet the needs outlined in the student’s IEP.
