New Air Filtration Systems

Needlepoint Bi-Polar Ionization systems have been installed at all sites in the district. Scientific research has proven that the system:

- ⇒ Reduces the transmission of Covid
- ⇒ Reduces and eliminates pathogens, mold and viruses
- ⇒ Significantly reduces Asthma and Allergy triggers
- ⇒ Has been installed throughout the nation in various schools, institutions and hospitals such as The Mayo Clinic

CONTINUATION OF SERVICES

This document includes various efforts that our district continues to make in order to provide a safe climate for our students and faculty during the 2021-2022 school year.

Any changes made to this document will occur with continued input from our entire community of CNP educators, staff, parents, and administrators as well as OSDE, CCOSA, OSSBA, the OKC/OK County Health Department, health professionals, and state and local leaders.

Updates to the document will be posted on our website. We appreciate the support of our stakeholders as we do our best to provide a safe and appropriate learning

environment for all of our students.

We ask that all patrons remain understanding and flexible as needed. We remain committed to transparency and will notify all stakeholders if

and when changes have been made to our Return to Learn Plan.

The united efforts of our community will ensure continued excellence in CNP schools.

HEALTH CLINIC SERVICES

Free PCR SWAB TESTING, Flu Tests and Strep Testing with insurance and other telemedicine services

Two clinics are provided for all patrons within the Choctaw-Nicoma Park School System:

Monday, Wednesday and Friday

8:30 a.m.-3:30 p.m.

Del Crest Middle School
4731 Judy Drive
Del City, OK 73115

Tuesday and Thursday
8 a.m.-3 p.m.

Choctaw High School
East Parking Lot Building
14300 NE 10th
Choctaw, OK 73020

MASKS

In compliance with SB 658, masks will not be required unless Oklahoma is declared in a state of emergency by the Governor. Face masks are optional. In accordance with CDC guidance, masks are recommended for students in schools and for unvaccinated individuals and for those unable to maintain social distancing.

CLEANING & DISINFECTING

CNP schools will continue sanitization of high-contact surfaces throughout the school day. Disinfecting sprayers will be used in classrooms and on buses as needed. Frequent hand-washing and other healthy protocols will be practiced and highly encouraged.

Hand Sanitizer

Hand sanitizer will be available throughout school buildings and in classrooms.

Vaccinations and Testing

Vaccinations are encouraged but not required for those eligible.

Free testing for those with insurance is available Monday through Friday, see page one for clinic locations, days and hours of operation.

Social Distancing

Social distancing will be encouraged when space allows.

Lockers

In an effort to prevent unnecessary crowding in halls, lockers will not be handed out but will be available upon request from individual students/families. Lockers may potentially only be available for use at designated times as assigned by the school.

Drinking Fountains

School drinking fountains are closed. However, bottle fillers have been installed at all schools and students are allowed to carry a water bottle with them as needed.

Cafeterias

Each site has developed a plan which best serves the needs of the students in their buildings.

Lunches are **free for all** students for the 2021-2022 school year.

Recess

Each site will follow plans that most safely allow for students in elementary schools to have recess.

Field Trips

Site principals will consider field trip requests and approve field trips deemed appropriate and safe using data and information available to them at the time.

Outside Visitors

Outside visitors will be allowed inside school buildings for essential purposes as determined by site principals.

Assemblies

Schoolwide and grade level assemblies will be held with the principal's permission after examining current transmission levels in our community and other factors which might impact the event.

Transportation

Routes will continue as usual. If changes are necessary, parents will be notified. Passengers are encouraged to follow protocols of the CDC for health and safety.

SELF-SCREENING CHECKLIST

All CNP Students and Staff Should Self-Screen Prior to Reporting to CNP Facilities

Class A Symptoms

- * Fever of 100.0 or greater
- * Sore Throat
- * Cough
- * Difficulty Breathing
- * Diarrhea or Vomiting
- * New Loss of Taste or Smell

Class B Symptoms

- * Stuffy or Runny Nose
- * Muscle/Body Aches
- * Fatigue
- * Chills
- * Nausea
- * Loss of Appetite
- * Elevated fever of below 100.0
- * New Onset of Severe Headache

IF a student or staff member demonstrates any Class A symptoms or at least 3 Class B symptoms, please remain at home and contact your school. If symptoms do not resolve in 24 hours, contact your health care provider. Covid testing may be recommended.

Contact Tracing and Quarantines

As of February 14, with approval of the CNP School board, CNP will follow current recommendations by the Oklahoma City/Oklahoma County Health Department which means that:

- CNP will no longer conduct contact tracing on a case-by-case basis. Instead, we will focus our resources to conduct outbreak or “hot-spot” investigations as necessary.
- CNP will no longer notify each individual who is identified as a “close contact” OR notify a building or campus of a positive case. Instead, CNP will notify families and staff who may be involved in an outbreak or “hot spot” incident.
- CNP will not require “close contacts” who are not experiencing any symptoms to quarantine following an exposure, regardless of vaccination status.
- CNP will continue monitoring data, tracking and collecting self-reported positive COVID-19 cases for students and staff.
- CNP will continue to require anyone who tests positive for COVID-19 to isolate for 5 days, regardless of vaccination status.
- CNP will continue with our enhanced cleaning and disinfection protocols.
- CNP will continue practicing social distancing to the greatest extent possible.

Educational Services

Same excellent district—Two Different Options

Traditional Setting

PreK-12th grade (Traditional State Adopted Standards and Curriculum)

Schedule

CNP Schools will be in session five days a week.

Virtual Instruction/Distance Learning

If school is closed due to weather conditions or other extraordinary circumstances, or if a student is quarantined, virtual instruction/distance learning may be implemented. Hotspots and Chromebooks are available at sites for students in need of technology while learning at home. Google Classroom will be the learning platform and attendance will be counted according to board policy.

CNP EDGE

Virtual Academy

Grades 4-5 (Calvert Learning Platform)

Grades 6-12 (Courseware)

- ⇒ Flexible schedule for weekly asynchronous assignments
- ⇒ 24/7 online access to curriculum and assignments
- ⇒ Certified teacher in each grade level/subject area
- ⇒ Access to resources such as media center, child nutrition, and other support services
- ⇒ Regular two-way communication between virtual teachers and parents
- ⇒ Technology and internet provided as needed (certain conditions must be met and requests are made through building principal)
- ⇒ Ability to be in the school yearbook, go to the prom (Juniors and Seniors) and graduate with community peers
- ⇒ Participate in OSSAA activities such as sports, choir, band, vo-ag, drama, cheer and more
- ⇒ CHS families can choose full time virtual or a combination of both in-person and online classes
- ⇒ High school students may participate in EOC courses and/or Concurrent enrollment courses

Students who are failing at the end of each 9-week period will be individually evaluated regarding the most appropriate learning option. The students' learning team may require the student to return to in-person learning. EDGE students will complete required assessments in person (STAR, OSTP State Testing, and other assessments required).

Special Education

Learning options for students receiving special education services are the same as those for all CNP students. Families of students receiving special services through an Individualized Education Plan (IEP) are encouraged to contact the Special Education Teacher at their student's home school if they have questions and concerns regarding special education situations. The IEP team can assist students and families with making decisions for a learning plan and platform that best meets the needs of each student based on his/her disability.
