

# Taking the NWEA Map Test on Chromebooks

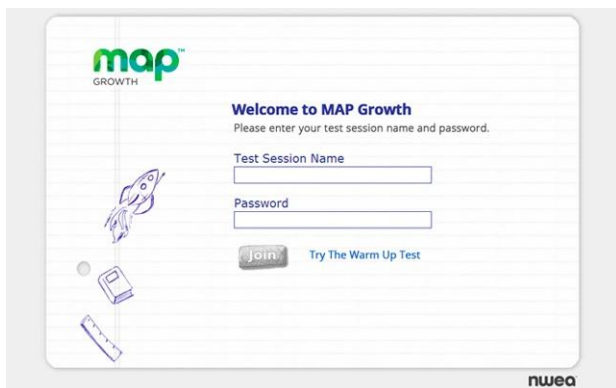

If the kids have this screen please have them sign out...  
Students can't be signed in for testing!

Once the student are sign out...have them click  
on the Apps button

This box will pop up and select the Map  
Growth Chromebook Testing link

This screen will pop up and the students  
are ready to put in the testing information  
(Note: this is a new screen from last year!)
