<ul style="list-style-type: none"> ● AP American Literature ● AP US History ● Honors/AP Science ● Honors Math ● Honors World Language II–V ● Art/CS/Elective/Etc ● Art/CS/Elective/Etc 	<ul style="list-style-type: none"> ● Acting ● Ceramics ● Choir ● Creative Writing ● Music History & Theory ● Music & Composition ● Musical Theatre ● CS Programming ● Jazz Band ● Advanced Computer Systems ● Journalism 	<ul style="list-style-type: none"> ● Honors Physics ● AP Biology with Lab ● AP Chemistry with Lab ● AP Physics C ● AP Psychology ● AP Computer Science Principles ● AP Computer Science A ● Honors Anatomy & Physiology ● AP Environmental Science

¹ See the Graduation Requirements document for important information on completing the eleventh grade schedule. If Public Speaking has not yet been completed, it is imperative that students complete the course during 11th grade. Delaying it can negatively affect your scheduling options for senior year.

² Be sure to check that the appropriate prerequisites are met before choosing a science course. If AP Chemistry is to be taken at any time in high school, the science department strongly recommends taking it immediately after Honors Chemistry.
