Dual Enrollment Information and First Steps

1. Attend the Dual Enrollment Information session along with a parent Scheduled for **January 11, 2022**. This is mandatory to participate.

2. 9th graders cannot dual enroll. 10th graders have limited eligibility. Familiarize yourself with our state's information about DE eligibility for all grade levels: https://www.gafutures.org/hope-state-aid-programs/scholarships-grants/dual-enrollment/eligibility/

3. Create an account with GAFutures and submit an online DE Funding Application through GAFutures. https://www.gafutures.org/hope-state-aid-programs/scholarships-grants/dual-enrollment/application-procedure-and-deadline/

4. Apply for admission to the college/university you plan to attend as a DE student.

Georgia Military College: https://www.gmc.edu/admissions/join-dual-enrollment.cms

East Georgia College: http://www.ega.edu/admissions/admissions_start_here/dual_enrolled_accel_student

Southeastern Technical College: https://www.southeasterntech.edu/admissions/dual-enrollment-overview/

Middle Georgia State University: https://www.mga.edu/admissions/high-school-students/index.php

Oconee Fall Line Technical College: https://www.oftc.edu/programs/high-school-programs/

5. If you attend a college that requires you to have qualifying SAT or ACT score. Register to take the exam before the admissions deadline to the college. You can register at https://www.collegeboard.org/ for the SAT and https://www.act.org/ for the ACT. Have your scores sent DIRECTLY to the college from either the College Board or ACT websites. They will not accept them from the high schools. The student must send them directly to the college.

If you plan to attend a college that will accept an Accuplacer score in place of an SAT or ACT, students will schedule with the college to take the Accuplacer.

6. Provide an official copy of your high school transcript to the college (after you submit your application to the college). Email your Counselor (nichole_shepard@johnson.k12.g.us) to let her know that you submitted your transcript request electronically at www.gafutures.org after you apply and to setup a meeting with student, parent and counselor to approve courses.

7. Once you have received confirmation of your acceptance from the college/university, then you will need to complete step 8.

8. Attend your Orientation and Register for your DE class(es) at your college/university. Send your Counselor a copy of your college schedule as soon as you register. You will need to check in with your counselor to make sure your college classes do not conflict with your high school schedule.
