

What is a Family-School Compact?

A Family-School Compact for Student Success is an agreement between parents, students, and schools to share responsibility to support the academic development and needs of the students in order to achieve high academic standards of excellence.

Jointly Developed

The fifth grade teachers of TRMS sent home surveys to all fifth grade parents in order to develop the Family-School Compact for Student Success. We received 71% participation. Parents responded with support for child-led and curriculum based activities.

Please know that parents are welcome to contribute their ideas, comments and suggestions anytime! Always feel free to contact us with any questions or concerns about your child.
