MIDDLE SCHOOL

2022 Summer School Information

June 23rd - August 5th

Dr. David Wiedlich- Principal
Dr. Douglas Kent- Assistant Principal
Dr. Christine Bryan- Assistant Principal

Please note that seats for the summer school classes are limited. Classes have a cap of eighteen (18) students. Once 18 students have fully enrolled, other students who may be interested will be waitlisted and ranked based on when the application was received.

We will run a hybrid model for our summer classes. Students can enroll for in-person **or** remote instruction, but must commit to one or the other during the enrollment process.

All major assessments must be taken in-person regardless of instructional delivery choice.

General Information

Purpose

Radnor Middle School's Summer School program provides highly-motivated learners in current grades 6 or 7 who have taken Course I (6th grade) or Course II (7th grade) in the 21-22 school year the opportunity to take a rigorous, compacted math course to accelerate their learning in mathematics.

Location

Radnor Middle School- 150 Louella Avenue, Wayne, PA 19087

Session Times

June 23rd through August 5th , 2022 (excluding July 4th)

Morning sessions will meet Monday-Friday on the dates above from 7:45-11:45. Help sessions are available after the instructional day concludes, at no cost to the student, from 11:45-12:15.

Eligibility

Radnor Middle School Summer School classes are **only** open to current RMS students who were in a grade level math class (Course I in 6th grade or Course II in 7th grade) in the 2021-2022 school year .

Attendance

Students are expected to attend all scheduled classes and arrive/be logged in on time. Students who miss a session for any reason are considered absent. Students who are late to school will have their lateness count towards days absent. If a student exceeds the absence limit, they will be withdrawn from the course. No refunds will be given to students who are withdrawn due to attendance issues.

Arrival time/Lateness

5 to 59 min. late- $\frac{1}{4}$ day absent.

60 to 119 min. late- $\frac{1}{2}$ day absent

120 to 179 min. late- $\frac{3}{4}$ day absent.

180 to 239 min. late- 1 day absent

Registration

In-person registration will be held in the Main Office of Radnor Middle School from February 21st – June 17th by appointment only. To schedule an appointment, please call our School Counseling office. No registration will be allowed after 3:00 p.m. on Friday, June 17th.

Payment and fees

All payment is due in full at registration. Payment is by personal check, cashier's check or money order. All checks should be made out to "RTSD" with the student's first and last name in the memo. If your check is returned for insufficient funds, you will be liable for a processing fee in the amount of \$30.00. The tuition cost for our courses are as follows:

Registration fee

\$50.00

Tuition per class

\$850.00

Tuition waiver

Residents of the Radnor Township School District who are eligible for free and reduced lunch will pay the \$50 registration fee only. Students must have applied and been accepted to the Free and Reduced Lunch Program prior to May 1st, 2022 to be considered eligible.

Cancellation of courses

Classes that do not have at least 12 enrollees will be cancelled. Students will be notified if a class is cancelled.

Refunds

Course tuition and registration fees will be refunded if the course is cancelled. Only the tuition will be refunded if the course runs and the refund is requested prior to June 20th. **No refunds will be given after 3:00 PM on June 20th.** No refunds will be given for students who are withdrawn for disciplinary issues. * See **Student Conduct** for more information.

Please note it will take up to 4-6 weeks to process refund checks.

Summer School Courses at RMS

6th Grade to 7th Grade

Designed for students who are interested in accelerating into Honors 2/3 in 7th grade, this course features more difficult problem sets studied at a faster pace.

Students will continue to develop their mathematical proficiency by building and extending the skills learned in sixth grade Course I. Instructional time will focus on critical areas including, but not limited to: writing, interpreting, and using expressions and equations; developing understanding of statistical thinking; understanding proportional relationships and operations with rational numbers; working with real number systems; solving (and reasoning) algebraic expressions and linear equations.

Students must earn a 79.50 or better (in the summer course) to be recommended for the Honors course in 7th grade.

7th Grade to 8th Grade

Designed for students who are interested in accelerating into Honors Algebra I in 8th grade, this course will engage and challenge students to continue to develop their mathematical proficiency by building and extending the skills learned in Course 2 in 7th grade.

Instructional time will include, but are not limited to: focusing on developing understanding of and applying proportional relationships; working with real number systems; developing understanding of operations with rational numbers; working with algebraic expressions and linear equations; solving problems involving scale drawings and working with two-dimensional shapes and three-dimensional objects; making inferences about populations based on samples; and formulating, solving and reasoning linear equations.

Students must earn a 79.50 or better (in the summer course) to be recommended for the Honors course in 8th grade.

RMS GRADING SCALE	
A+	98.5
A	92.5
A-	89.5
B+	86.5
B	82.5
B-	79.5
C+	76.5
C	72.5
C-	69.5
D+	66.5
D	62.5
D-	59.5
F	<59.49

Grades

Each summer school course grade is based on total points earned from homework, quizzes, tests and other projects. Grades can be viewed on Home Access Center (HAC).

Since each day of summer school accounts for more than a week of instruction during the regular school year, it is imperative that students spend time studying after they leave each day. Teachers are available each day after class to assist students who may need extra help.

Report Cards

An official grade report will be mailed after the last day of summer school to the home address listed on the student's registration form. Only one copy of the transcript will be mailed per student.

Summer school courses taken by students who attend Radnor Middle School will be added to the student's transcript. **Students who do not meet the grade requirement to accelerate into the honors course in 2022-2023, will be recommended for the math course that was originally made during the course recommendation process.**

Withdraw

A student may withdraw from summer school (RMS) at any time. * See **Refunds** section for more information.

Visitors

No visitors are permitted during summer school.

Student Conduct

Students are expected to adhere to the rules and guidelines outlined in the Radnor Middle School Student Handbook. A Level 1 infraction that otherwise would have resulted in a detention will result in a warning. A second, and all subsequent Level 1 infractions will be considered an unmodified Level 1 behavior and will be treated as a Level 2 infraction. Provided they are not suspendable offenses, a total of three (3) Level 2 or higher infractions will result in the student being withdrawn from the course.

Any infraction that would result in an Out-of-School Suspension will result in the student being withdrawn from the course. No refunds will be given for students who are withdrawn for disciplinary issues.

Any Level 3 or 4 infractions that would result in a multiple day Out-of-School Suspension may extend into the regular school year and involve police contact.

Transportation

Busing/District-provided transportation is not available for summer school classes.
