

Tuesday, 22nd February 2022

Dear Teachers,

Cranleigh Abu Dhabi are delighted to host this year's BSME Dance event, digitally. Being online opens the event to as many Schools as possible across the Middle East to come together and celebrate the joy of dance.

On Friday 4th March, the BSME Dance website will launch live. BSME Schools will have online access to a variety of intermediate and advanced dance workshops from established Pineapple Dance Studios, London practitioners. There will be a range of dance styles to choose from. Students can enjoy learning from the workshops in their own time and space. Students and Teachers will be able to use, adapt and shape any of the workshop choreography to inspire their own work. Final entries can be in any dance style.

This year's theme is 'Art in Motion'.

There are two separate age groups for each entry:

- Junior (Year 5 and 6)
- Senior (Year 7 and above).

Entry Categories	Length of Dance	Participants
School Group	Up to 5 minutes	No limit
Solo Choreography	One minute 30 seconds	One
Duo/Trio Choreography	Up to two minutes	Two or Three

Each School may enter a maximum of one submission from each of the above Entry Categories. If you have more than one entry within your School, you will have to select your internal School winner as a first step.

The deadline to submit entries for the competition is Friday 27th May 2022. Event entry is free.

To register your interest for this event, and receive further information please complete this [Google Form](#).

Please do not hesitate to get in touch with me at kgallagher@cranleigh.ae if you have any other questions. Let's dance together - even while apart!

Kind Regards,

Kelly Gallagher
