Clear Brook High School
CLASS OF 2026 – 9TH GRADE
COURSE SELECTION PLANNING WORKSHEET FOR 2022-2023

Use this worksheet to help you plan your courses. **You must enter all requests in Skyward by 2/23/2022.**

The Foundation High School Program allows students to select an Endorsement that matches their career interests. The Distinguished Level of Achievement is also recommended. For more information about the FHSP and the DLA, please refer to the CCISD Educational Planning Guide. (ccisd.net/myprep) Selection of an Endorsement does not ensure acceptance into application courses. Select 7 credits and several alternates. Please choose carefully. You are making a commitment to your course selections for the entire 22-23 school year. It is the student's responsibility to notify the high school counselor if prerequisites for courses have not been met before the first day of class.
COURSE LEVEL CHANGES: Course level-down changes will be considered at the first progress report and at the end of the first nine-week grading period of the semester for each course that offers a different level of the same course. To be considered for a transfer from an Honors, Honors/GT, or AP/IGT course, the student must have made a sincere effort to succeed by attending tutorials, completing his/her work, and by conferencing with his/her teacher. The parent must conference with the teacher before a course level change will be considered. If these conditions are met and the student is earning less than a grade of 75 on the first progress report or at the end of the first nine-week grading period, that student will be considered for a change. Course level-up changes will only be considered before the first progress report. Space availability in the receiving course will be a consideration for all course level changes. Refer to CCISD's Grading and Reporting Procedures for further details.

Choose your courses carefully. You are making a commitment to your courses for the entire year.

Important Course Selection Reminders

- Choose courses carefully. Schedule changes at the high school level are for data entry mistakes or course errors only.
- Course Verification viewing and change forms will be available in early April. Changes to requests will be accepted until **April 29, 2022**.
- Schedules will be created to match requests as much as possible.
- Course requests must be entered into Skyward by **February 23, 2022**.

Additional Information to Consider

GPA and Class Rank

- High School GPA (Grade Point Average) begins with course work in the 9th grade year.
- CCISD's GPA scale is a weighted 5.0 scale with additional points for more rigorous classes.
(Level 1 Honors and Advanced Placement [AP] Courses)
- GPA and Class Rank is calculated once a year at the end of the school year during 9th and 10th grade and each semester during 11th and 12th grade.
- GPA is used to determine class rank.

Course Selection, GPA, & the top 10 ranked students

- Among the **Top 10** students from the five comprehensive CCISD high schools in the classes of 2020, 2019, and 2018 (150 students total), **26%** took a 4th year of fine arts or athletics.
- Among all courses taken by the **Top 10** students in Grade 12, Orchestra 4 was the 18th most taken course, and Band 4 was the 21st most taken course.

Honors Coursework

Benefits of Honors Coursework

- Acquiring the deep and complex thinking skills needed to be successful in rigorous coursework in high school and college.
- Apply increasingly sophisticated thinking, reading, writing, listening and speaking skills.
- Priority on deep and complex discussions, rigorous learning, real-world application, across content connections, and clear and persuasive writing.

Considerations of Honors Coursework

- The ability to prioritize time and interests
- A positive attitude toward challenging coursework
- A strong work ethic
- Encouragement of current teachers to participate in advanced level academics
- Independent study habits
- Performance on state assessments
- Course Level Change Procedures

Performance Acknowledgements

Outstanding Performance(s) in:

- Dual Credit
- Bilingualism and Biliteracy
- Advanced Placement Exams
- PSAT, ACT-Aspire, SAT or ACT
- Business or Industry Certificate or License

Performance Acknowledgements are noted on the final high school transcript.

Alternative Ways to Earn Credits in CCISD

- CCISD Summer School
- Clear Stars Credit Recovery
- Clear Access
- Distance Learning
- Credit-by-Exam
- Dual Credit
- Credit Recovery

College Admissions

- College admission requirements may be greater than FHSP graduation requirements and will vary from college to college.
- Review college admission requirements early and often to ensure high school coursework meets expected standard of a college/university.
- College admission officers will review a student's transcript for rigor and course selection during all four years of high school.
- GPA/Class Rank may be an admission criterion at a college/university.

Superintendent's Scholars

Eligibility Requirements:

- Earn grade of at least 95 in Level 2 courses
- Earn grade of at least 85 in Level 1 courses (honors or AP)
- No discipline records
- Earn certificate and award
- Can qualify all four years of high school
