Leader In Me School

Trailwoods is proud to be the first Leader in Me school in the Kansas City Public School system. Leader in Me is aligned with best-in-class content and concepts practiced by global education thought-leaders. It provides a logical, sequential and balanced process to help schools proactively design the culture that reflects their vision of the ideal school.

Content from *The 7 Habits of Highly Effective People* is a key component of the overall The Leader in Me process. The 7 Habits include timeless principles such as responsibility, vision, integrity, teamwork, collaboration and renewal.
