

COVID Banquet 2020-2021

Season Highlights:

Season began late, November 30th. We were in “WebEx workouts” for 4 weeks until Jan 4. Even then we could not be closer than 6 feet (pretty easy when you are on skis), had to ski with a mask on at all time, then it changed to allow masks off for competition. The State Meet didn’t happen until March 11 and 12, a 2-day format. Our championship races were all in pods and we had to leave as soon as we were done skiing. Then, at the end of the season, we got temperatures in the 50s and 60s! You guys have done “Klaebo”, pod skiing, masked skiing, no cool games - all part of this weird wacky season. All the while keeping the most upbeat and positive attitude imaginable. You are amazing!
