2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Island Community Day School Vision:

Island Community Day School will serve as a pathway to empower students who have experienced some form of school challenge (academic, attendance, behavior, or social) in the general education setting. We strive to provide the skills and supports students lack in an effort to successfully transition them back to the general education seated program.

School Mission:

Island Community Day School will prepare students to successfully enter a traditional school setting and achieve their goals.

Island Community Day School has students from the Kingsburg Elementary Charter School District. Island Community Day School faculty and staff believe in each of our student's potential to succeed! We believe earning an education is both their right and their responsibility. Each student must do their part, as a student at Island Community Day School, to make this a reality. Students are enrolled at Community Day School after a parent/student conference where alternative education options are considered. Referrals to Island Community Day School are the result of California Educational Code violations, late enrollment to the district without prior school attendance, or attendance problems at their home school. The length of placement at CDS can range from 45 to 180 school days or as determined by the site administration.

Goals

1. The Island Community Day School staff will continue to create a safe and warm environment for our students.
2. The PBIS model school framework will be implemented to ensure our students are in a safe learning environment.
3. Island Community Day School will be properly maintained to create a safe and warm learning environment.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	
Intern Credential Holders Properly Assigned	
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	
Unknown	
Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Kingsburg Elementary Charter School District holds a Public Hearing quarterly and determines that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual Standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the school are aligned with the California State Content Standards and Frameworks.

Students visit a library on campus that houses hundreds of books to further enrich their academic experience.

Each student has a Chromebook with internet capabilities. Computer skills and concepts integrated throughout the standard curriculum prepare students for technological growth and opportunities. Students are trained on google tools, keyboarding programs as well as additional online applications.

School Facility Conditions and Planned Improvements

Island Community Day School was originally constructed in 1994. The campus is currently comprised of one classroom and small office space.

Cleaning Process: The principal works with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The District Governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the District Office for review.

Maintenance and Repair: District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner.

A work order process (School Dude) is used to ensure efficient service and the highest priority is given to emergency repairs.

The District participates in the State School Deferred Maintenance Program, which provides State-matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Island Community Day School encourages parent involvement at all levels. Prior to any student entering our program, we meet as a team with the administrator, parent, student, teacher, and school staff from their prior placement. During this meeting, we go over our behavior contract, handbook, expectations, incentives, and all other pertinent items. Parents are welcome to come and participate and observe our classes. In addition, a quarterly newsletter is sent home with information regarding academics, PBIS, upcoming events, and opportunities. Our staff establishes strong connections with our families. They often text, call, email, and have face-to-face conversations.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions	--		1.64	0.57	3.47	0.20
Expulsions	--		0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Island Community Day School provides a safe and clean environment for students, staff, and volunteers. The safety of students and staff is a primary concern of Island Community Day School. The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and State earthquake standards. At the beginning of the year, the District Leadership team meets to review safety issues and the administration does a safety walk each month. Key elements of the safety plan include identifying the level of threat, protective options, staff initial action/ response, incident coordinator, and incident management, team.

Students are supervised throughout the day by teachers and paraprofessionals. Kingsburg Elementary Charter School District encourages volunteers in the classroom, field trips, and special projects. All school volunteers in direct contact with students are required to complete a District application form, provide evidence of clear tuberculosis (TB) screening, and receive Megan's Law check. The District clears all volunteers with the local police department through an automated record check. Volunteers working more than 10 days per month will need to fill out additional forms and submit them to fingerprinting.

2020-21 Types of Services Funded

Island Community Day School is an alternative placement for students in grades 4-8 within Kingsburg Elementary Charter School District. Each student that attends ICDS receives a free, fair, and appropriate education in core academic subjects. These sessions teach students how to be successful in school and beyond and are an opportunity for our students to form positive relationships with adults within our district.

These programs and services are provided at the school either through categorical funds or other sources that support and assist students:

Professional Development

(The annual preservice PD days were canceled, due to COVID. This year teachers had the option to participate in a half-day virtual professional development series of workshops.)

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. Additionally, the district offers several days during the year in which teachers are given a variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. Topics include Professional Learning Communities, common assessments, Common Core, SIOP strategies, PBIS Model Program training, and test disaggregation.

Kingsburg Elementary Charter School District's Beginning Teacher Support and Assessment (BTSA) program provides new teachers (those with less than three years of full-time teaching experience) and affected veteran teachers with personal support, guidance, modeling, direction, and mentoring in the areas of subject matter knowledge, teaching strategies, classroom management, and overall professional competence. In addition, the District also provides time and resources for collaboration, planning, and professional development for all staff.

Teachers are attending professional development that is focused on the implementation of the common core standards specifically in the area of guided reading, PLCs, and writing instruction.

This table displays the number of school days dedicated to staff development and continuous improvement.
