NEW PERPETUAL FOUNDERS

One of the main reasons for Catholic High School's eminent success as a Catholic educational institution is the large number of those who support it. There are thousands of people—students, parents, alumni, parents of alumni, interested citizens, community leaders and other friends—who pray, work, or share their gifts to promote the school and its mission. One group deserves very particular recognition—those whom we call Perpetual Founders. They are men and women who have donated \$100,000 or more to Catholic High School during their lifetime.

Catholic High School proudly acknowledges the following for attaining the status of Perpetual Founder during the 2020-2021 fiscal year.
