- **Irene Escoto-Gomez!** (Kinder) Irene is our star student because she has made so much progress in so many different ways this year! She is always positive and ready to learn! We love having Irene in our class! I am so proud of her! ~A. Honer
- **Joseph Lopez!** (Kinder) Joseph has really become a good citizen in the classroom. We received two new students in our classroom and Joseph welcomed them with open arms! He has made fast friends and has helped to get them acclimated, especially during Science and Social Studies. We compete in the classroom when we do our Kahoot quizzes, and Joseph has won repeatedly! He gets really excited to see his name come up as "First Place" winner! It has really encouraged our students to try really hard to become the winner! Joseph is a true leader, and a good friend to our students! ~D. Wright

- **Diego Lopez!** Diego is always ready to learn! He comes in each day and gets ready quickly for whatever we will be doing. He is always positive and never complains. Diego is definitely a great student in the classroom. ~M. Rowland
- **Angel Hernandez!** Outstanding service to his classmates in support of their academics and behavior while in class. Throughout this year whenever a student has been in need of assistance, in any of the core subjects the first student they will look at is Angel. Whenever the student has an emotional concern and wants to talk to a peer they ask for Angel who they know will lend a non-judgmental ear and always provide support. Time and time again he has served as the bedrock for our students. We are so very, very proud to have Angel as a part of our class. He has been successful in any challenge that has been put before him. D. Chapman
