When you first open the **SMART Notebook** program, you may receive a notification that your license has expired. Follow the steps below to validate your license key so that you can fully access the SMART Notebook software.

If at any time you are unable to apply these steps or finish validating your SMART license key, please open a Helpdesk Ticket at http://support.cicd99.edu/.

STEP 1

If prompted, click on the button to '**Enter License**.'

STEP 2

Select the Product Key Click on the button to '**Manage Selected Product Key…**'

STEP 3

Select the option to **'Repair'** the activation of your license. Click **'Next**.'

STEP 4

Wait for the **Repair** to complete its cycle. Once complete, click '**Next**.' To apply the **Repair** results, click '**Finish**.'

If at any time you are unable to apply these steps or finish validating your SMART license key, please open a Helpdesk Ticket at http://support.cicd99.edu/.
