The Capital Assessment Fee is a one-time fee applied to new families for their first year at AOSR. This fee is assigned to a fund specifically designed for capital projects. Capital Assessment is not refundable and is not prorated according to attendance or by the date of entry during the school year. Capital Assessment is waived for new families enrolling only Pre-Kindergarten students. It will be applied once the first student enters Kindergarten.

The Registration Fee is a one-time mandatory and non-refundable fee and is due once a place at the school has been offered and accepted. The Capital Assessment and Registration Fees are due upon receipt of the invoice and payment will guarantee the student(s) a place until the tuition fees are invoiced and paid. Families that re-enroll that had left AOSR for at least one academic year will have the Capital Assessment fee waived and will only be charged the Registration Fee upon re-admission.
