A principal choosing to continue participation shall pay the entire monthly premiums of such plans effective on the date the Unpaid Leave of Absence begins.

## **ARTICLE X SENIORITY AND UNREQUESTED LEAVE**

Section 1. The School Board shall prepare and distribute to principals a seniority list on or before November 1 of each school year. Principal seniority shall be based on the employee's time of service in the principals bargaining unit. The employee's "first date of service" shall be used in determining time of service in the principals bargaining unit. Principals may not assert seniority rights to attain promotional positions.

Section 2. Tie Breaker: When two or more principals have the same seniority date, as defined in Section 1 of this Article, the ties shall be broken in accordance with the following:

- A. First date of service to the District in a licensed teaching position.
- B. File folder number (lowest number shall be listed first).

Section 3. Seniority List. A principal may challenge the correctness of the seniority list by filing a grievance as provided in Article XIII of this Agreement. In the absence of a grievance being filed within twenty (20) days from the date of distribution, the seniority list will be conclusively deemed to be correct.

## **ARTICLE XI WORK STOPPAGES**

Principals, in the event of a strike or work stoppage by any group of School Board employees, may be required to report for duty to carry out assignments as directed by the School Board.

## **ARTICLE XII GRIEVANCE PROCEDURE**

Section 1. Grievance Definition: A "grievance" shall mean an allegation by a principal resulting from a dispute or disagreement between the principal and the School Board as to the interpretation or application of this Contract.

Section 2. Representative: The principal or School Board may be represented during any step of the procedure by any person or agent designated by such party to act on their behalf.

Section 3. Definitions and Interpretations:

Subd. 1. Extension: Time limits specified in this Contract may be extended by mutual agreement.

Subd. 2. Days: Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all week days not designated as holidays by state law.

Subd. 3. Computation of Time: In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

Subd. 4. Filing and Postmark: The filing or service of any notice or document herein shall be timely if it bears a postmark of the United States mail within the time period.

Section 4. Time Limitation and Waiver: Grievances shall not be valid for consideration unless the grievance is submitted in writing to the School Board's designee, setting forth the facts and the specific provision of the Contract allegedly violated and the particular relief sought within 20 days after the date the event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereinafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the principal and the School Board's designee.

Section 5. Adjustment of Grievance: The School Board or its designee and the principal shall attempt to adjust all grievances which may arise during the course of employment of any principal in the following manner:

Subd. 1. Level I: If a grievance is not resolved through informal discussions, the School Board designee shall give a written decision of the grievance to the parties involved within 10 days after receipt of the written grievance.

Subd. 2. Level II: In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the Superintendent, provided such appeal is made in writing within 5 days after receipt of the decision in Level I. If a grievance is properly appealed to the Superintendent, the Superintendent or designee shall set a time to meet regarding the grievance within 15 days after receipt of the appeal. Within 10 days after the meeting the Superintendent or designee shall issue a decision in writing to the parties involved.

Section 6. School Board Review: The School Board reserves the right to review any decision issued under Level I or Level II of this procedure, provided, the School Board or its representative notify the parties of its intention to review within 10 days after the decision has been rendered. In the event the School Board reviews a grievance under this Section, the School Board reserves the right to reverse or modify such decision.

Section 7. Denial of Grievance: Failure by the School Board or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the principal may appeal it to the next level.

Section 8. Arbitration Procedures: In the event the principal and the School Board are unable to resolve a grievance, the grievance may be submitted to arbitration as defined herein:

Subd. 1. Request: A request to submit a grievance to arbitration must be in writing, and such request must be filed with the Superintendent within 10 days following the decision in Level III of the grievance procedure.

Subd. 2. Prior Procedure Required: No grievance shall be considered by the arbitrator which has not been first duly processed in accordance with the grievance procedure.

Subd. 3. Selection of Arbitrator: Upon the proper submission of a grievance under the terms of this procedure, the parties may attempt to agree upon the selection of an arbitrator. Either party may request the Bureau of Mediation Services to submit a list of arbitrators pursuant to PELRA.

Subd. 4. Hearing: The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate.

Subd. 5. Decision: The decision by the arbitrator shall be rendered within 30 days after the close of the hearing. Decisions by the arbitrator in cases properly before the arbitrator shall be final and binding upon the parties subject, however, to the limitations of arbitration decisions as provided in the PELRA.

Subd. 6. Expenses: Each party shall bear its own expenses in connection with arbitration including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally fees and expenses of the arbitrator, the cost of the transcript or recording if requested by either or both parties, and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration.

Subd. 7. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include but are not limited to such areas of discretion or policy as the functions and programs of the School Board, its overall budget, utilization of technology, the organizational structure and selection and direction and number of personnel. In considering any issue in dispute, the arbitrator shall give due consideration to the statutory rights and obligations of the School Board to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operation.

## Memorandum of Agreement

### UNREQUESTED LEAVE OF ABSENCE

Section 1. Purpose: The purpose of this Memorandum of Agreement (“MOA”) is to implement the provisions of M.S. 122A.40 Subd. 10. This MOA shall constitute the required plan for unrequested leave of absence (“ULA”) because of discontinuance of positions, lack of pupils, financial limitations, or merger of classes caused by consolidation of school districts.

#### Section 2. Definitions:

Subd 1. “Principal” shall mean a continuing contract principal or assistant principal appropriately licensed. Throughout this MOA, unless otherwise states, references to “principal” shall include assistant principals.

Subd 2. “Seniority” shall mean employment under a continuing contract as principal or assistant principal with a seniority date as determined by Section 3 hereof involving continuous service with the School District. For purposes of seniority, it is understood that a principal on a leave of absence pursuant to the collective bargaining agreement shall continue to accrue seniority during such leave of absence.

Subd 3. “Association” or “Unit” shall mean the recognized exclusive representative for principals and assistant principals.

#### Section 3. Establishment of a Seniority List:

Subd 1. The District shall annually establish a seniority list to be prepared from District records. The list shall be distributed electronically to all members of the principals bargaining unit.

Subd 2. All principals will have a seniority date on the principal seniority list.

Subd 3. Any principal who disagrees with the order of seniority on the list shall have 20 days from transmission of the list to discuss the matter with the district. Absent an agreement, the matter may be resolved through the contractual grievance process.

Subd 4. In the event the principals have equal seniority, their seniority ranking shall be determined by:

- A. First date of service to the District in a licensed teaching position.
- B. File folder number (lowest number shall be listed first).

Subd 5. A principal who has held seniority as a full-time principal shall continue to retain the original seniority date and hold seniority if such principal becomes employed in a part-time position involving continuous service.

#### Section 4. Placement on Unrequested Leave of Absence:

Subd 1. The School Board may place on unrequested leave of absence, without pay or fringe benefits, as many principals as may be necessary because of discontinuance of position, lack of students, financial limitations, or merger of classes by consolidation. The unrequested leave shall be effective at the close of the school year. In the event a principal or assistant principal must be placed on a unrequested leave of absence due to discontinuance of position, lack of students, financial limitations, or merger of classes by consolidation the provisions of M.S. 122A.40, as amended, shall apply.

Subd 2. Principals and assistant principals shall be placed on unrequested leave in reverse order of their hiring as stated on the principal seniority list.

Subd 3. Principals may assert a seniority right into a position that is not a promotion. This limitation applies both to the placement of principals on ULA and to reinstatement therefrom. A promotion is a position that is ranked higher than the position the principal occupies at the time of placement on ULA. The principal positions covered by this MOA are listed below in promotional rank order with the first position listed being highest:

- a) Principal – Senior High
- b) Principal – Middle School
- c) Principal – Elementary
- d) Principal – ALC
- e) Assistant Principal – Senior High
- f) Assistant Principal – Middle School
- g) Assistant Principal – Elementary

Subd 4. For purposes of placement on unrequested leave, only service in the unit as a principal or assistant principal may be counted.

Subd 5. Principals placed on unrequested leave have the right to return to other positions requiring a license in the district for which they are licensed and for which they are senior.

Subd 6. Any challenge by a principal who is proposed for placement on ULA or reinstatement therefrom shall be subject to the hearing and review procedures as provided in Minn. Stat. 122A.40 and, therefore, shall not be subject to the grievance procedure contained in the collective bargaining agreement.

#### Section 5. Reinstatement:

Subd 1. Principals shall be recalled from an unrequested leave of absence to available positions in the School District in fields for which they are licensed in the inverse order in which they were placed on unrequested leave of absence.

Sub 2. The School District shall maintain a recall list in accordance with this MOA. This list shall be updated every October 1<sup>st</sup>, and a copy shall be forwarded to the Association.

Subd 3. No appointment of a new principal shall be made while there is available, on unrequested leave, a principal who is properly licensed to fill such vacancy. The principal's right to reinstatement shall terminate if the principal fails to file with the board by April 1 of any year a written statement requesting reinstatement.

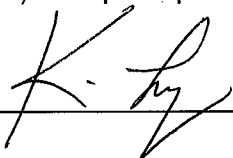

Subd 4. Notification of available positions shall be by certified mail to the last known address of the principal as recorded in the business office. In the event a principal declines a principal position or fails to notify the School Board in writing of the principal's intentions within fifteen (15) days of the date of mailing the notification, the principal shall be removed from the recall list. Failure of a notice to reach the principal shall not be the responsibility of the District if the notice has been mailed as provided in this MOA.

Subd 5. A principal placed on unrequested leave of absence may engage in teaching or any other occupation during the period of this leave. Nothing in this MOA shall be construed to impair the rights of principals placed on unrequested leave of absence to receive unemployment compensation, if otherwise eligible.

Subd 6. The unrequested leave of absence shall not impair the continuing contract rights of a principal or result in the loss of any benefits accrued under the Master Contract while the principal was employed by the School District.

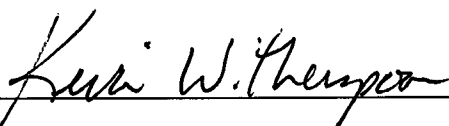

Subd 7. The unrequested leave of absence of a principal who is not reinstated shall continue until the earliest occurrence of one of the following:

- a) The three-year reinstatement period ends on the first day teachers return to duty for the commencement of the third school year following the principal's placement on unrequested leave.
- b) the principal fails to respond within fifteen (15) days of the date of mailing the notification of an available position or
- c) the principal declines reinstatement to an available position or
- d) the principal submits in writing a request to be removed from the recall list
