

2022-2023 Course Selection

February 15, 2022

Agenda for today

- Overview of registration timeline
- Materials for registration
- Review of credits needed to meet RHS graduation requirements
- Transcripts
- New Courses for next year
- How to register online

Registration timeline

- Registration Kickoff - **February 15, 2022**
- Infinite Campus Portal opens for online registration - **February 15, 2022**
- Curriculum Fair - **Thursday, February 17, 2022**
(Open to the public 5:00 p.m. - 8:00 p.m.)
- Registration closes on **Friday, February 25, 2022 at 3:30 p.m.**

Curriculum Fair

Thursday, February 17th (5:00-8:00pm)

- All of your teachers will be available to assist you and your parents between 5:00-8:00 p.m.
- Answer specific questions about the courses you will enroll in next year.
- This is not a parent/teacher conference.

College Credit Options in High School presentation

- Open to students and parents who are interested in what their options are to earn College Credit as a student in high school.
- Presented by RHS teachers, Ms. Bloom and Ms. Gordee
- **6:15-6:45 p.m. at the Curriculum Fair**

IB Program

- What classes should I take?
- What's the difference between SL/HL classes
- Will I be required to take any IB classes next year?
- What if I am still interested in pursuing the full diploma? Or Career related pathway?
- Who to contact - Mrs. Gordee,
gordeej@rockford.k12.mn.us

Materials for Registration

- *Course Description Guide*
- *Registration Worksheet*
- *Tips for Scheduling Worksheet*
- *Transcript*

Registration Worksheet

2022-2023 SCHOOL YEAR REGISTRATION FORECAST SHEET SOPHOMORE YEAR (Grade 10)

- Please have your Course Registration Guide with you for assistance in requesting elective courses. Directions to submit requested courses online through Infinite Campus are found in the Course Registration Guide.
- Students and parent(s)/guardian(s) have the responsibility to select courses necessary to meet graduation requirements. Descriptions of all courses offered at RHS and graduation requirements are found in the Course Registration Guide.
- Credits required to graduate =50.
- Please verify prerequisites when requesting your courses.
- Students are required to carry **14 credits per year** (7 credits per semester).

Rockford High School Graduation Requirements	Class of 2025 Grade 10
English	8
Social Studies	7
Math (All students must complete math through Algebra II or Honors Algebra II)	8
Science (All students must complete a Physics, Chemistry and Biology course)	8
Physical Education	1
Health	1
Fine Arts	2
Career & Technical	1
Electives	18
TOTAL	50

Step 1 > Required Courses- Pick 1 course from each Subject Group. All courses in this category are 2 credits (1 year) unless otherwise indicated

Subject Group	Sophomore CORE Options
Language & Literature (English) – Must choose 1	<input type="checkbox"/> MYP English 10 <input type="checkbox"/> MYP Honors English 10
Mathematics – Must choose 1 Recommendation given by 10 th grade Math teacher and will be pre-filled in Academic Planner	<input type="checkbox"/> MYP Geometry <input type="checkbox"/> Algebra II <input type="checkbox"/> Honors Algebra II
Science – Must choose 1 Recommendation given by 10 th grade Science teacher and will be pre-filled in Academic Planner	<input type="checkbox"/> MYP Chemistry 10 <input type="checkbox"/> MYP Chemistry Concepts
Individuals and Societies (Social Studies) – Required Course	<input type="checkbox"/> MYP World History/ Geography 10
Total Number of Credits: 8	

***Full IB Diploma Candidates would schedule a meeting with Ms. Gordee to review course selections and finalize schedule after completing the registration process.

Step 2 > Elective Courses

Total credits between Core and Elective Courses must = 14.

Elective Course Titles	Credits
1.	
2.	
3.	
4.	
5.	
6.	
Total Credits =	

Step 3 > Alternate Courses

Select FOUR alternate courses you'd like if your first choices are not available

Alternate Course Titles	Credits
1.	
2.	
3.	
4.	

Planning and Course Description Guide and Worksheets

- The guide will give you information on the Rockford High School graduation requirements and course descriptions.
- Registration Worksheet
 - A tool for you when completing your online registration.

Graduation Requirements

Required Areas of Study	Credits
English	8
Social Studies	7
Math (All students must complete Algebra II)	6
Science (All students must complete Chemistry or Physics)	6
Physical Education	1
Health	1
Fine Arts	2
Career & Technical	1
Electives	18
TOTAL	50

Graduation Requirements (page 6)

- 8 English Credits
- 7 Social Studies Credits
- 6 Science Credits
- 6 Math Credits
- 2 Art Credits
- 1 Health Credit
- 1 Physical Education
- 1 Career and Technical Education course
- 18 Electives
- Total of 50 required credits

Transcript

- Review it carefully
- The majority of you will have more credits than the required at graduation.
- Check to make sure that you do not have any incompletes.
- GPA is cumulative (builds each year).
- Valedictorian/Salutatorian are calculated after 1st semester of your senior year.
- If you are new to Rockford, please plan to come to the Guidance office to review your transcript.

What Happens If You Get an “F”

- If you have received an “F” in one of your core classes, you will need to repeat the class or make it up in summer school.
- The “F” stays on your transcript.
- Make sure to keep track of your grades and transcript. You will have to complete required classes to graduate.

Registration 2022-2023

Elective Options

- Agriculture
- Art
- AVID
- Business
- Engineering and Manufacturing Technology
- Music (Band and Choir)
- Physical Education
- World Language - Spanish
- SENIORS- Although Science and Math are not required your senior year, some colleges will require a 4th year, so make sure you check the colleges you are interested in for their entrance requirements.

New Courses 2022-2023

DP MUSIC SL/HL (YEAR 1)

Grades: 11,12

2 Semesters/ 2 credits

*Prerequisites: Also enrolled in Wind Ensemble, Concert Band or Concert Choir

The IB Music course is intended for any student interested in music and who wishes to explore it. The course is designed to provide a broad and balanced introduction to the study of music, covering a range of musical styles, periods, and genres. The course is designed to be a challenging and rewarding experience for all students, regardless of their previous musical experience. The course is designed to be a challenging and rewarding experience for all students, regardless of their previous musical experience.

DP VISUAL ARTS SL/ HL (YEAR 1)

Grades: 11

2 Semester/ 2 Credit

*Prerequisites: Drawing, MYP Media Art Design AND Style Studio or with teacher approval

This is Year 1 of a 2-year course. The course guides student's individual creative process and presentation of art. Students conduct research and inquiry to communicate meaning through the art making process. Creating art that expresses personal meaning within a cultural context is a self-motivated expectation for these students. In-depth arts study may deepen all students' critical and conceptual thinking and understanding. Focus is on the creation of art and individual examination of worldwide art historical and contemporary topics, styles, and genres. While working to build confidence as art-makers with improving technical skills in their chosen art media, students are expected to engage in, experiment with and critically reflect on a wide range of contemporary artistic practices. For the IB Programme requirement option A 60% focusing on creation of art and 40% on related research.

New Courses 2022-2023

DP BUSINESS MANAGEMENT SL

Grades: 11,12

2 Semesters / 2 Credits (full year commitment)

In this course students will learn to analyze, discuss, and evaluate business activities at local, national, and international levels. This course covers the key characteristics of business organization and environment including the business functions of human resource management, finance and accounts, marketing, and operations management. Links between the topics are central to the course and helps students to develop a holistic understanding of today's complex and dynamic business environment.

MYP HONORS ENGLISH 10

Grade: 10

2 Semesters/2 Credits

Weighted Grade

*Fulfills English 10 graduation requirement

This course is designed to develop students' analytical skills with a variety of literary and non-literary works. This analysis will help broaden their understanding of literature and the way it reflects its context. Students will demonstrate their understanding through regular writing and assessments designed to get them to make conceptual connections. The Honors section will be paced differently, and will target skills that equip the Honors students to enter the CIS/Higher Level IB options as juniors and seniors.

New Courses 2022-2023

MYP CHEMISTRY CONCEPTS

Grade: 10

2 Semesters/2 Credits;

*Prerequisite: MYP Physics 9 AND teacher recommendation

Fulfills chemistry graduation requirement

Chemistry is the study of matter and the changes it undergoes. Students will be introduced to a wide variety of basic chemistry concepts such as states of matter, the makeup of an atom, balancing chemical equations, general nomenclature, and geometric modeling. A special emphasis will focus on reading skills to improve comprehension. This course is designed for students with a desire to improve comprehension in mathematics and reading and for students who learn best through hands-on activities.

DP Physics SL/ COLLEGE PHYSICS

Grade: 11,12

2 Semesters/2 Credits

Weighted GPA

*Prerequisite: Algebra II or Honors Algebra II

*This is a co-seated class for Concepts in Physics SCSU Phys 103.

*Dual credit through St. Cloud State University -3 college credits for 12th grade students. Minimum 3.0 GPA required. *Students can take the course for college/high school credit. If taken for college credit, the student will receive a grade and credit on a college transcript.

DP Physics SL is a year-long course covering a wide range of topics, including measurement and uncertainties, mechanics, thermal physics, waves, electricity, magnetism, atomic physics, energy production and astrophysics. Students will not only be assessed on their knowledge of the concepts in these topics in class and through the IB external assessment, but will also be asked to show their understanding and application of the scientific method in their Internal Assessment. The process involved with the IB Internal Assessment includes exploration, analysis, evaluation, and communication of findings in a topic of their choice related to physics.

Online Registration

Online Student Course Selection Instructions

- 1) Go to the district website at www.rockford.k12.il.us.
- 2) Click on the Infinite Campus Portal icon
- 3) Login using the student's Username and Password (use your school password)
- 4) Use the QR Code below for a link to the registration instructions
- 5) Once complete, review your plan with a parent/ legal guardian and check the "Approved by parent/legal guardian" box at the top
- 5) SAVE your course plan
- 6) Remember to logout when finished

**Your course choices matter. We are basing our schedule on student demand. Courses that do not have enough interest will not be offered during the 2022-23 school year.*

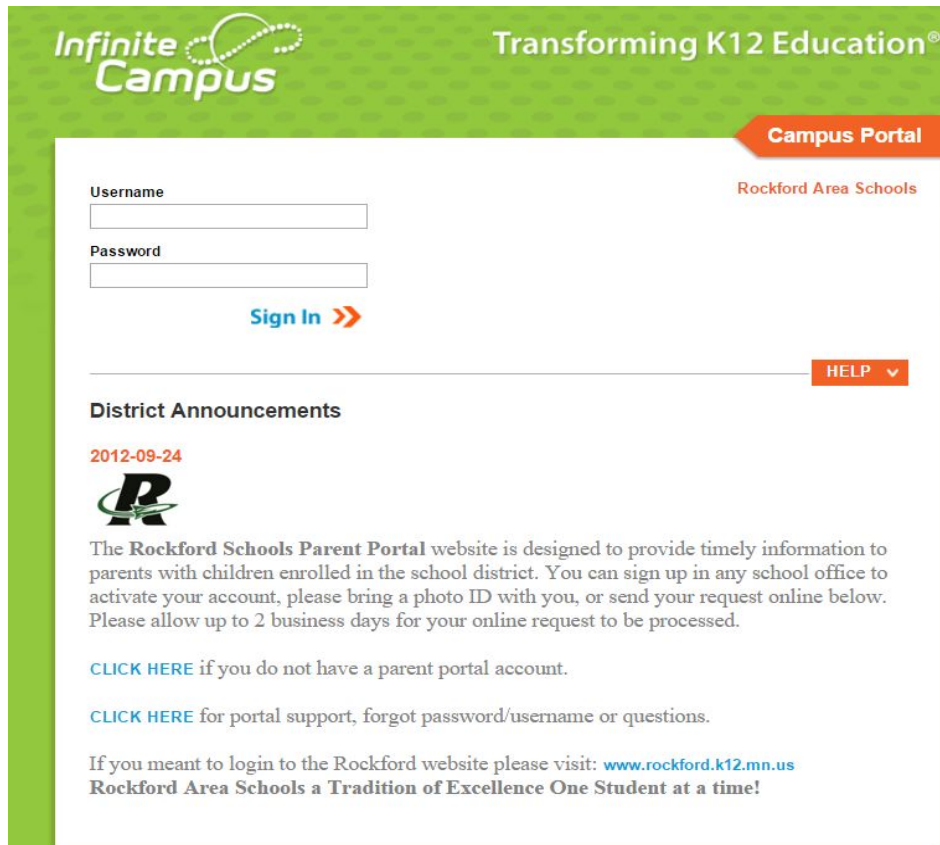

Class Change Requests

Students are encouraged to plan programs carefully. Once the registration process is complete, class change requests are discouraged, and in some cases, not possible after the initial registration.

Online registration

- On the next slide is a video showing how to register for classes via Infinite Campus student portal. The first step will be to login to your account.

The screenshot shows the Infinite Campus login interface. At the top, the Infinite Campus logo is on the left, and the tagline "Transforming K12 Education®" is on the right. Below the logo, the text "Campus Portal" is displayed in a red banner, with "Rockford Area Schools" underneath it. The login section contains two input fields: "Username" and "Password", each followed by a "Sign In >>" button. A "HELP" dropdown menu is located to the right of the login fields. Below the login section, there is a "District Announcements" section dated "2012-09-24". The announcement features the Rockford Area Schools logo and text stating that the Rockford Schools Parent Portal website is designed to provide timely information to parents with children enrolled in the school district. It also provides links for account activation and support, and mentions the Rockford website login URL: www.rockford.k12.mn.us. The announcement concludes with the slogan "Rockford Area Schools a Tradition of Excellence One Student at a time!".

District Announcements

2012-09-24

The Rockford Schools Parent Portal website is designed to provide timely information to parents with children enrolled in the school district. You can sign up in any school office to activate your account, please bring a photo ID with you, or send your request online below. Please allow up to 2 business days for your online request to be processed.

[CLICK HERE](#) if you do not have a parent portal account.

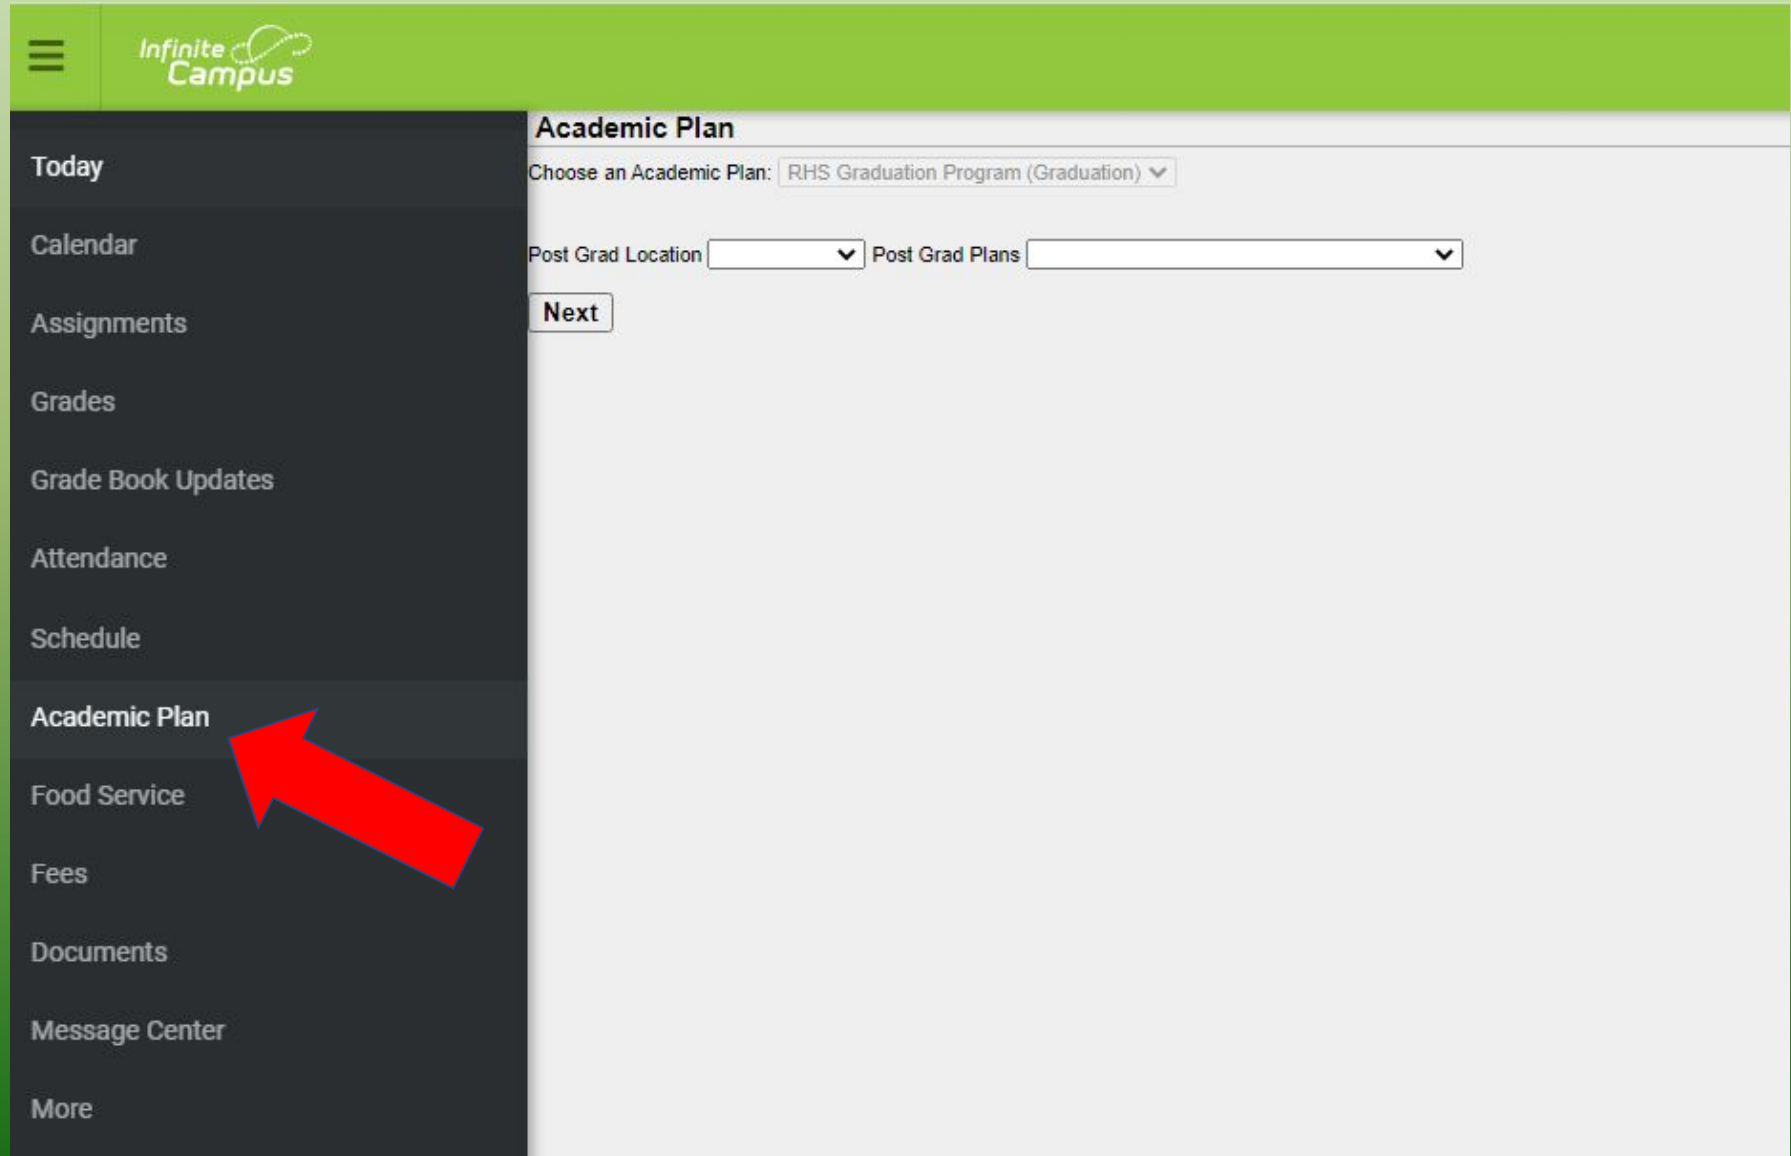

[CLICK HERE](#) for portal support, forgot password/username or questions.

If you meant to login to the Rockford website please visit: www.rockford.k12.mn.us
Rockford Area Schools a Tradition of Excellence One Student at a time!

Online Registration Directions

- 1) Go to the district website at www.rockford.k12.mn.us.
- 2) Click on the Infinite Campus Portal icon.
- 3) Enter Student's Username and Password (use your school password).
- 4) Select "Academic Plan" in the menu on the left hand side
- 5) Two Post Grad Plans questions will appear, these are optional. Click on "Next".
- 6) Have your 2022-2023 Course Description Guide available for course descriptions and pre-requisite courses

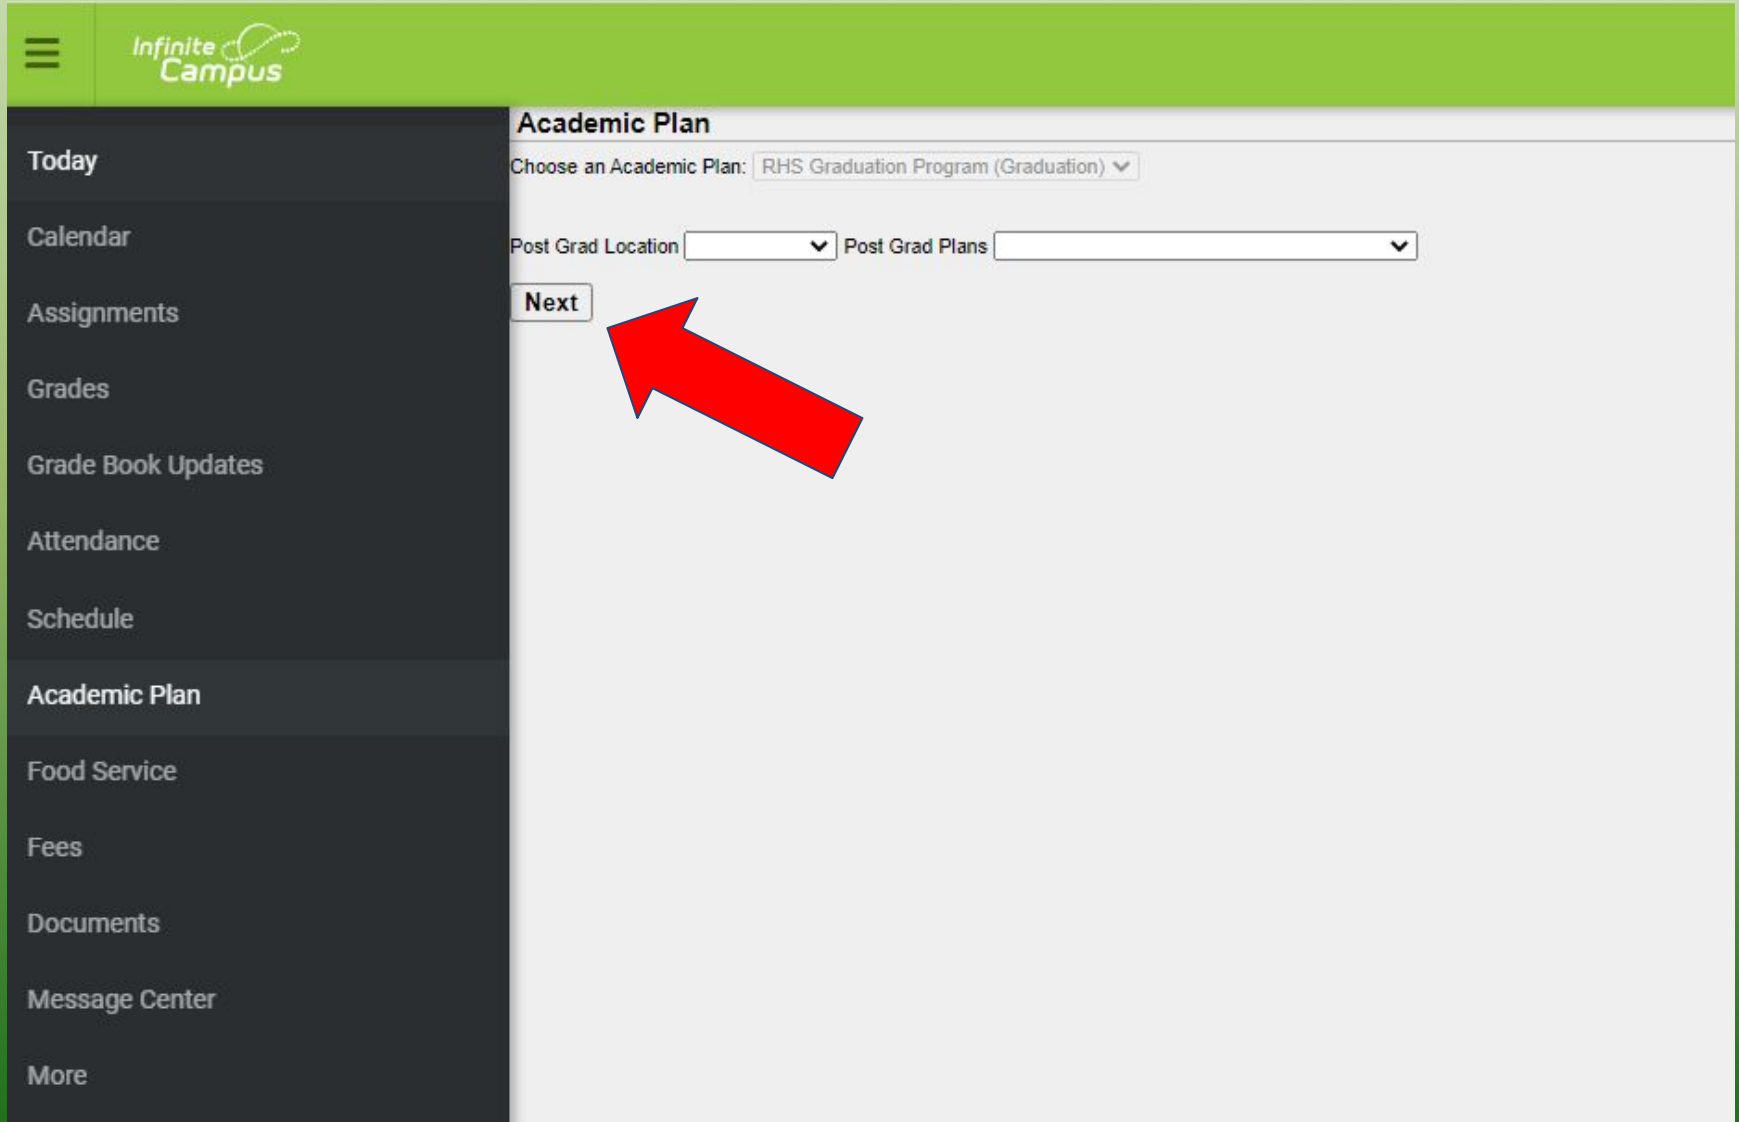

Online Registration Directions cont.

The screenshot shows the Infinite Campus web interface. On the left is a dark sidebar with a menu. The 'Academic Plan' item is highlighted, and a red arrow points to it. The main content area is titled 'Academic Plan' and contains the following elements:

- Choose an Academic Plan:** A dropdown menu with 'RHS Graduation Program (Graduation)' selected.
- Post Grad Location:** An empty dropdown menu.
- Post Grad Plans:** An empty dropdown menu.
- Next:** A button.

Online Registration Directions cont.

The screenshot shows the Infinite Campus user interface. On the left is a dark sidebar with a menu containing: Today, Calendar, Assignments, Grades, Grade Book Updates, Attendance, Schedule, Academic Plan (highlighted), Food Service, Fees, Documents, Message Center, and More. The main content area has a green header with the Infinite Campus logo and a hamburger menu icon. Below the header, the section is titled "Academic Plan". It contains a dropdown menu labeled "Choose an Academic Plan:" with "RHS Graduation Program (Graduation)" selected. Below this are two more dropdown menus: "Post Grad Location" and "Post Grad Plans". At the bottom of the form is a "Next" button, which is highlighted by a large red arrow.

How to Register:

- Review each subject for the upcoming grade you are registering for.
- Pre-filled courses with the lock icon are pre-determined based on teacher recommendation and cannot be changed during the registration process.
- For subjects where a course is not pre-filled, click within the box and a drop down list of available courses will appear. Select the course you wish to enroll in. If you select an “A” semester course, the “B” course will auto fill. If it does not, make sure to select the “B” semester course as well.
- If a course number is entered in error, click on the (x) by the course name to remove it.
- If a course is pre-filled, but not locked, you could elect to enroll in a different course than the pre-filled course by following these instructions:
 - Click the “x” next to the course name to delete the course
 - After the course is deleted, click in the box and a drop down list will appear of available courses. Select the course you wish to enroll in. If you select an “A” semester course, the “B” course will auto fill. If it does not, make sure to select the “B” semester course as well.

9400 Astronomy

1.000 credits of Elective

Course Requirement(s):

Planning Rule(s):

Course Description:

Grades: 9, 10, 11, 12
1 Semester/1 Credit

Astronomy is the branch of science that deals with celestial objects, space, and the physical universe as a whole.

While not all topics in astronomy can be studied in-depth in one semester, selected topics will be presented in a thematic style. The topics in this elective course include but are not limited to the daytime sky, the nighttime sky, constellations, distances sizes and angles, stars and stellar evolution, along with galaxies and the universe.

Course 9400 Astronomy

Add to Alternates Grade 11

Add to Grade 12

Add to Alternates Grade 12

Alternate Classes

- Please pick 3-4 Alternate Classes
- Adding courses to your Academic Plan does not guarantee entry into the class, please pick alternate “backup” classes in case one of your choices does not fit in your schedule

Online Registration FINAL STEPS!

You are finished when you have 14.0/14.0 credits at the top of the column AND the required credits from each subject area are met for your upcoming year. You only need to register for the upcoming school year. Students can make course selections for future years following the same procedures. These courses will be saved in their planner, but not locked in, and can be changed later.

Review your course plan.

Click “Save” in the top menu bar. Remember, this will only “lock in” the courses you selected for the next academic year. You may print your Academic Plan by clicking on the printer icon at the top by “Course Plan Report”.

Congratulations! Your registration is complete.

IMPORTANT: Final Schedules are based on student demand. Courses that did not have enough interest may not be offered and you may be asked to select an alternative course. When schedules are released, if you have a “See Counselor” in one block instead of an actual course, you will need to see the Guidance Office to fill your schedule within the first 2 days of school. This can happen if courses you selected are full, do not fit in your schedule, or if not enough electives were selected during the registration process.

Assistance with Course Registration

- Make an appointment in the guidance office to meet with me
 - Email - blooms@rockford.k12.mn.us
- Remember registration closes: Friday February 25, 2022 at 3:30 p.m.
- If you need assistance with registering for your courses, or do not have access to a computer at home, please come into the guidance office.

Thank you for your time

- Please use the rest of the time to begin filling out your registration worksheet and previewing the course description guide.
- All of the registration information can be located on the Rockford High School Counselor's website found under Student Services.
- [Registration Information](#)
