

Special Educational Needs and Disability Information Report

▪ **About this report**

The Children and Families Act 2014 says that all schools and academies must publish a Special Educational Needs and Disability (SEND) Information Report every year. This report explains how our academy meets the needs of children with SEND. It will be published on the academy website and as part of East Sussex County Council's 'local offer' (www.eastsussex.gov.uk/localoffer).

In the report, we explain how we meet our duties towards pupils with special educational needs and disabilities, including those in our nursery. This report complements the University of Brighton Academies Trust's Special Educational Needs and Disabilities Policy [University of Brighton Academies Trust](http://UniversityofBrightonAcademiesTrust).

We will keep this report up to date. The academy's Local Board will also review this report every year, and will involve pupils and parents/carers. If you want to give us feedback about the report, please contact the academy office or the SENDCo via sendco@churchwoodprimaryacademy.org.uk

▪ **Who do I contact about my child's special educational needs?**

Your first point of contact at the academy is the child's class teacher or within the Nursery, the Nursery Teacher or your child's Key Person.

The Special Educational Needs Coordinator (SENDCO) is responsible for managing and coordinating the support for children with special educational need, including those who have Education, Health and Care (EHC) plans. They also provide professional guidance to academy staff and work closely with parents/carers and other services that provide for children in the academy.

The key contacts at our academy are:

Principal	Ros Collett
SENDCo	Jackie Oakman
Nursery SENDCo	Natalie Pitts
Chair of Local Board	Caroline Masterton
Nominated Member of the Local Board for SEND	Robert Hill

Designated Safeguarding Lead	Ros Collett
Designated Person for Looked After Children	Jackie Oakman

Contact details:

Churchwood Primary Academy

Website: <http://www.churchwoodprimaryacademy.org.uk>

Email: office@churchwoodprimaryacademy.org.uk

SENDCo: sendco@churchwoodprimaryacademy.org.uk

▪ Which children does the academy provide for?

We are a primary academy and we admit pupils aged 4 to 11 years.

We are an inclusive school. This means we provide for children with all types of special educational needs. The areas of need that are described in the SEND Code of Practice are:

- **Communication and interaction** – this includes children and young people with speech, language and communication needs (SLCN) and those with an Autism Spectrum Disorder (ASD) including Asperger’s Syndrome.
- **Cognition and learning** – this includes children and young people with moderate learning difficulties (MLD), severe learning difficulties (SLD) and profound and multiple learning difficulties (PMLD). This also includes children and young people with specific learning difficulties (SpLD) such as dyslexia, dyscalculia and dyspraxia.
- **Social, emotional and mental health difficulties** – social, emotional and mental health difficulties may manifest themselves in many ways including becoming withdrawn or isolated, as well as displaying challenging, disruptive or disturbing behaviour. Other children and young people may have disorders such as attention deficit disorder, attention deficit hyperactive disorder or attachment disorder
- **Sensory and/or physical needs** – this includes children and young people with visual impairment (VI), hearing impairment (HI), multi-sensory impairment (MSI) and physical disability (PD)

Children and young people with any of these needs can be included within our academy community. Whilst these four categories broadly identify the primary areas of need for children and young people, our academy will consider the needs of the whole child or young person and not just their special educational needs.

If you want a place at our academy for a child with a statement or Education, Health and Care plan, this can be considered during the annual review process and/or during the admissions process. If you want a place for any other child with special educational needs, you should

apply as normal, and your application will be considered in the same way as applications from children without special educational needs.

Our Admissions Policy is available on our website at:

<http://www.churchwoodprimaryacademy.org.uk/statutory/admissions>

Other useful information is available from:

▪ **Summary of how the academy meets the needs of children with SEN and disabilities**

The key aim of the University of Brighton Academies Trust and each of its academies is to help all pupils – including those with SEN and disabilities - to achieve their very best and become successful, well-rounded individuals. We believe that all children should have high quality teaching, adjusted to meet their individual needs, in accordance with our statutory duties under the Children and Families Act 2014 and the Equalities Act 2010. Our academy regularly assesses all of our pupils so that we can see who has special educational needs as early as possible.

We follow an 'assess, plan, do, and review' cycle to ensure that we meet the needs of children with special educational needs.

Where a child makes less than expected progress, the class teacher or Key Person in the Nursery, in conjunction with the SENDCO, will begin the process of assessing whether the child has SEND. Where a pupil is identified as having SEND, the academy will plan (in conjunction with the pupil and parent/carer) the child's teaching by identifying the outcomes that are being aimed for, and by identifying and planning the provision needed to meet the outcomes. The resulting 'Additional Needs Plan' will then be implemented, and regularly reviewed, at least three times a year.

The 'assess, plan, do, and review' cycle helps everyone to work together to continually improve the support so that the child makes good progress.

If the child is looked after by the local authority they will have a Care Plan including Personal Education Plan (PEP) and Health plan. We will co-ordinate these plans with the SEND support plan and will involve parents and carers as well as foster carers or social workers in discussions.

▪ **How does the academy identify children's special educational needs?**

We aim to identify children's special educational needs (SEND) as early as possible, so that they have the best possible outcomes. A pupil has SEND where their learning difficulty or disability calls for special educational provision, namely provision different from or additional to that normally available to pupils of the same age.

Our academy will assess each pupil's current skills and level of attainment on entry to the academy. We will make regular assessments of progress for all pupils. These will seek to identify pupils making less than expected progress given their age and individual circumstances. This is progress which:

- is significantly slower than that of their peers starting from the same baseline;
- fails to match or better the child's previous rate of progress;
- fails to close the attainment gap between the child and their peers;
- widens the attainment gap.

The first response to less than expected progress will always be high quality teaching targeted at the pupil's area of weakness.

In identifying a child as needing SEND support, the class teacher, working with the SENDCO, will carry out a clear analysis of the pupil's needs including the individual's development in comparison to their peers and national data.

Slow progress and low attainment do not necessarily mean that a child has SEND. Equally, attainment in line with chronological age does not necessarily mean that there is no learning difficulty or disability.

Difficulties related solely to limitations in English as an additional language are not SEND. Persistent disruptive or withdrawn behaviours do not necessarily mean that a child or young person has SEND.

We are alert to emerging difficulties and respond early. For some children, SEND can be identified at an early age. However, for other children difficulties become evident only as they develop.

We recognise that parents know their children best and listen and understand when parents' express concerns about their child's development. Staff also listen and address any concerns raised by the children and young people themselves.

Where it is decided to provide pupil with SEND support, the decision will be recorded in academy SEND register and we will formally notify parents. We are required to make data on the level and types of SEND in the academy available to the Local Authority. This data, which is collected through the School Census, is also required to produce the national SEND information report.

SEND support will be adapted or replaced depending on how effective it has been in achieving the agreed outcomes.

A school-based SEND support plan is used when, despite the appropriate targeted support, a child or young person continues to make little or no progress or to work at levels considerably below those of their peers. Many of these children are likely to be receiving support from other agencies. Within the academy, these are called APDR forms and they detail the provision that a child has which is additional to, or different from, regular classroom practice.

Where, despite taking relevant or purposeful action to identify, assess and meet the SEND of the child or young person, the child or young person has not made expected progress, consideration will be given to requesting an Education, Health and Care assessment. This request can be made by the academy or by parents.

In considering whether an EHC needs assessment is necessary, the Local Authority will consider the evidence of the action already being taken by the academy to meet the child or young person's SEND. An EHC needs assessment will not always lead to an EHC plan.

The purpose of an EHC plan is to make special educational provision to meet the special educational needs of the child or young person, to secure improved outcomes for them across education, health and social care and, as they get older, prepare them for adulthood. The EHC plan also specifies the arrangements for setting shorter term targets at academy level.

▪ **How does the academy teach and support children with SEND?**

In common with all academies in the University of Brighton Academies Trust, we set high expectations for all pupils, whatever their prior attainment. We use assessment to set targets which are deliberately ambitious. We deliver high quality teaching that is differentiated and personalised and meets the individual needs of the majority of children and young people. Some children and young people need educational provision that is additional to or different from this and we use our best endeavours to ensure that such provision is made for those who need it.

Teaching and learning strategies include:

- Differentiated curriculum, objectives, activities and teaching approaches;
- Increased 'scaffolding' using resources within the classroom;
- Clarity for pupils about what they are being asked to do, why they are doing it, how they are supposed to do it and how they will know if they have done well;
- Use of supportive techniques such as visual timetables, modelling and demonstration;
- Clear instructions and simplified language;
- Support with key words and subject terminology;
- Access to IT and alternative methods of recording work;
- Structured routines and regular reminders of whole-school/class rules;
- Reward and sanctions systems that work and take account of pupils' SEND.

The quality of teaching for pupils with SEND and their progress is a core part of the Trust's performance management arrangements, and our academy's approach to professional development for all teaching and support staff.

We record evidence of pupil progress, with a focus on outcomes and a rigorous approach to the monitoring and evaluation of any SEND support provided. We will record details of additional or different provision made under SEND support. This forms part of regular discussions with parents about the child's or young person's progress, expected outcomes from the support and planned next steps.

SEND support takes the form of a four-part cycle: assess, plan, do and review. Decisions and actions are revisited, refined and revised with a growing understanding of the pupil's needs and of what supports the pupil in making good progress and securing good outcomes. This is known as the graduated approach.

Clear dates for reviewing progress are agreed and the parent, pupil and teaching staff will be clear about how they will help the pupil reach their expected outcomes. The effectiveness of the support and interventions and their impact on the pupil's progress will be reviewed in line with the agreed date.

Education, Health and Care plans are used to actively monitor children and young people's progress towards their outcomes and longer term aspirations. They must be reviewed as a minimum every 12 months. Reviews will be undertaken in partnership with the child or young person and their parents, and will take account of their views, wishes and feelings. The review

will focus on the child's progress towards achieving the outcomes specified in the EHC plan. The review will also consider whether these outcomes and supporting targets remain appropriate. Parents, an academy representative, a Local Authority SEND Officer, a health service representative and a Local Authority social care representative will be invited to the review meeting.

Before the meeting we will:

- give notice to all parties at least two weeks before the meeting and seek advice and information about the child;
- send out any advice or information gathered to all those invited at least two weeks before the meeting.

We will prepare and send out a report of the meeting to everyone invited within two weeks of the meeting.

Where a child is looked after by the Local Authority, the academy will endeavour to synchronise EHC plan reviews with social care reviews.

▪ **How will the curriculum and learning environment be matched to my child's/young person's needs?**

All pupils have access to a broad and balanced curriculum which is suitable for all our pupils. We will set high expectations for all pupils and place an emphasis on making learning experiences engaging and inclusive to ensure all pupils make enhanced progress in their learning.

We adjust the curriculum for each child with SEND to make sure that they can access the subjects at their own level, and make progress. This is called 'differentiation'. Lessons are planned to address potential areas of difficulty and to remove barriers to pupil achievement. We do what is necessary to enable children and young people to develop, learn, participate and achieve the best possible outcomes irrespective of whether that is through reasonable adjustments for a disabled child or special educational provision for a child with SEND.

We will look at the child's level of achievement and see what support they need to make good progress and reach their potential. We will use our Assessment Policy to do this. We will talk with children and parents as part of the SEND support cycle (assess, plan, do, review).

We understand that sometimes pupils need further time or an additional intervention to support them in achieving their potential. Interventions include:

- Phonic Interventions
- 'Learning to Learn' Curriculum Provision
- Speech and Language Therapy
- Gross and fine motor skills interventions e.g. JumpAhead

Occasionally, a pupil may need more specialist support from an outside agency such as the Children's Integrated Therapy Team, Child Development Clinic, etc. Referral forms are completed in conjunction with parents/carers and forwarded to the most appropriate agency. After a series of assessment, a programme of support is usually provided to the academy and parents/carers.

We have a facility for children with Education, Health or Care Plans with a specific diagnosis of Autism Spectrum Disorder in conjunction with Speech, Language and Communication Needs. This provision is arranged as a small class base and has the capacity for up to eight Key Stage 2 pupils. Learning is personalised for each pupil. Where noted in EHCP's, individual therapy programmes are built into pupil learning. Where appropriate, some pupils may access learning within their mainstream environment.

Further information about our academy's curriculum for each year group is available on our website.

▪ **How are parents and carers involved in reviewing children's progress and planning support?**

We are committed to working in partnership with parents and carers. We will:

- Have regard to the views, wishes and feelings of parents;
- Provide parents with the information and support necessary to enable full participation in decision making;
- Support parents in order to facilitate the development of their child to help them achieve the best possible educational and other outcomes, preparing them effectively for adulthood;
- Meet with the parents of children and young people at least three times each year;
- Provide regular reports for parents on their child's progress;
- Involve parents in the regular reviews of SEND support plans and, where applicable, in the annual review of EHC plans;
- Offer drop-in appointments with the SENDCo where specific information is to be discussed, e.g. Dyslexia Screening information, etc.
- Offer parents/carers the opportunity to attend therapy sessions, e.g. Speech and Language Therapy.

▪ **How are children involved in reviewing their progress and planning support?**

We are committed to involving children and young people with SEND in decisions about their learning. We will:

- Have regard to the views, wishes and feelings of children and young people;
- Provide children and young people with the information and support necessary to enable full participation in decision making;
- Support children and young people to support their development and help them achieve the best possible educational and other outcomes, preparing them effectively for adulthood.

The following table sets out the different opportunities we have for talking to pupils about their learning:

	Who's involved?	How often?
Self-assessment	pupil, class teacher	Daily
Class Circle times	pupil, class teacher	Weekly
Worry Box/Suggestions box	Pupil, class teacher	Daily as required

School Council	Class, class teacher, Attendance Officer	Fortnightly
Pupil Voice	pupil, SENDCo, class teacher	At least annually / as needed
SEND support review meetings	Pupil, parents, class teacher/ supported by SENDCo	Annually / when required
Annual reviews (EHC plans only)	Pupil, parents, SENDCO, class teacher, support services, local authority.	Annually

The Academy also offers a number of opportunities throughout the year for pupils to give their views through questionnaires and surveys.

▪ **How will the academy prepare and support my child to transfer to a new school/ college or the next stage of education and life?**

The great majority of children and young people with SEND or disabilities, with the right support, can find work, be supported to live independently, and participate in their community. In common with all academies in the University of Brighton Academies Trust, we encourage these ambitions from the start. Our SEND support includes planning and preparation for the transitions between phases of education, key stages, year groups and preparation for adult life. We will agree with parents and pupils the information to be shared as part of this process. We support children and young people so that they are included in social groups and develop friendships. This is particularly important when children and young people are transferring from one phase of education to another.

If a child or young person has an EHC plan, this will be reviewed and amended in sufficient time prior to moving between key phases of education. The review and any amendments must be completed by 15th February in the calendar year of the transfer.

We work closely with our pupils to prepare them for transition, both through 1-to-1 work and small group work, as well as whole class work. If required, an enhanced transition plan will be drawn up, based on the needs of the individual pupil and in conjunction with the new setting.

We ensure that there is a thorough handover between professionals at the new school and ourselves. This often involves a professional meeting, where all the information regarding the pupil is shared. In addition, once the child has transferred, all paperwork is sent to the new school.

▪ **What training do academy staff have?**

We regularly and carefully review the quality of teaching for all pupils, including those at risk of underachievement. This includes: identifying particular patterns of need in the academy, reviewing, and where necessary improving, teachers' understanding of strategies to identify and support vulnerable pupils and their knowledge of the SEND most frequently encountered.

Where interventions are required, we ensure staff have sufficient skills and knowledge to deliver the intervention effectively.

The quality of teaching for pupils with SEND, with the progress made by pupils, is a core part of the University of Brighton Academies Trust's performance management arrangements and its approach to professional development for all teaching and support staff.

At Churchwood Primary Academy, the SENDCo holds the National Award for SEND Co-ordination, and holds the Nurture Network Accreditation.

Churchwood Primary Academy employs a Speech and Language Therapist (SALT) and two Speech and Language Therapy Assistants.

We identify training needs on an ongoing and individual basis. Staff have received training related to SEND, including sessions on:

- Speech and Language Interventions
- Autism Spectrum Disorder
- Sensory Integration
- Dyslexia
- Alternative Curriculum Provision
- Therapeutic Thinking
- JumpAhead and Sensory Circuits

▪ **How does the academy measure how well it teaches and supports children with SEND?**

We regularly and carefully review the quality of teaching for all pupils to make sure no-one under achieves. We look at whether our teaching and programmes of support have made a difference and also their cost effectiveness. We use information systems to monitor the progress and development of all pupils. This helps us to develop the use of interventions that are effective and to remove those that are less so.

Pupil Progress meetings are held regularly. This is a meeting where the class teacher meets with members of the Leadership Team to discuss progress of pupils in their class. In addition, the Inclusion Team have regular meetings to review the progress of all pupils on the SEND register.

Class teachers can refer any pupils to the SENDCo for further support when required.

▪ **How accessible is the academy and how does the academy arrange equipment or facilities children need?**

The University of Brighton Academies Trust's Equality and Diversity Policy and its Equality Objectives are available on the Trust's website, as is its Policy for Supporting students and pupils with medical conditions.

Our academy's Accessibility Plan is available on our website.

▪ **How will my child/young person be included in activities with other children, including school trips?**

We are committed to eliminating discrimination, promoting equality of opportunity and fostering good relationships. Through careful planning and reasonable adjustments, pupils with SEND engage in the activities of the academy together with those who do not have SEND, and are encouraged to participate fully in the life of the academy and in any wider community activity.

We work with parents and pupils to listen to their views, feelings and wishes to ensure pupils with SEND engage fully in the life of the school and in any wider community activity.

▪ **What support will there be for my child's/young person's overall well-being, and their emotional, mental and social development?**

We support the emotional, mental and social development of children and young people with SEND and disabilities by providing extra pastoral support arrangements for listening to their views and implementing measures to prevent bullying. We make provision for pupils' spiritual, moral, social and cultural development.

We may work with other services to support children, such as the Education Support, Behaviour & Attendance Service (ESBAS) and the Child and Adolescent Mental Health Services (CAMHS).

At Churchwood Primary Academy we understand the importance of supporting pupil's wellbeing and their emotional and social development. To support this, we offer:

- Boxall Profile assessments
- Alternative Curriculum programmes i.e. Social Skills, Cooking, Therapeutic Artwork, etc.
- Lunchtime Club to support pupils who find lunchtimes difficult
- My Time Too from the Fellowship of St Nicholas

▪ **What specialist services does the academy use to support children and their families?**

As part of the cycle of SEND support (assess, plan, do, review) we will consider whether we need to involve other services to make sure the child's specific needs are met. Parents are always involved in any decision to involve specialists.

We will always involve a specialist where a child or young person makes little or no progress over a sustained period or where they continue to work at levels substantially below those of pupils at a similar age despite evidence-based SEND support delivered by appropriately trained staff. The academy may involve specialists at any point to advise on early identification of SEND and effective support and interventions.

We work with parents and agencies to consider a range of evidence-based and effective teaching approaches, appropriate equipment, strategies and interventions to support the child's or young person's progress. Together, the parties agree the needs of the child or young person, responsibilities and the outcomes to be achieved through the support, including a date by which it is reviewed. Records of involvement of specialists are kept and shared with parents and teaching staff.

Where a child is looked after by a Local Authority, we will work closely with the other relevant professionals involved in the child's or young person's life as a consequence of being looked after.

We work closely with the Local Authority and other providers to agree the range of local services and clear arrangements for making appropriate requests. Some services may be commissioned directly.

Further information on the local authority and health services are available from:

<https://new.eastsussex.gov.uk/childrenandfamilies/specialneeds/search-for-services/>
<https://new.eastsussex.gov.uk/childrenandfamilies/specialneeds/health-wellbeing/health-services/>

▪ **Where can I get information, advice and support?**

The 'Local offer' is available here: www.eastsussex.gov.uk/localoffer

Impartial advice and help for children and young people with special educational needs and disabilities and their parents and carers is available here: tel 0345 60 80 192; email informationforfamilies@eastsussex.gov.uk; website: <http://www.eastsussex.gov.uk/sendadvice>

The contact information for the academy is provided in section 2 above.

▪ **What do I do if I am not happy or if I want to complain?**

If there are any disagreements with parents about SEND support for their child person, we will work with them to try to resolve these. If parents have a complaint they can use the Trust's Complaints Policy and Procedure.

▪ **Other relevant policies**

Other policies that include information that may be important for students/pupils with SEND are:

Trust policies¹:

- Data protection
- Complaints Policy and Procedure
- Equality and Diversity Policy
- Equality Objectives
- Supporting Students and Pupils with Medical Conditions Policy
- Safeguarding in Education and Child Protection Policy
- Special Educational Needs and Disabilities Policy
- Admissions Policy
- Intimate Care Policy

Academy-specific policies² (delete as applicable)

¹ Available on the University of Brighton Trust website

² Available on the academy's website

- Behaviour Policy
- Preventing Bullying
- Accessibility Plan
- Manual Handling Policy
- Teaching and Learning Policy
- Assessment Policy

Local Board SEND Link member review date: 15th November 2021

Local Board approval date: 15th November 2021

Review date (annual review): November 2022
