

# Texas Pre-Engineering Program (TexPREP)

## What is TexPREP?

TexPREP is an academic enrichment program for middle school and high school students. Students are eligible if they have the interest and potential for careers in the fields of mathematics, science, technology, and/or engineering. Students with disabilities are welcome. If the students are accepted, they will spend six and a half summer weeks on the UTRGV campus and six meeting during the school year. They will interact with students their age and with professionals in the fields of mathematics, science and engineering who will share their experiences and knowledge about possible future careers. The program is accredited by the Texas Educational Agency (TEA). Students are awarded one-unit elective credit for every year they successfully complete the program.

## Who Runs TexPREP?

TexPREP is coordinated by The University of Texas Rio Grande Valley in the Edinburg and Brownsville site. The director, Dr. Stephen Crown, is a mechanical engineer professor at UTRGV. The faculty ranges from university professors and high school teachers, and the program mentors are college students majoring in the College of Science and Engineering.

## When does the Summer 2022/2023 Program start?

The 2022 Summer TexPREP will be held M-F from June 6, 2022, to July 20, 2022. Classes start at 1:00 p.m. and end at 5:50 p.m. Fridays will be activity days, designing and constructing projects to compete with other teams. Such activities include: "Windmills", "Water Bottle Rockets", "Race Boat", "Catapults" among many others. Students who have completed at least one summer of TexPREP will continue to participate in Follow-up sessions on Saturdays from 9:00am - 12:00pm. The following are the Fall 2022/Spring 2023 days: Sept. 17, Oct. 22, Nov 12, Jan 21, Feb 18, Mar 11. (DATES FOR THE SATURDAY MEETINGS ARE TENTATIVE)

## How much will it cost?

For the summer, tuition cost per student is \$425, which can come from one of the following sources:

**SCHOOLS:** The majority of schools districts will pay for the students' tuition.

**PARENTS:** For students whose school districts do not pay tuition, parents are responsible for tuition.

## What about Transportation?

For the 2022 Summer program and Saturday follow-up sessions, parents are responsible for their own transportation.
