

GLADSTONE TECHNOLOGY

Learning through a 21st century lens

Preparing students for the modern world requires an increased focus on technology. Each student at Gladstone will receive his/her own digital device in the classroom.

This device can house student materials and textbooks and help increase digital literacy. Our mission is to prepare our students to become successful adults in the 21st century.

Gladstone Elementary School

Serving Pre-K through Sixth Grade

OUR MISSION:

Work hard,
be nice!

ABOUT GLADSTONE

Serving students
K thru 6th grade

Bell Times:
8:10 am – 3:10 pm

Your Neighborhood Schools:

- Northeast Middle
- Northeast High

Gladstone Elementary is a neighborhood school that serves students in the Northeast community. Gladstone has more than 400 students in Kindergarten through 6th grade. It serves a very diverse community with students from several different countries representing a variety of cultures.

A Leader In Me School

Gladstone Elementary is a “Leader in Me” school. Our direct approach at building positive school culture begins by teaching the 7 Habits. The “7 Habits” are: Be Proactive, Begin With the End in Mind, Put First Things First, Think Win-Win, Seek First to Understand/Then to be Understood, Synergize and Sharpen the Saw.

These habits will help our students realize their potential as leaders. We also use our data for the Leader in Me to set “Wildly Important Goals.” These goals drive our growth mindset and help us realize that if we work hard we can reach anything we set our mind to.

English Language Learners (ELL)

The English as a Second Language program is designed to teach students who speak languages other than English how to understand, speak, read and write in English and to support student culture and language whenever possible.

STUDENT PROGRAMS

Our Teachers

Gladstone teachers are hard working and dedicated to improving student academics and leadership potential. Teachers learn from each other by doing peer observations, attending professional learning opportunities and collaborating as a grade level weekly. Each teacher serves on a Leader in Me action team to help plan, lead and guide events for Gladstone.

Many teachers offer after-school tutoring to help those students who are in need of help. Teachers plan field trips to help give our students exposure to all the wonderful things our city has to offer. The teachers at Gladstone are here to lead our students into their futures with all the tools that are needed to be successful.

Free Before-and After-School Care

Gladstone is proud to partner with LINC to offer free-of-charge high-quality before-and after-school care. Students are able to engage in a variety of safe, fun and engaging activities. LINC provides a caring environment that supports children’s social, emotional and physical development.
