Northeast Middle School is proud to educate a diverse population of students in the historic Northeast Kansas City community. Our goal is to prepare every student with the academic, social and technological skills to make them successful in the 21st century.

Community-Driven Education

We believe in teaching our children personal and moral values as a responsibility to their families and other social institutions through association with other students, faculty and the community.

It is our commitment to assist all students in developing a healthy self-concept, enabling them to think and act for themselves and encouraging leadership potential.

Welcoming New Americans

Northeast Middle is proud to serve students from all over the world and provide special services to students who are new to the country. The goal of the New Americans class is to help newcomers adapt to their new school environment, start the process of becoming literate in English and learn enough English and content to be able to move on to the next level of classroom instruction.

TITAN PROGRAMS

One-to One Digital Devices

Each student at Northeast Middle School will receive his/her own digital device in the classroom. This device can house student materials and textbooks and help increase digital literacy.

Student-Led Programs

A well-rounded, 21st-century education starts with a combination of focused academics and a variety of complementary student activities and organizations. Titan nation is proud to offer a wide array of student-driven activities and clubs. Students are encouraged to take leadership positions throughout the school year in programs such as the student council, newspaper, engineering club and much more.

English Language Learners (ELL)

At Northeast Middle School we educate students from over 20 countries who speak many different languages. The English as a Second Language program is designed to teach students who speak languages other than English how to understand, speak, read and write in English and to support students' culture and language whenever possible.
