

Woodland Elementary

If you have a kindergarten student starting at Woodland Fall 2022,
then please join us for the following dates!

Kindergarten Orientation

Thursday, March 24, 5:30 – 6:30 p.m.

We welcome incoming kindergarteners and prospective families to hear our kindergarten team and school principal share information and answer questions. This orientation is intended for parents and guardians. You will also have an opportunity to see the school and sign up for Early Childhood Screening, which is required for enrollment.

Kindergarten Open House and Ice Cream Social

Thursday, May 19, 5:30-6:30 p.m.

Future students and their families are encouraged to attend this event. You will have the chance to visit the kindergarten classrooms, play on the playground, ride a school bus, and have an ice cream treat! Information about many district and school services will also be available during this time.

Kindergarten Welcome Week

Monday - Friday, August 15 – 19

Future kindergarteners will connect with each other and with our kindergarten teachers throughout the week during daily two-hour sessions (either in the morning or the afternoon). The activities throughout the week reduces anxiety in students (and parents) and builds excitement for the beginning of the school year.
