2022-2023 Registration for 4K Learning Academies and Community Sites

Begins February 1, 2022

Registration for the free, half-day 4K Program is a two-step process for all eligible children
(Four years of age on or before September 1, 2022)

- 1** Visit the 4K & Early Childhood page at www.wausauschools.org
Complete and submit the online form. You will receive an electronic confirmation following the completion of Step 1. The online registration indicates your interest in 4K and preferred site of attendance; however, the registration form must be verified (Step 2) before your child is fully registered and assigned to a site.

If you do not have computer access or need assistance completing the online form, please contact the 4K office at 715-261-0265 or email 4K@wausauschools.org.

- 2** Registration verification and enrollment
Please follow the instructions outlined in the email you will receive from the 4K Office to finalize your child's 4K enrollment and secure a spot.

ATTEND 4K AT ONE OF THESE 8 SITES:

On Tuesday, April 5, 2022, residents of the Wausau School District will vote on a referendum question.

If approved by voters, the \$119,800,000 million referendum would lower the tax levy, while at the same time allow the district to address its most pressing facility needs. The district would move forward with safety & security improvements at all elementary schools, as well as, adding additional classroom space at Stettin, South Mountain, and Riverview elementary schools to address increasing enrollment and alleviate capacity concerns. The district is also moving forward with all work at its middle and high schools; addressing deferred maintenance and safety and security needs there. It will also make facility improvements at the Wausau School Forest, including a new Environmental Learning Center.

An approved referendum would have an estimated property tax impact of negative \$0.43 on every \$1,000 of property value in the school district. The owner of a home valued at \$150,000 would see an annual tax reduction of about \$64.50.

The solution the Board of Education is presenting on April 5 was created based on the input and feedback of our community. This effort included online surveys for community and staff members, three community engagement sessions, staff listening sessions at all schools, and engagement on social media. We have also communicated and gathered feedback through a facility needs webpage and via the local media.

We invite you to learn more about our district's needs, how the board developed the proposed solution, and the question that will appear on the April 5 ballot at wausauschools.org.
