

Media Release for Seamless Summer Option Free Meals in School Year 2021-2022

Ascension Public Schools announced its policy today that this school year, healthy meals will be offered every school day to all students at no cost. Typically, a student's household must meet income eligibility requirements to qualify for free or reduced-price meals. However, the United States Department of Agriculture (USDA) issued guidance that allows schools to offer meals to all students at no cost for the 2021-2022 school year.

While no application or eligibility determination is required for your student to receive free meals this school year, income eligibility requirements will likely resume in the 2022-2023 school year. As such, *Ascension Public Schools* will process household applications during School Year 2021-2022 to ensure student eligibility for free or reduced-price meals during the first 30 days of the 2022-2023 school year while 2022-2023 applications are being processed. Each school/site or central office has a copy of the policy, which may be reviewed upon request.

Starting on *July 19, 2021*, *Ascension Public Schools* will begin distributing letters to the households of the children in the district about these 2022-2023 eligibility benefits and actions households need to take to apply. Applications also are available at *www.myschoolapps.com*.
